

MEDICAL CLEARANCE

Your health and safety are our priority! Proof of medical clearance must be submitted for all surgical patients age 45 and over.

Ask your primary physician for a letter of medical clearance stating that you are cleared for surgery under general anesthesia.

Medical clearance must be given no sooner than 30 days prior to your surgery, and must be received by your Pre-Operative appointment.

Medical Clearance Providers

Your primary physician can give you medical clearance for surgery. If you do not have a primary, or if you have Kaiser or other insurance that will not give medical clearance for an out of network provider, below is a list of our partnering cardiologists you can contact to schedule an appointment with. This is an out of pocket cost. When booking, mention you were referred by CosmetiCare for exclusive pricing.

Age 60+? For your safety a Chest X-Ray is also required.

Partnering Cardiologists

Dr. Michael Radin

Radin Cardiovascular Medical Group
1501 Superior Ave, Suite 312
Newport Beach, CA 92663
