

EDGE MOBILE

stay informed
on the go

AT YOUR FINGERTIPS

Edge Mobile lets you check your schedule and Dashboard charts to see what you need to stay on top of to run a successful practice.

ON THE GO

Your practice is constantly moving and so are you. Don't get tethered down by your desktop computer. Keep an eye on your schedule, Stacks, patients, and professionals with your smartphone or tablet.

CONVENIENT

The power of Edge Cloud concentrated down to the most absolute necessary information you need. Edge Mobile gives you a fast and simple interface to keep you in the know for your busy day-to-day functions.

Whether you're out and about or in your operatory, let Edge Mobile do the grunt work of keeping you informed. Quick, easy, and built from the ground up as a mobile platform, Edge Mobile displays all the important information you need to keep up with patients and scheduling. If you have Edge Cloud then this app is already available to you.
