

Wellness & Concierge Medicine Provider (MD, NP or PA) – Alpharetta, GA

Robb Facial Plastic Surgery & Aesthetics

Redefining preventative care through concierge medicine, peptide therapy, and cutting-edge diagnostics

Are you a forward-thinking provider with a passion for **longevity, optimization, and personalized care**? We're building a best-in-class **wellness division** in Alpharetta, GA, and seeking a **dedicated MD, NP or PA** with experience in **peptide therapy, hormone optimization (HRT), and concierge medicine**.

What You'll Do

- Deliver personalized, unhurried care and concierge medicine –**no insurance billing**
- Create custom protocols using **peptides, HRT, advanced diagnostics, and biomarker tracking**
- **Help create wellness program** within Robb Facial Plastics & Aesthetics
- Develop a **membership-based concierge wellness model**
- Be the clinical face of our wellness brand on **social and educational platforms**
- **Generate new wellness patients** through personal network, social media and existing patients
- **New Patient Consults** – virtual and in-person
- Collaborate with a premier facial plastic surgeon and aesthetics team
- Inventory & ordering of medicines needed

What We're Looking For

- Medical Wellness Provider – MD, NP or PA
- 1–2+ years in functional, concierge, or wellness-based medicine
- Experienced in custom HRT/peptides, labs, and pricing models
- Entrepreneurial, organized, and charismatic—ready to build something powerful

Perks & Compensation

- **Base + bonus incentives** tied to patient volume (commensurate with experience)
- Health insurance, 401k, aesthetics & peptide perks
- Leadership role in growing a new division with **robust patient base**
- Built-in **marketing** support
