

Robert Tabell

Senior Associate, Amsterdam

Robert Tabell is a Senior Associate in RBB's Amsterdam office. Prior to joining RBB in 2025, he worked at another international consultancy, as well as the Swedish Competition Authority.

Robert's recent work includes class actions related to interchange fees and consumer electronics, as well as multi-jurisdictional litigation related to Trucks.

His case experience covers a variety of industries such as consumer electronics, insurance brokerage, consumer goods, public procurement, over-the-counter pharmaceuticals, and digital services.
