## **Piccola Gelateria di Berna KKL Luzern will be opened**

**The KKL Luzern has entered into a new collaboration with Gelateria di Berna for the ice cream stand in front of the Deli Cafébar Le Piaf on Europaplatz. The «Piccola Gelateria di Berna KKL Luzern» will open on Saturday, 17 May. For the Trend Gelateria from Bern, this is the first location in Central Switzerland. The location is operated by the KKL Luzern Catering, in partnership with Gelateria di Berna.**

Gelateria di Berna stands for artisan gelati made with love and care from organic and regional ingredients. Founded by three brothers, the Bern-based family business shares the same values as the KKL Luzern Catering and focuses on Swiss ingredients and quality combined with traditional craftsmanship. In Gelateria di Berna, we have found a partner who shares our passion for excellent service, surprising flavor compositions and the joy of creative experimentation. Together, we do everything we can to surprise our guests again and again with special, new experiences.

In the Piccola Gelateria di Berna KKL Luzern, which is located in a lovingly converted shipping container at Le Piaf at the KKL Luzern, guests can expect 18 different Gusti. The range extends from popular classics such as stracciatella and mango to surprising, creative flavors such as Mare di Berna or Fragola Aceto Balsamico.

Gelateria di Berna was founded in 2010 and has since opened more than 10 further locations, including in Zurich and Bern. The location in front of the KKL Luzern is the brand's first in Central Switzerland.

Opening hours: daily in dry weather from noon
