

Mohsin Raza

Associate Principal, London

Mohsin Raza is an Associate Principal based in the London office of RBB Economics. He joined the firm in 2016 after completing an MSc in Economics (with distinction) at University College London. Mohsin also holds a first-class honours undergraduate degree in Economics from the University of Birmingham.

At RBB, Mohsin has advised on several high-profile competition matters covering horizontal, vertical and conglomerate mergers, abuse of dominance investigations and market studies. Some clients Mohsin has advised include Acadia, Alphabet (Google), Alstom, Asda, Intrum Justitia, Siemens, and Tech Data.

This includes cases before the European Commission, the UK's Competition and Markets Authority, and various national authorities including in Australia and France. Mohsin has also performed antitrust risk assessments of potential mergers for various clients across several potential jurisdictions.

Mohsin has several years of experience across a broad range of industries, including digital advertising, online search, online marketplaces, pharmaceuticals, groceries, consumer goods, and debt collection.

He also has experience in analysing local competition issues in a range of markets including groceries, opticians, pharmacies, private healthcare, and health & beauty products. Mohsin has also worked on bidding markets in the context of railway signalling.
