

Jack Tomlinson

Senior Associate, London

Jack is a Senior Associate based in RBB's London office, where he has worked since October 2020.

Jack holds a BSc in Economics from University College London. As part of his degree, he also completed a year abroad at the University of Chicago.

Jack has provided advice to clients on a range of antitrust matters including horizontal mergers and follow-on damage claims relating to RPM. He has experience in multi-jurisdictional cases before the European Commission and has provided support to clients on investigations conducted by national authorities in the UK, Australia, Finland, Germany, Norway, and Sweden.

Jack has advised clients such as Veolia, BEWI, Freshways, and Kingspan.

His experience spans numerous industries including waste management, musical instruments, insulation and construction materials, and dairy products.
