

Jack Thomas

Associate Principal, Singapore

Jack Thomas is an Associate Principal based in the Singapore office of RBB Economics. Jack has worked on a wide range of competition matters before the European Commission, and before national competition authorities, including in the UK and Australia.

Jack holds an MPhil in Economics from the University of Cambridge and a BSc in Economics from the University of Warwick.

Whilst at RBB, Jack has advised on a wide variety of competition cases before the European Commission, domestic competition authorities and courts including in the UK, China, Brazil, Turkey, Australia and South Africa.

His experience spans a wide variety of competition matters, including mergers involving both horizontal and vertical concerns, abuse of dominance investigations, cartels, and follow-on damage assessments.

Jack has provided economic advice across a wide range of sectors including transport, pharmaceuticals, insurance, security services and digital markets.

He has advised numerous high-profile clients such as Alstom, Scania, Unilever and Salesforce, amongst others.
