

Alexandre Maron

Associate Principal, Brussels

Alexandre is an Associate Principal based in RBB's Brussels office. He has extensive experience in the economic assessment of mergers, having advised on numerous Phase II investigations before the European Commission. He also works regularly on damage estimations in follow-on litigations.

Prior to joining RBB in 2016, Alexandre obtained a MSc in Economics jointly awarded by the Economics School of Louvain and Clemson University. A Belgian national, Alexandre is fluent in French and English.

Alexandre has advised clients on several Phase II matters before the European Commission. He has also advised on competition matters in various national jurisdictions, including the UK, France, the Netherlands, Spain, Singapore and Australia.

His experience includes mergers raising both horizontal and vertical concerns, cartel investigations and abuse of dominance cases litigations. Alexandre has also worked on numerous damage estimations in follow-on litigations in France and the UK.

Alexandre has worked with various clients, including Vivendi, Lagardère, Siemens, Alstom, Elanco, Willis Towers Watson, Imperial Tobacco and Blackstone.

His experience covers a wide range of industries, including pharmaceuticals, rail transport, insurance brokerage, fast moving consumer goods, online platforms, industrial chemicals, aircrafts and tobacco.
