NEW

## Foom Floor stand

We can print anything, in small quantities!

## Foom Customization

Personalize your floor stand with your branding

Foom custom-printed floor stands enhance your washroom and strengthen your corporate identity.

Our in-house workshop can further customize your floor stand with high-quality logos and full-color decorations.

We can print anything, in small quantities, including:

- Logos, corporate branding
- Instructions or eye-catching texts
- Attractive photographic decorations
