REFERRAL PARTNERS - TERMS

Referral Finder's Fee on year 1 ACV¹:	ACV is the sum of fixed yearly license revenues. Referral Finder's Fee is a one-time payment, only paid on ACV of the 1st year. For the sake of clarity, variable transaction revenue does not count as ACV.
Additional Referral Finder's Fee (on Licenses, 1st year) and [...] for "Recommended Connectivity Partners"²:	Discounted prices will only be applied to API integrated products.
(Commit to) Quarterly Business Review Meetings³:	Commit to QBRs unless other is agreed by both parties.
Discounted Internal Use Rights of Pagero Network Service for Partner⁴:	Referral Partners are subject to a case-by-case discount for the purchases they make for their own use, while Reseller Partners may buy Pagero services for their own use at the same Reseller Pricing given to them for Reseller activities.
Partner Onboarding Training (Presales and Sales, Projects, Support, etc.)⁵:	Premium+ Partners will get a personalized onboarding and training program. The width and depth of this personalized program is defined by Pagero and subject to change.
Free-of-charge access to the Pagero Compliance Library (Level 3 Content)⁶:	Pagero reserves the right to exclude a Partner or Partner User from the Pagero Compliance Library if the Partner or Partner User is suspected of acting against Pagero usage policies or best interests, or for any other reason.
Sales / Tender Support via local Pagero Sales and Presales Teams⁷:	Pagero may assist the Partner with Presales and Sales support for specific end-customer opportunities. The nature and amount of the Presales and Sales support is unilaterally defined by Pagero on a case-by-case basis.
Pagero as Subject Matter Expert Speaker at Partner's Customer/ Partner Events⁸:	Pagero may attend the Partner's Customer and Partner Events as a subject matter guest speaker at Pagero's discretion.
Co-Marketing Funds⁹:	A maximum of 5 % of the previous natural business year's ACV purchases will be allocated to support the Partner's marketing activities throughout the following year. The Partner may request up to 50 % marketing spend compensation for any given marketing activity with associated external marketing costs (e.g. media ads, media content production, etc.). Only requests for Pagero related marketing activities will be taken into consideration. All requests are subject to Pagero approval.
Sales and Marketing Collateral Development Support¹⁰:	Premium+ Partners will get access to personalized Marketing Asset Creation support from the Pagero Partner Marketing team. The amount and nature of the Marketing Asset Creation support is decided by Pagero on a case-by-case basis.
Pagero Marketing SPOC¹¹:	Partner gets direct access to the Pagero Marketing Department at a local and/or global level, which the Partner may contact for Marketing related queries and assistance.
Partner commits to becoming a Pagero Reference Partner¹²:	Includes, but is not limited to, the Partner's logo on the Pagero website and Sales and Marketing material, Partnership description and case studies, Partner end-customer cases studies, etc.
Commit to minimum internal Pagero Enablement Sessions at Partner¹³:	Partner commits to granting Pagero a minimum number of meeting slots per year (virtual or onsite - whatever will be more reasonable), in which Pagero will meet the Partner's teams/departments (Sales, Presales, etc.) to enable the use of Pagero solutions.
Sales and Marketing campaign(s) towards prospects and existing customer base led by Partner¹⁴:	A campaign is defined as "an organized course of action to promote and sell a product or service with a pre-defined Marketing budget and Sales target".
Minimum Lead Submissions and Won Partner Opportunities¹⁵:	If the Referral Partner does not meet this requirement, Pagero may choose to invoice the difference or to downgrade the Partner to any lower tier.

RESELLER PARTNERS - TERMS

Referral Finder's Fee on year 1 ACV¹:	ACV is the sum of fixed yearly license revenues. Referral Finder's Fee is a one-time payment, only paid on ACV of the 1st year. For the sake of clarity, variable transaction revenue does not count as ACV.
Additional Referral Finder's Fee (on Licenses, 1st year) and [...] for "Recommended Connectivity Partners"²:	Discounted prices will only be applied to API integrated products.
(Commit to) Quarterly Business Review Meetings³:	Voluntarily. To be mutually agreed upon by both parties.
Discounted Internal Use Rights of Pagero Network Service for Partner⁴:	Referral Partners are subject to a case-by-case discount for the purchases they make for their own use, while Reseller Partners may buy Pagero services for their own use at the same Reseller Pricing given to them for Reseller activities.
End-Customer Setup and Implementation discounts for Recommended Connectivity Partners⁵:	Discounted prices will only be applied to API integrated products. When the Setup and Implementation of specific Pagero Services can be streamlined or optimized as a direct result of an Pagero API integration realized by the Partner, the Reseller purchase price of the Setup and Implementation of these services will be discounted appropriately.
Partner Onboarding Training (Presales and Sales, Projects, Support, etc.)⁶:	Premium+ Partners will get a personalized onboarding and training program. The width and depth of this personalized program is defined by Pagero and subject to change.
Free-of-charge access to the Pagero Compliance Library (Level 3 Content)⁷:	Pagero reserves the right to exclude a Partner or Partner User from the Pagero Compliance Library if the Partner or Partner User is suspected of acting against Pagero usage policies or best interests, or for any other reason.
Sales / Tender Support via local Pagero Sales and Presales Teams⁸:	Pagero may assist the Partner with Presales and Sales support for specific end-customer opportunities. The nature and amount of the Presales and Sales support is unilaterally defined by Pagero on a case-by-case basis.
Pagero as Subject Matter Expert Speaker at Partner's Customer/ Partner Events⁹:	Pagero may attend the Partner's Customer and Partner Events as a subject matter guest speaker at Pagero's discretion.
Co-Marketing Funds¹⁰:	A maximum of 5 % of the previous natural business year's ACV purchases will be allocated to support the Partner's marketing activities throughout the following year. The Partner may request up to 50 % marketing spend compensation for any given marketing activity with associated external marketing costs (e.g. media ads, media content production, etc.). Only requests for Pagero related marketing activities will be taken into consideration. All requests are subject to Pagero approval.
Sales and Marketing Collateral Development Support¹¹:	Premium+ Partners will get access to personalized Marketing Asset Creation support from the Pagero Partner Marketing team. The amount and nature of the Marketing Asset Creation support is decided by Pagero on a case-by-case basis.
Pagero Marketing SPOC¹²:	Partner gets direct access to the Pagero Marketing Department at a local and/or global level, which the Partner may contact for Marketing related queries and assistance.
Partner commits to becoming a Pagero Reference Partner¹³:	Includes, but is not limited to, the Partner's logo on the Pagero website and Sales and Marketing material, partnership description and case studies, partner end-customer cases studies, etc.
Commit to minimum internal Pagero Enablement Sessions at Partner¹⁴:	Partner commits to granting Pagero a minimum number of meeting slots per year (virtual or onsite - whatever will be more reasonable), in which Pagero will meet the Partner's teams/departments (Sales, Presales, etc.) to enable the use of Pagero solutions.
Sales and Marketing campaign(s) towards prospects and existing customer base led by Partner¹⁵:	A campaign is defined as "an organized course of action to promote and sell a product or service with a pre-defined Marketing budget and Sales target".
Minimum new ACV purchased every year¹⁶:	If the Reseller Partner does not meet this requirement, Pagero may choose to invoice the difference or to downgrade the Partner to any lower tier.

RECOMMENDED PARTNERS - TERMS

Promoted Connectivity¹:	Promoted Connectivity is subject to Pagero approval.
Certified Pagero Connectivity - Certification Badge²:	Certification Badge is achieved when all of the following requirements are met: (1) Integration is made via Pagero APIs (2) The first customer has gone live in production, (3) Integration and Support documentation has been compiled.
Recorded demo of solution integration for sales promotion by Pagero Direct Sales³:	The recorded demo is a sales tool for pitching when the prospect/customer wants an on-demand look-and-feel. Pagero does not guarantee that the demo will be promoted proactively.
Solution presentation at relevant regions' Direct Sales meetings⁴:	The scheduled presentations are agreed upon with the named partner contact at Pagero and are subject to the availability of the chosen regions.
Partnership announcement⁵:	Partner commits to a public announcement of the partnership and solution build.
Internal Sales education course⁶:	Pagero will produce an internal enablement course for the Sales and Marketing organization on the partner's value offering and Pagero solution.
Complete the Solution Page Information Template and provide Solution Product Sheet⁷:	Product Sheet of solution offering and customer benefits from Pagero-Partner service synergy.
Complete Pagero Vendor and Partner Assessment⁸:	Pagero reserves the right to exclude any partner that does not fulfil the Vendor and Partner Assessment for Recommended Partners.
Proactively monitor Pagero updates that impact connectivity, and maintain integration documentation⁹:	The Partner is the owner of the connection to Pagero and hence the owner of the support and integration documentation towards the end-customer (E.g., documents like the User Manual and Implementation Guides).
