

We Care About Your Health & Safety. Your medical clearance is **REQUIRED**

Your CosmetiCare Surgeon has requested that you obtain proof of medical clearance with an EKG in addition to bloodwork (CBC, BMP, HIV4, PT/PTT/INR), if you are age 45+. For breast procedures, a mammogram within 1 year of surgery date is also required. A chest X-ray is required for patients 60+. Clearance must be received in our office before your scheduled Pre-Operative Appointment; which is typically 2 weeks prior to your surgery date. Please contact your primary care physician or one of our partnering cardiologists directly to schedule your appointment.
