

Chloé Le Berre

Senior Associate, Brussels

Chloé is a Senior Associate based in RBB's Brussels office. She holds a double Master's degree in Economics and Competition Law from the Toulouse School of Economics.

Since joining RBB, Chloé has advised on a variety of competition cases before the European Commission and domestic authorities, most notably before the French Competition Authority and French courts.

Her experience spans a variety of cases and conducts. Chloé has advised clients on several European and French mergers, including in-depth Phase II investigations such as Veolia/Suez and TF1/M6. She has worked on several abuse of dominance cases, both during the investigations and regarding follow-on damages. She also has experience on damage claims following cartel investigations.

Chloé has provided economic advice across a wide range of sectors, including media, TV broadcasting and advertising, waste management, automotive industry and medical imaging.

A French national, Chloé is fluent in English and French.
