Palladium™

Equipment location

Illustration shows Palladium™ spa pool model

	Equipment Bay		Drain Valve
	Keypad		Circulation Pump
	Conduit Access		

* Conduit access should be no more than 100mm high above the concrete slab.

Note: This model has a rigid base, and if you choose to bring the piping conduit in from the bottom through the base, you will need to cut a hole into the base on-site before installation. The factory does not provide this hole. Please see the diagram above to find the location where you can drill the hole.
