

CURRICULUM VITAE

Robert Keller Maloney, M.D., M.A. (Oxon)

Contact Information:

Mailing Address: Maloney-Shamie Vision Institute
10921 Wilshire Boulevard, Suite 900
Los Angeles, CA 90024

Telephone: +1-310-208-3937
E-mail: rm@maloneyshamie.com

Positions Held:

1998-Present Director, Maloney-Shamie Vision Institute
2005-Present Clinical Professor of Ophthalmology, David Geffen School of Medicine at UCLA
1998-2004 Associate Clinical Professor of Ophthalmology, David Geffen School of Medicine at UCLA
1996 – 1998 Associate Professor of Ophthalmology David Geffen School of Medicine at UCLA
1991 – 1996 Assistant Professor of Ophthalmology, David Geffen School of Medicine at UCLA
1999 – 2016 RxSight, Inc. (formerly Calhoun Vision)
Chief Medical Officer, 1999-2016
Interim Chief Executive Officer, 2007-2008

Nonprofit Service:

2001-2019 Board of Trustees, Good Samaritan Hospital
2009-2011 Board of Trustees, Children Mending Hearts
2010-Present Board of Trustees, Van Nuys Charities
2015-Present Board of Trustees, Harvard-Westlake School
2015-Present Board of Trustees, Doheny Eye Institute
2018-Present Board of Trustees, American Association of Rhodes Scholars
2021-Present Board of Directors, PIH Health System

Boards of Directors

RxSight, Inc 1999-2004
VisionRx, Inc. 1994-2004

Education:

Undergraduate: A.B., Summa Cum Laude in Mathematics
Harvard College
Honors thesis: "Linear Representations of Finite Groups in Non-Algebraically Closed Fields."

September 1976 to June 1979

Graduate Studies: Master of Arts in Philosophy, Politics, and Economics
Rhodes Scholar
Magdalen College
Oxford University
October 1979 to June 1981

Medical School: Doctor of Medicine
University of California, San Francisco
September 1981 to June 1985

Postgraduate Training

Research Fellow: Kenneth Craik Laboratory
Department of Physiology
Cambridge University
Cambridge, England
Spring, 1985

Internship: Department of Medicine
David Geffen School of Medicine at UCLA
June 1985 to June 1986

Residency Wilmer Ophthalmological Institute
The Johns Hopkins Hospital
July 1986 to June 1989

Heed Fellow: Cornea and Refractive Surgery
Emory University Department of Ophthalmology
July 1989 to June 1991

Honors and Awards

Visionary Award, American-European Congress of Ophthalmic Surgeons, for contributions to the field of cataract and refractive surgery. 2021

Top 50 World Opinion Leaders in Cataract and Refractive Surgery, 2005-2007. Nationwide readership poll of Cataract & Refractive Surgery Today

Best 34 Ophthalmologists in America. Becker's ASC Review. 2010

Secretariat Award, American Academy of Ophthalmology, 2003, for outstanding and valuable contributions to the American Academy of Ophthalmology and to its scientific and educational programs

Senior Achievement Award, American Academy of Ophthalmology, 2002

Lans Distinguished Refractive Surgery Award, International Society of Refractive Surgery, 2001, given annually to one surgeon worldwide for innovative contributions to the field of refractive surgery.

Pioneer in Refractive Surgery Award, Lasik Institute, 1999

Mericos Whittier Prize, Scripps Institute, 1997, awarded for outstanding achievements and contributions to the field of ophthalmology

Best Ophthalmologist in America Award, 1996. Voted one of America's top 10 refractive surgeons in a nationwide survey of eye surgeons conducted by Ophthalmology Times
The Best Doctors in America Award, Best Doctors, Inc., 1994-2019
America's Top Doctors Award, Castle Connolly Medical, Inc., 2001-2019
Honor Award, American Academy of Ophthalmology, 1993
Heed/Knapp Fellow, 1990-91
Heed Foundation Fellow, 1989-90
Rhodes Scholarship, 1979
Phi Beta Kappa Society, Harvard College (early election)
John Harvard Scholarship, for Academic Distinction, 1978
Rotary Foundation Fellowship for International Study, 1978 (declined)
Detur Prize, Harvard College, for Academic Distinction, 1977
National Merit Scholarship, 1976
Edward Whitaker Prize, Harvard College; for Academic Distinction, 1976
Sophomore Standing on admission to Harvard College (finished college in three years)
Daniel Webster Scholarship, Dartmouth College, 1976(declined)
Regents' Scholarship, University of California, 1976 (declined)

Named Lectureships

1. Mericos Whittier Lecture. Scripps Institute. La Jolla, CA, March 1997
2. Distinguished Lans Refractive Surgery Award lecture. An IOL whose power is laser-adjustable in-vivo. World Refractive Surgery annual meeting, Orlando, FL, July 2001.
3. Harold A. Stein Lecture. Hollywood eyes: an ophthalmic look at tinseltown. American Academy of Ophthalmology annual meeting, New Orleans, LA, October 2004.
4. The Thomas H. Pettit Lecture: A Light Adjustable Intraocular Lens. UCLA Stein Eye Institute Clinical and Research Seminar. Los Angeles, CA, June 2015.
5. Visionary Award Lecture. American-European Congress of Ophthalmic Surgeons. Goodbye, Dr Frankenstein. Deer Valley, UT, July 2021.

Patents

1. Maloney RK, Stewart JL. Method and apparatus for measuring properties of the eye using a virtual image. US Patent 5,873,832, issued 2/23/99.
2. Stewart JL, Maloney RK. Multi-functional visual testing instrument. US Patent 6,045,227, issued 4/4/00.
3. Maloney RK, Stewart JL, Truax BE. Method and apparatus for measuring properties of the eye using a virtual object. US Patent 6,059,773, issued 5/9/00.
4. Maloney RK, Stewart JL. Apparatus for evaluating the visual field of a patient. US Patent 6,206,522, issued 3/27/01.

5. Stewart JL, Maloney RK, Truax BE. Apparatus for visualizing the eye's tear film. US Patent 6,447,119, issued 9/10/2002.
6. Sandstedt CA, Jethmalani JM, Grubbs RH, Kornfeld JA, Schwartz DM, Maloney RK. Application of wavefront sensor to lenses capable of post-fabrication power modification. US Patent 6,749,632 B2, issued 6/15/04.
7. Mattson MS, Kornfeld JA, Schwartz DM, Maloney RK, Grubbs RH. Photochemical therapy to affect mechanical and/or chemical properties of body tissue. US Patent 8,414,911 B2, issued 04/09/13.
8. Kondis J, Maloney RK, Goldshleger I, Haller M, Sandstedt CA. Light-adjustable lens illumination system with fovea protection. US Patent application Docket No. P034US1, submitted 03/07/19.

Consultancies

Premier Laser Systems, for the development of an Erbium-YAG system for corneal refractive surgery, 1994-1998
VisionRx, Inc. for the development of ophthalmic diagnostic instruments, 1994-2004
Calhoun Vision for the development of a light adjustable intraocular lens, 1998-present
Refractec, Inc., 2001-2002
VISX, Inc. 2002-2005
Advanced Medical Optics, Inc., 2005-2017
Bausch & Lomb, Inc., 2005-2007
IntraLase Corp., 2007
Presbia Corp., Medical Monitor for the FDA clinical trial of the Flexivue Microlens, 2012-present
Better Vision Network, Medical Advisory Board, 2012
Johnson and Johnson Vision, 2017-present

Research Grants

Research to Prevent Blindness Career Development Award, 1992-1996, \$140,000
Principal Investigator, Weingart Foundation grant, for purchase of excimer laser, 1991, \$250,000

Professional Societies

Diplomate, American Board of Ophthalmology, 1991
American Academy of Ophthalmology
Spokesperson, 2000-2004
Young Ophthalmologists' Committee, 1992-1994
Advisory Group to the Ad Hoc Committee on Organizational Design, 1991
Chairman, Annual Meeting Program Committee for Young Ophthalmologists, 1990-1992
Long Range Planning Committee, 1989-1992
Quality of Care Committee, 1987-1991
Retina Preferred Practice Pattern Subcommittee
Refractive Errors Preferred Practice Pattern Subcommittee
American Society of Cataract and Refractive Surgery
International Society of Refractive Surgery

California Association of Ophthalmology
Max Fine Corneal Society 1992-2001
American-European Congress of Ophthalmic Surgery
 American President Elect 2019-2021
 American President 2021-present
 Executive Committee, 2011-present
 Board of Directors, 2019-present
Editorial Board of CollaborativeEYE 2018-present
International Intra-Ocular Implant Club 2018-present

Peer Review Activities

Editorial Board, Journal of Refractive Surgery, 1991-2011
 Associate Editor for North America, 1991-1995
Editorial Board, Ophthalmology Times, 1995-2020
Editorial Board, Video Journal of Ophthalmology, 1999-2002
Editorial Board, Eye Care Tomorrow, 2000-2002
Editorial Board, Review of Refractive Surgery, 2000-2011
Editorial Board, EYenet, 2002-2009
Editorial Board, Cataract & Refractive Surgery Today, 2006-present
Editorial Board, Advanced Ocular Care, 2010-2017

FDA Clinical Trial Participation

1. Principal Investigator. A Prospective Multicenter trial of Phototherapeutic keratotomy with the excimer laser. Summit Technology Inc., 1991-1993
2. Principal Investigator. A Prospective Multicenter trial of Photorefractive Keratectomy in eye with prior corneal surgery. Summit Technology Inc., 1991-1993
3. Principal Investigator. A Prospective Multicenter Trial of Laser Keratomileusis in highly myopic eyes. Summit Technology Inc., 1991-1994.
4. Principal Investigator. U.S. Clinical Investigation of the Artisan Myopia lens for the correction of high myopia in phakic eyes. Ophtec BV. 1999-2004
5. Principal Investigator. A prospective multicenter clinical trial of conductive keratoplasty in hyperopic eyes. Refractec, Inc. 1999-2001
6. Principal Investigator, A prospective Multicenter Clinical Trial to Evaluate the Safety and Effectiveness of the Viewpoint CK System for the Correction of Presbyopia in Emmetropes and Hyperopes Utilizing the Conductive Keratoplasty Procedure. Refractec, Inc., 2003-2004

7. Principal Investigator, A Prospective Study to Determine Safety and Effectiveness of WaveScan-Derived Ablation Targets for the Treatment for Low and Moderate Myopia With and Without Astigmatism with the VISX STAR Excimer Laser System. VISX, Inc., 2000-2002.
8. Principal Investigator. A Prospective Study to Determine Safety and Effectiveness of WaveScan-Derived Ablation Targets for the Treatment for Hyperopia With and Without Astigmatism with the VISX STAR Excimer Laser System. VISX, Inc., 2003-2005.
9. Principal Investigator. A Prospective Study to Determine Safety and Effectiveness of WaveScan-Derived Ablation Targets for the Treatment for Mixed Astigmatism with the VISX STAR Excimer Laser System. VISX, Inc., 2003-2005.
10. Principal Investigator. A Prospective Study to Determine Safety and Effectiveness of WaveScan-Guided LASIK for the Treatment of High Myopia With and Without Astigmatism with the VISX Star S4 Excimer Laser System. VISX Inc., 2004-2006.
11. Principal Investigator. A Prospective Study to Determine the Safety and Effectiveness of WaveScan-Guided Lasik for the Treatment of Presbyopic Patients Using Monovision with the VISX Star S4 Excimer Laser System. VISX Inc., 2004-2007.
12. Principal Investigator. A Multi-Center, Double-Masked, Randomized, Two-Arm, Parallel-Group Study to Compare the Efficacy, Safety and Acceptability of Optive Unit-Dose Eye Drops with Refresh Plus Unit Dose Lubricant Eye Drops for Three Months in Subjects Following LASIK Refractive Surgery, Allergan, Inc., 2007-2008.
13. Principal Investigator. A Prospective Multi-Center Clinical Study to Evaluate the Safety and Effectiveness of the Light Adjustable Lens (LAL) in Subjects Undergoing Cataract Extraction. Calhoun Vision, Inc., 2008-2009
14. Principal Investigator. The safety and efficacy of Cyclosporine 0.005% eye drops in Post-LASIK patients: a multicenter trial. Allergan, Inc., 2009.
15. Principal Investigator, A Prospective Multicenter Clinical Trial To Evaluate the Safety and Effectiveness of the Acufocus Corneal Inlay ACI 7000PDT implanted intra-stromally for modified monovision in presbyopic subjects. AcuFocus, Inc., 2010-2016.
16. Principal Investigator. Prospective, non-randomized, unmasked, multicenter clinical investigation of the Presbia Flexivue Microlens for the improvement of near vision in emmetropic presbyopes (Phase IIIa). PresbiBio, LLC/Presia, 2014-2016.
17. Principal Investigator. A prospective study to evaluate the safety and effectiveness of wavefront-guided LASIK correction of myopic refractive errors with the IDESIGN Advanced Wavescan Studio System and Star S4 IR excimer laser system. 2012-2016.

18. Principal Investigator. A prospective study to evaluate the safety and effectiveness of wavefront-guided LASIK correction of hyperopic refractive errors with the IDESIGN Advanced Wavescan Studio System and Star S4 IR excimer laser system. 2012-2016.
19. Principal Investigator. A prospective study to evaluate the safety and effectiveness of wavefront-guided LASIK correction of mixed astigmatic refractive errors with the IDESIGN Advanced Wavescan Studio System and Star S4 IR excimer laser system. 2012-2016.
20. Principal Investigator. Prospective, non-randomized, unmasked, multicenter clinical investigation of the Presbia Flexivue Microlens for the improvement of near vision in emmetropic presbyopes, PresbiBio, LLC/Presia, 2016-2019 (Phase IIIb).

Books

Courses, Invited Lectures, and Symposia

1. Chairman, Section on "Brightness, adaptation, and contrast." International Conference on Vision: Coding and Efficiency. Cambridge, England, October 1987.
2. Subspecialty Certification for the Cataract Surgeon: Resident's perspective. Opening Symposium, American Academy of Ophthalmology meeting, Dallas, TX, November 1987.
3. Invited Speaker. Current concepts in ophthalmology, Vail, CO, March 1990.
4. Invited Speaker. Hellenic Ophthalmological Society meeting, Iraklion, Crete, Greece, October 1990.
5. Invited Speaker. Fundacion Oftalmologia Nacional annual meeting, Bogota, Colombia, February 1992.
6. Invited Speaker. Ophthalmology Grand Rounds, Pacific Medical Center, San Francisco, CA, April 1992.
7. Invited Speaker. American Society of Cataract and Refractive Surgery annual meeting, San Diego, CA, May 1992.
8. Invited Speaker. Operiesenden Augenarzte Deutschlands annual meeting, Nurnburg, Germany, June 1992.
9. Invited Speaker. Excimer laser course, Cedars-Sinai Medical Center, Los Angeles, CA, July 1992.
10. Invited Speaker. Excimer laser course, Cedars-Sinai Medical Center, Los Angeles, CA, January 1993.
11. Invited Speaker. Sociedad Mexicana De Lentes Intraoculares y Queratorefractiva, Tijuana, Mexico, December 1992.
12. Invited Speaker. Jules Stein Eye Institute Annual Postgraduate Seminar, UCLA, Los Angeles, CA, April 1993.
13. Invited Speaker. Visions '93 course, Ft. Lauderdale, FL, April 1993.
14. Invited Speaker. Annual Contact Lens Symposium, California Association of Optometry, Irvine, CA, May 1993.
15. Invited Speaker. Corneal Topography Special Interest Group, Association for Research and Vision in Ophthalmology meeting, Sarasota, FL, May 1993.
16. Invited Speaker. Visions '93 course, La Jolla, CA, May 1993.
17. Invited Speaker. Georgia Society of Ophthalmology annual meeting, Sea Island, GA, May 1993.
18. Invited Speaker. Egresados del Hospital General de Mexico annual meeting, Queretaro, Mexico, July 1993.
19. Invited Speaker. ASCRS Summer Symposium on Refractive Surgery. Los Angeles, CA, August 1993.
20. Course director, Summit excimer laser update (course 301). American Society of Cataract and Refractive Surgery Summer Symposium on Refractive Surgery. Los Angeles, CA, August 1993.

21. Invited Speaker. Corneal topography for the general ophthalmologist. Cedars-Sinai Medical Center, Los Angeles, CA, August 1993.
22. Invited Speaker. Excimer y otros laser en cirugia refractiva corneal. Barcelona, Spain, September 1993.
23. Invited Speaker. Visions '93 Course, Chicago, IL, September 1993.
24. Chairperson. Young Ophthalmologists Symposium. American Academy of Ophthalmology annual meeting. Chicago, IL, November 1993.
25. Invited Speaker. American Academy of Ophthalmology annual meeting. Chicago, IL, November 1993.
26. Invited Speaker. Midway Hospital Grand Rounds. Los Angeles, CA, February 1994.
27. Invited Speaker. Oregon Academy of Ophthalmology annual meeting, Portland, OR, March 1994.
28. Invited Speaker. Symposium on Laser Corneal Surgery, Research Institute of Ophthalmology, Cairo, Egypt, March 1994.
29. Visiting Professor. El-Maghraby Eye Institute, Jeddah, Saudi Arabia, March 1994.
30. Invited Speaker. Contact Lens & Anterior Segment Symposium, California Association of Optometry meeting, Monterey, CA, April 1994.
31. Invited Speaker. Ocular Symposium, Universal City, CA, April 1994.
32. Co-chairman & Moderator. Corneal Topography Special Interest Group meeting. Association for Research in Vision and Ophthalmology, Sarasota, FL, May 1994.
33. Moderator. Paper session on Photorefractive and phototherapeutic keratectomy. Association for Research in Vision and Ophthalmology meeting, Sarasota, FL, May 1994.
34. Invited Speaker. Ninth Annual Meredith Morgan Symposium, Berkeley, CA, May 1994.
35. Invited Speaker. Desert Hospital Educational Conference, Palm Springs, CA, May 1994.
36. Invited Speaker. Visions '94 course. Santa Monica, CA, June 1994.
37. Invited Speaker. Tarzana Hospital Grand Rounds, Tarzana, CA, June 1994.
38. Invited Speaker. Refractive and cataract surgery: issues and updates, Mercy General Hospital, Sacramento, CA, July 1994.
39. Visiting Professor. University of Medicine and Dentistry of New Jersey, Newark, NJ, July 1994.
40. Invited Speaker. Current concepts in cornea and refractive surgery. Cedars-Sinai Medical Center, Los Angeles, CA, August 1994.

41. Invited Speaker. California Association of Ophthalmology annual meeting, Pasadena, CA, September 1994.
42. Moderator. Refractive Surgery Symposium, California Association of Ophthalmology annual meeting, Pasadena, CA, September 1994.
43. Invited Speaker. American Academy of Ophthalmology annual meeting. San Francisco, CA, November 1994.
44. Invited Speaker. American Academy of Ophthalmology annual meeting. San Francisco, CA, November 1994.
45. Invited Speaker. Symposium on Photorefractive Keratectomy. American Academy of Optometry annual meeting. San Diego, CA, December 1994.
46. Invited Speaker. Topography Symposium, Contact Lens Association of Ophthalmologist annual meeting, Las Vegas, NV, January 1995.
47. Invited Speaker. U.C. Berkeley School of Optometry Symposium, Pomona, CA, February 1995.
48. Invited Speaker. California Optometric Association annual meeting, Sacramento, CA, March 1995.
49. Invited Speaker. Salzburger Ophthalmologisches Symposium. Salzburg, Austria, April 1995.
50. Invited Speaker. Ocular Symposium. Universal City, CA, April 1995.
51. Invited Speaker. Instituto de Molestias Oculares, Associacao Brasileira de Bancos de Olhos e Transplante de Cornea, Sao Paulo, Brazil, May 1995.
52. Co-Chairman and Moderator. Corneal Topography Special Interest Group meeting. Association for Research in Vision and Ophthalmology. Fort Lauderdale, FL, May 1995.
53. Moderator. Paper Session on Refractive Surgery. Association for Research in Vision and Ophthalmology meeting. Sarasota, FL, May 1995.
54. Invited Speaker. Orange County Society of Ophthalmology. Orange, CA, May 1995.
55. Invited Speaker. Ventura County Ophthalmology Society. Camarillo, CA, June 1995.
56. Invited Speaker. Current Ophthalmic Practice Program, Cottage Hospital. Santa Barbara, CA, June 1995.
57. Invited Speaker. San Fernando Valley Optometric Association meeting. San Fernando Valley, CA, July 1995.
58. Invited Speaker. Daniel Freeman Marina Hospital. Marina Del Rey, CA, July 1995.
59. Invited Speaker. XXVIII Congresso Brasileiro de Oftalmologia. Salvador de Bahia, Brazil, September 1995.
60. Course Director. Excimer laser photorefractive keratectomy (certification course). Jules Stein Eye Institute, UCLA, Los Angeles, CA, November 1995.

61. Invited Speaker. Photorefractive keratectomy (certification course). Washington, DC, November 1995.
62. Invited Speaker. The Seventh Annual Berkeley Practicum. Berkeley, CA, December 1995.
63. Course Director. Excimer laser photorefractive keratectomy (certification course). Jules Stein Eye Institute, UCLA, Los Angeles, CA, December 1995.
64. Instructor. Corneal topography workshop. Summit International Laser User Congress. Palm Beach, FL, December 1995.
65. Course Director. Excimer laser photorefractive keratectomy (certification course). Jules Stein Eye Institute, UCLA, Los Angeles, CA, January 1996.
66. Invited Lecturer. Morton D. Sarver Lecture Series. University of California, Berkeley School of Optometry. Berkeley, CA, January 1996.
67. Invited Lecturer. JSEI Current Ophthalmic Practice symposium. Las Vegas, NV, February 1996.
68. Invited Speaker. Third Annual Continuing Education in Southern California Lectureship and Symposium. Pomona, CA, February 1996.
69. Course Director. Photorefractive keratectomy (optometric didactic course). Los Angeles, CA, February 1996.
70. Invited Lecturer. Excimer Laser PRK Track. California Optometric Association meeting. Anaheim, CA, March 1996.
71. Course Director. Photorefractive keratectomy (optometric didactic course). Los Angeles, CA, March 1996.
72. Lecturer. Max Fine Cornea Society meeting. San Diego, CA, March 1996.
73. Visiting Professor. Stanford University. Stanford, CA, April 1996.
74. Moderator. Association for Research in Vision Ophthalmology meeting. Sarasota, FL, April 1996.
75. Visiting Professor. University of California San Francisco, San Francisco, CA, May 1996.
76. Invited Speaker. University of Michigan, Department of Ophthalmology annual meeting. Ann Arbor, MI, May 1996.
77. Visiting Professor. Sinai Hospital of Baltimore, MD, May 1996.
78. Invited Speaker. Internationales Symposium und Ausetellung, 9th annual meeting of German Ophthalmic Surgeons. Nürnberg, Germany, June 1996.
79. Invited Speaker. Myopia for the Year 2000 course. Jules Stein Eye Institute, University of California Los Angeles, Los Angeles, CA, July 1996.
80. Course Director. Photorefractive keratectomy (certification course). Jules Stein Eye Institute, University of California, Los Angeles, CA, September 1996.

81. Invited Speaker. Ocular Surgery International course. Facultad de Medicina, Universidad del Salvador. Buenos Aires, Argentina, September 1996.
82. Special Invited Speaker. 62nd Annual Meeting of the Mid-Japan Ophthalmological Society. Osaka, Japan, October 1996.
83. Invited Speaker. American Academy of Ophthalmology: Subspecialty Day. Chicago, IL, October 1996.
84. Instructor. Laser in situ keratomileusis (skills transfer course). American Academy of Ophthalmology. Chicago, IL, October 1996.
85. Invited Speaker. Research Study Club of Los Angeles annual meeting. Los Angeles, CA, February 1997.
86. Invited Speaker. Advances in refractive surgery. Cleveland Clinic Foundation, Cleveland, OH, February 1997.
87. Visiting Professor. Manhattan Eye and Ear Hospital. New York, NY, April 1997.
88. Course Director. Photorefractive keratectomy and lasik (optometric education course). Jules Stein Eye Institute, University of California, Los Angeles, CA, May 1997.
89. Visiting Professor. Naval Regional Medical Center, San Diego, CA, June 1997.
90. Invited Speaker. San Diego County Ophthalmological Society, San Diego, CA, June 1997.
91. Featured Speaker. University of Colorado Department of Ophthalmology annual research day, Denver, CO, June 1997.
92. Invited Speaker. Santa Monica Rotary Club, Santa Monica, CA, August 1997.
93. Invited Speaker. Sally Letson Symposium, Ottawa, Ontario, Canada, September 1997.
94. Invited Speaker. Optical Society of America annual meeting, Long Beach, CA, October 1997.
95. Invited Speaker. Reshaping the future: Refractive Surgery '97. American Academy of Ophthalmology annual meeting, San Francisco, CA, October 1997.
96. Course Director. Summit excimer laser clinical technology update. American Academy of Ophthalmology annual meeting, San Francisco, CA, October 1997.
97. Course Faculty. Lamellar refractive surgery (skills transfer course). American Academy of Ophthalmology annual meeting, San Francisco, CA, October 1997.
98. Symposium Speaker. The pupil in keratorefractive surgery. American Academy of Ophthalmology annual meeting, San Francisco, CA, October 1997.

99. Discussant. Posterior corneal surface topographic changes after lasik are related to residual corneal bed Thickness. American Academy of Ophthalmology annual meeting, San Francisco, CA, October 1997.
100. Invited Speaker. University of Utah Grand Rounds. Salt Lake City, UT, November 1997.
101. Invited Lecturer. Vision Sciences meeting. Santa Fe, NM, February 1998.
102. Moderator. Ninth Annual Research and Alumni Day, Jules Stein Eye Institute, UCLA. Los Angeles, CA, March 1998.
103. Plenary Speaker. Asia Pacific Society of Cornea and Refractive Surgery annual meeting. Singapore, March 1998.
104. Invited Lecturer. Jules Stein Eye Institute annual meeting, Los Angeles, CA, April 1998.
105. Invited Speaker. Southern California Permanente Medical Group annual symposium. Anaheim, CA, May 1998.
106. Invited Speaker. Virginia Society of Ophthalmology annual meeting. Williamsburg, VA, May 1998.
107. Invited Speaker. Chicago Ophthalmological Society annual meeting, Chicago, IL, May 1998.
108. Invited Speaker. Ocular Drug and Surgical Therapy Update, Laguna Niguel, CA, June 1998.
109. Invited Speaker. Current concept in refractive and cataract surgery. Stanford University, Stanford, CA, September 1998.
110. Invited Speaker. Refractive surgery risk management. The New England Ophthalmological Society annual meeting. Boston, MA, October 1998.
111. Invited Panelist. Refractive Surgery 1998: Reshaping the future. American Academy of Ophthalmology annual meeting, New Orleans, LA, November 1998.
112. Moderator. 1998 Pre-Academy Conference. International Society of Refractive Surgery, New Orleans, LA, November 1998.
113. Discussant. Refractive Surgery Free Papers. American Academy of Ophthalmology annual meeting, New Orleans, LA, November 1998.
114. Instructor. Lamellar refractive surgery with a microkeratome (skills transfer course HL-214). American Academy of Ophthalmology annual meeting, New Orleans, LA, November 1998.
115. Instructor. New and emerging technologies in cataract and refractive surgery (course 624). American Academy of Ophthalmology annual meeting, New Orleans, LA, November 1998.
116. Symposium Speaker. Topography, refraction and vision after refractive surgery. A Corneal and Contact Lens Symposium in Honor of Robert B. Mandell. Berkeley, CA, November 1998.
117. Invited Speaker. Hawaii Optometric Society meeting. Honolulu, HI, February 1999.

118. Course Faculty. New and emerging technologies in cataract and refractive surgery. American Society of Cataract and Refractive Surgery annual meeting, Seattle, WA, April 1999.
119. Moderator. Session on: Refractive lasers. American Society of Cataract and Refractive Surgery annual meeting, Seattle, WA, April 1999.
120. Invited Speaker. Southern California Chapter Meeting American Society Ophthalmic Registered Nurses, Los Angeles, CA, May 1999.
121. Keynote Speaker. VISX University symposium. Irvine, CA, June 1999
122. Invited Speaker. Mexican Society of Cataract and Refractive Surgery Annual Meeting. Puerto Vallarta, Mexico, July 1999.
123. Invited Speaker. Los Angeles Times Festival of Health. Los Angeles, CA, October 1999.
124. Invited Speaker. Phakic intraocular lenses: Anterior chamber is the way to go for myopia and hyperopia. American Academy of Ophthalmology annual meeting, Orlando, FL, October 1999.
125. Instructor. Lamellar refractive surgery with a microkeratome (skills transfer course). American Academy of Ophthalmology annual meeting, Orlando, FL, October 1999.
126. Instructor. New and emerging technologies in refractive surgery (course 317). American Academy of Ophthalmology annual meeting, Orlando, FL, October 1999.
127. Invited Speaker. Refractive surgery special interest group, American Academy of Ophthalmology annual meeting, Orlando, FL, October 1999.
128. Discussant. Langenbucher A et al. Implications of the difference between intended and achieved corneal thickness after myopic lasik in-situ keratomileusis. American Academy of Ophthalmology annual meeting, Orlando, FL, October 1999.
129. Discussant. Gimbel HV et al. Postoperative corneal thinning masquerading as undercorrection or regression in LASIK surgery. American Academy of Ophthalmology annual meeting, Orlando, FL, October 1999.
130. Invited Speaker. Association of Major League Baseball Team Physicians annual meeting, Anaheim, CA, December 1999.
131. Invited Speaker. Fourteenth Annual Morton D. Sarver Lecture Series, University of California, Berkeley, CA, January 2000.
132. Invited Speaker. Research Study Club of Los Angeles Midwinter Clinical Conference, Universal City, CA, January 2000.
133. Invited Speaker. Los Angeles County Optometric Society annual meeting, Los Angeles, CA, February 2000.

134. Invited Speaker. New Orleans Academy of Ophthalmology Annual Symposium, New Orleans, LA, February 2000.
135. Guest Surgeon. Forum Internazionale Chirurgia refrattiva Approfondimenti Nuove frontiere e Complicanze, Rome, Italy, March 2000.
136. Guest Surgeon and invited speaker. Saudi Ophthalmological Society 13th Annual Scientific Meeting. Riyadh, Saudi Arabia, April 2000.
137. Invited Speaker. American Osteopathic Colleges of Ophthalmology and Otolaryngology 84th annual clinical assembly meeting. Rancho Mirage, CA, May 2000.
138. Moderator. LASIK Session. American Society of Cataract and Refractive Surgery annual meeting. Boston, MA, May 2000.
139. Course Faculty. Course 3307: New and emerging technologies in cataract and refractive surgery. American Society of Cataract and Refractive Surgery annual meeting. Boston, MA, May 2000.
140. Invited Speaker. VisionQuest annual meeting. Chicago, IL, August 2000.
141. Invited Speaker. Vision Expo 2000. Las Vegas, NV, September 2000.
142. Invited Speaker. Vision Surgery and Laser Center Continuing Education Program. San Diego, CA, October 2000.
143. Instructor. Lamellar Refractive Surgery with a Microkeratome (skills transfer course HL-158). American Academy of Ophthalmology annual meeting. Dallas, TX, October 2000.
144. Invited Speaker. Prevention and management of flap micro and macro striae. American Academy of Ophthalmology annual meeting: Subspecialty Day. Dallas, TX, October 2000.
145. Invited Speaker. Scleral relaxation. American Academy of Ophthalmology annual meeting: Subspecialty Day. Dallas, TX, October 2000.
146. Invited Speaker. Los Angeles Rotary Club. Los Angeles, CA, February 2001.
147. Invited Speaker. Hoag Memorial Hospital 552 Club. Newport Beach, CA, February 2001.
148. Invited Speaker. University of Washington Resident/Alumni Day. Seattle, WA, June 2001.
149. Invited Speaker. VisionQuest annual meeting. Chicago, IL, August 2001.
150. Invited Speaker. Diffuse lamellar keratitis. Refractive Surgery Interest Group annual meeting. New Orleans, LA, November 2001.
151. Instructor. New and emerging technologies in cataract and refractive surgery (course 168). American Academy of Ophthalmology annual meeting. New Orleans, LA, November 2001.
152. Instructor. Lasik (skills transfer course HL-370). American Academy of Ophthalmology annual meeting. New Orleans, LA, November 2001.

153. Invited Speaker. Weird complications of lasik. International Society of Refractive Surgery annual meeting. New Orleans, LA, November 2001.
154. Invited Speaker. Dallas Academy of Ophthalmology meeting. Dallas, TX, January 2002.
155. Visiting Professor. University of Texas Southwestern. Dallas, TX, January 2002.
156. Invited Speaker. The Cleveland Clinic annual meeting. Cleveland, OH, May 2002.
157. Course Faculty. Course 2206: Lasik pearls and pitfalls: a panel discussion of lasik techniques by experienced surgeons. American Society of Cataract and Refractive Surgery annual meeting, Pennsylvania, PA, June 2002.
158. Course Faculty. Course 2302: New and emerging technologies in refractive surgery. American Society of Cataract and Refractive Surgery annual meeting, Pennsylvania, PA, June 2002.
159. Invited Speaker. Los Angeles County Optometric Society annual meeting, Los Angeles, CA, February 2003.
160. Invited Speaker. Refractive surgery complications. American Society of Cataract and Refractive Surgery annual meeting, San Francisco, CA, April 2003.
161. Invited Speaker. Customvue education course. VISX, Inc., Los Angeles, CA, July 2003.
162. Invited Speaker. Customvue education course. VISX, Inc., Denver, CO, August 2003.
163. Invited Speaker. A multicenter trial of wavefront guided lasik. XXI Congress of the European Society of Cataract and Refractive Surgeons, Munich, Germany, September 2003.
164. Invited Speaker. Results of U.S. FDA reduced acuity wavefront ablation study. XXI Congress of the European Society of Cataract and Refractive Surgeons, Munich, Germany, September 2003.
165. Course Faculty. Course 36: Wavefront-guided lasik: a practical approach to diagnostic methodology and technique. XXI Congress of the European Society of Cataract and Refractive Surgeons, Munich, Germany, September 2003.
166. Invited Speaker. How to best position wavefront into a refractive practice. ASCRS Eyeworld Educational Symposium, American Academy of Ophthalmology annual meeting, Anaheim, CA, November 2003.
167. Moderator. Session II: Correction of Presbyopia. American Academy of Ophthalmology annual meeting: Subspecialty Day. Anaheim, CA, November 2003.
168. Instructor. Medical and surgical management of complications of refractive surgery (course 244). American Academy of Ophthalmology annual meeting, Anaheim, CA, November 2003.
169. Invited Speaker. Therapeutic wavefront-guided lasik. The Research Study Club of Los Angeles annual mid-winter meeting. Los Angeles, CA, January 2004.

170. Invited Lecturer. Seeing & optimized refractive corrections. 5th International Congress of Wavefront. Whistler, Canada, February, 2004.
171. Invited Speaker. Corneal Zoology. Jules Stein Eye Institute Cornea Lecture Series. Los Angeles, CA, April 2004.
172. Course Faculty. Course 3106: Lasik pearls and pitfalls: a panel discussion of lasik techniques by experienced surgeons. American Society of Cataract and Refractive Surgery annual meeting, San Diego, May 2004.
173. Invited Speaker. Point-counterpoint: wavefront-guided ablation is the key to superior visual outcomes. Academy of Ophthalmology annual meeting: Subspecialty Day. New Orleans, LA, October 2004.
174. Discussant. Refractive Surgery Free Papers. American Academy of Ophthalmology annual meeting, New Orleans, LA, October 2004.
175. Course Faculty. Course 198: Lasik pearls and pitfalls: a panel discussion of lasik techniques by experienced surgeons. American Academy of Ophthalmology annual meeting, New Orleans, LA, October 2004.
176. Course Faculty. Course 235: Presbyopia surgery techniques: pearls and pitfalls: a panel discussion of presbyopia strategies and preferred techniques by experienced surgeons. American Academy of Ophthalmology annual meeting, New Orleans, LA, October 2004.
177. Invited Speaker. "Hollywood eyes: Can we learn anything from tinseltown?" Cataract, Cornea and Refractive Surgery Symposium annual meeting, San Francisco, CA, February 2005.
178. Invited Speaker. Refractive Surgery Complications Symposium. American Society of Cataract and Refractive Surgery annual meeting, Washington, D.C., April 2005.
179. Chair. EyeWorld Educational Symposium: Building a wavefront-driven refractive practice: optimizing results, expanding indications & apply the latest technology. American Society of Cataract and Refractive Surgery annual meeting, Washington, D.C., April 2005.
180. Invited Speaker. Corneal Zoology. Jules Stein Eye Institute Cornea Lecture Series. Los Angeles, CA, April 2005.
181. Invited Speaker. Do we fully understand the outcomes of presbyopia surgery? American Academy of Ophthalmology annual meeting. Subspecialty Day, Chicago, IL, October 2005.
182. Discussant. Phakic IOLS: Taken to Court: Panel discussion. American Academy of Ophthalmology annual meeting. Subspecialty Day, Chicago, IL, October 2005.
183. Moderator. Redefining Visual Quality Expectations for High Myopia w/Wavefront Driven Ablations: Panel discussion. AMO, Inc. American Academy of Ophthalmology annual meeting, Chicago, IL, October 2005.
184. Moderator, Invited Speaker, and Invited Panelist. Redefining Lenticular Refractive Surgery. EyeWorld Educational Symposium, American Academy of Ophthalmology annual meeting, Chicago, IL, October 2005.
185. Invited Speaker. CustomVue educational course: Optimizing Outcomes in a CustomVue-Driven Practice. Beverly Hills, CA, December 2005.

186. Course Director. Bausch & Lomb Zyoptix XP Microkeratome Certification Course. American Academy of Ophthalmology annual meeting, Chicago, IL, October 2005.
187. Moderator. Debating Today's Refractive Controversies: Panel discussion. Whistler Advanced Refractive Surgery Congress, Whistler, BC, Canada, February 2006.
188. Invited Speaker. High Myopia – Corneal vs. Lenticular Correction. Whistler Advanced Refractive Surgery Congress, Whistler, BC, Canada, February 2006.
189. Invited Panelist. "In the Clinic with the Experts" Symposium. American Society of Cataract and Refractive Surgery annual meeting, San Francisco, CA, March 2006.
190. Invited Speaker. Cornea, Cataract and Refractive Surgery Symposium, San Francisco, CA, March 2006.
191. Invited Speaker. Phakic IOL/High Myopia Correction. Cataract and Surgery Today Meeting. American Society of Cataract and Refractive Surgery annual meeting, San Francisco, CA, March 2006.
192. Invited Speaker. Corneal Zoology. Jules Stein Eye Institute Cornea Lecture Series, Los Angeles, CA, April 2006.
193. Invited Panelist. Laser Vision Correction. AMO Analyst Discussion Meeting, Huntington Beach, CA, June 2006.
194. Invited Speaker. Treatment of Erroneous Off-Axis Ablations. American Academy of Ophthalmology annual meeting, Las Vegas, NV, November 2006.
195. Instructor. Bausch & Lomb Certification Course: Advanced Laser Eye Surgery. American Academy of Ophthalmology annual meeting, Las Vegas, NV, November 2006.
196. Moderator and Invited Speaker. Evolution of the Microkeratome. Bausch & Lomb Booth Lecture. American Academy of Ophthalmology annual meeting, Las Vegas, NV, November 2006.
197. Invited Speaker. Avoiding & Managing Medical Malpractice in Refractive Surgery. Hawaiian Eye 2007, Kauai, HI, January 2007. Awarded Speaker of the Day.
198. Invited Speaker. Achieving Optimal Flaps with a Mechanical Microkeratome. Hawaiian Eye 2007, Kauai, HI, January 2007.
199. Invited Speaker. High Myopia – Corneal vs. Lenticular Correction. Whistler Advanced Refractive Surgery Congress, Whistler, BC, Canada, February 2007.
200. Invited Speaker. Nomograms: Borrow with Care. Whistler Advanced Refractive Surgery Congress, Whistler, BC, Canada, February 2007.
201. Moderator. Pursuing Refractive Success in Pseudophakic Patients. Whistler Advanced Refractive Surgery Congress, Whistler, BC, Canada, February 2007.
202. Invited Speaker. Corneal Zoology. Jules Stein Eye Institute Cornea Lecture Series, Los Angeles, CA, April 2007.

203. Invited Speaker. Pearls for Performing Wavefront-Guided Enhancements. EyeWorld Educational Symposium, American Society of Cataract and Refractive Surgery annual meeting, San Diego, CA, April 2007.
204. Invited Speaker. The Refractive Patient Who Has Never Had Surgery. "In the Clinic with the Experts" Symposium. American Society of Cataract and Refractive Surgery annual meeting, San Diego, CA, April 2007.
205. Invited Speaker. A Nomogram to Improve Flap Centration. IntraLase User Group Meeting. American Academy of Ophthalmology annual meeting, New Orleans, LA, November 2007.
206. Invited Speaker and Panelist. Break With The Experts: Nomograms. Subspecialty Day Refractive Surgery. American Academy of Ophthalmology annual meeting, New Orleans, LA, November 2007.
207. Instructor. New and Emerging Techniques in Cataract and Refractive Surgery Course. American Academy of Ophthalmology annual meeting, New Orleans, LA, November 2007.
208. Invited Speaker. Optimizing Centration of an IntraLase Flap with a Centration Nomogram. Hawaiian Eye 2008, Waikoloa, Hi, January 2008.
209. Invited Speaker. Improving Flap Biomechanics: Stability and Healing. Winter Corneal Refractive Invitational Summit 2008, Telluride, CO, February 2008.
210. Moderator. Updating the Laser Vision Correction Business Model. Winter Corneal Refractive Invitational Summit 2008, Telluride, CO, February 2008.
211. Invited Speaker. Corneal Zoology. Jules Stein Eye Institute Cornea Lecture Series, Los Angeles, CA, March 2008.
212. Instructor. Central Toxic Keratopathy: New Clinical Entity. American Society of Cataract and Refractive Surgery annual meeting, Chicago, IL, April 2008.
213. Invited Speaker. Light Adjustable Lens Practical Seminar. 21st International Congress of German Ophthalmic Surgeons, Nürnberg, Germany, June 2008.
214. Invited Speaker. Is Monovision a True Alternative to Multifocal IOL Implantation? 21st International Congress of German Ophthalmic Surgeons, Nürnberg, Germany, June 2008.
215. Invited Panelist. Cataract Surgery and Correction of Presbyopia - Advantages of Current Surgical Techniques. 21st International Congress of German Ophthalmic Surgeons, Nürnberg, Germany, June 2008.
216. Invited Speaker. JRS Video Complications. Subspecialty Day Refractive Surgery. American Academy of Ophthalmology annual meeting, Atlanta, GA, November 2008.
217. Invited Speaker. JRS Hottest Late Breaking News. Subspecialty Day Refractive Surgery. American Academy of Ophthalmology annual meeting, Atlanta, GA, November 2008.

218. Program Committee. Jules Stein Eye Institute & ASCRS Joint Symposium on Cataract and Refractive Surgery, Los Angeles, CA, February 2009.
219. Invited Panelist. Ask the Experts. Jules Stein Eye Institute & ASCRS Joint Symposium on Cataract and Refractive Surgery, Los Angeles, CA, February 2009.
220. Invited Speaker. Developing a Personal Nomogram for Refractive Surgery. Jules Stein Eye Institute & ASCRS Joint Symposium on Cataract and Refractive Surgery, Los Angeles, CA, February 2009.
221. Lead Instructor. Mechanical v. Laser Flap Creation: Point/Counterpoint. Jules Stein Eye Institute & ASCRS Joint Symposium on Cataract and Refractive Surgery, Los Angeles, CA, February 2009.
222. Moderator. Excimer Lasers, Microkeratomes, and Wavefront Analyzers. Jules Stein Eye Institute & ASCRS Joint Symposium on Cataract and Refractive Surgery, Los Angeles, CA, February 2009.
223. Invited Speaker. The Light Adjustable Lens: Correction of Myopia, Hyperopia, and Astigmatism or Adjustable Monovision with the Light Adjustable Lens. Jules Stein Eye Institute & ASCRS Joint Symposium on Cataract and Refractive Surgery, Los Angeles, CA, February 2009.
224. Moderator. Debating Today's Refractive Controversies. Choosing Between Multifocal and Accommodating Lenses: What Is Your Thinking Today? Advanced Refractive Invitational Meeting, Deer Valley, CO, February 2009.
225. Invited Speaker. Nomogram Tweaks to Improve Your Results. Advanced Refractive Invitational Meeting, Deer Valley, CO, February 2009.
226. Invited Speaker. Corneal Zoology. Jules Stein Eye Institute Cornea Lecture Series, Los Angeles, CA, April 2009.
227. Invited Speaker. A Case of Advanced Diffuse Lamellar Keratitis vs Central Toxic Keratopathy. American Academy of Ophthalmology annual meeting, San Francisco, CA, October 2009.
228. Invited Panelist. Financing Ophthalmic Device Companies. Ophthalmology Innovation Summit, San Francisco, CA, October 2009.
229. Moderator and Invited Speaker. Factors Affecting Consistent High Quality Results. AMO Users Group meeting, San Francisco, CA, October 2009.
230. Invited Speaker. What's Next in Custom Ablations? AMO Users Group meeting, San Francisco, CA, October 2009.
231. Invited Speaker. Improving LASIK Screening and Evaluation Diagnostics. Review of Ophthalmology meeting, San Francisco, CA, October 2009.
232. Invited Keynote Speaker. Next Generation Wavefront Sensing. Aspen Invitational Refractive Symposium, Aspen, CO, March 2010.

233. Course Instructor. New Emerging Technologies in Cataract & Refractive Surgery. American Society of Cataract and Refractive Surgery annual meeting, Boston, MA, April 2010.
234. Lead Instructor. Niche IOLs. American Society of Cataract and Refractive Surgery annual meeting, Boston, MA, April 2010.
235. Invited Speaker. The Light Adjustable Lens. Jules Stein Eye Institute Grand Rounds, Los Angeles, CA, April 2010.
236. Invited Speaker. Corneal Zoology. Jules Stein Eye Institute Cornea Lecture Series, Los Angeles, CA, May 2010.
237. Moderator. Hot, Hotter, Hottest Late-Breaking News. Refractive Surgery 2010: Seeing is Believing. American Academy of Ophthalmology annual meeting, Chicago, IL, November 2010.
238. Invited Speaker. JRS QwikFacts. Refractive Surgery 2010: Seeing is Believing. American Academy of Ophthalmology annual meeting, Chicago, IL, November 2010.
239. Panelist. Intraocular Surgery Power Calculations. American Society of Cataract and Refractive Surgery annual meeting, San Diego, CA, March 2011.
240. Course Instructor. Current Hot Topics, Controversies, Debates, and Technologies in LASIK, PRK, and Refractive IOL Technology. American Society of Cataract and Refractive Surgery annual meeting, San Diego, CA, March 2011.
241. Program Co-Chairman. American-European Congress of Ophthalmic Surgery meeting, Orlando, FL, October 2011.
242. Moderator. The Happy Patient: New Tools to Optimize Outcomes. Refractive Surgery 2011: Precision in Vision. American Academy of Ophthalmology annual meeting, Orlando, FL, October 2011.
243. Invited Speaker. JRS QwikFacts. Refractive Surgery 2011: Precision in Vision. American Academy of Ophthalmology annual meeting, Orlando, FL, October 2011.
244. Moderator. New Technologies Session. American-European Congress of Ophthalmic Surgery Invitational Meeting, Aspen, CO, March 2012.
245. Invited Speaker. Adjustable IOL. American-European Congress of Ophthalmic Surgery Invitational Meeting, Aspen, CO, March 2012.
246. Moderator. LASIK for Pros. American-European Congress of Ophthalmic Surgery Summer Symposium, Deer Valley, UT, July 2012.
247. Invited Speaker. State of the Art LASIK: Snapshot of the Last 5 Years and Where We Are in 2012. American-European Congress of Ophthalmic Surgery Summer Symposium, Deer Valley, UT, July 2012.
248. Program Co-Chairman. American-European Congress of Ophthalmic Surgery meeting. Chicago, IL, November 2012.

249. Invited Speaker. Treating Astigmatism with Toric IOLs and Intraoperative Refractions. American-European Congress of Ophthalmic Surgery meeting, Chicago, IL, November 2012.
250. Moderator. Lens Point-Counterpoint. Refractive Surgery 2012: The Era of Lasers and Lenses. American Academy of Ophthalmology annual meeting. Chicago, IL, November 2012.
251. Moderator. New Technologies Symposium. American-European Congress of Ophthalmic Surgery Invitational Meeting. Aspen, CO, February 2013.
252. Invited Speaker. Light Adjustable IOL: A Lesson in the FDA. American-European Congress of Ophthalmic Surgery Invitational Meeting. Aspen, CO, February 2013.
253. Invited Speaker. Point-Counterpoint. Femto Won Me Over to Cataract. American-European Congress of Ophthalmic Surgery Summer Symposium, Deer Valley, UT, July 2014.
254. Moderator. Corneal Video Complications Session. International Society of Refractive Surgery annual meeting. Chicago, IL, October 2014.
255. Moderator. New Technologies Symposium. American-European Congress of Ophthalmic Surgery Winter Meeting, Aspen, CO, February 2015.
256. Moderator. "Pick a Lens" Symposium. American-European Congress of Ophthalmic Surgery Winter Meeting, Aspen, CO, February 2015.
257. Moderator. Light Adjustable Lens Symposium. American Society of Cataract and Refractive Surgery meeting. San Diego, CA, April 2015.
258. Invited Speaker. Cataract Surgery following PRK or LASIK. Bausch & Lomb Advanced Cataract Surgery Course, Orange, CA, May 2015.
259. Invited Speaker. Corneal Zoology. Jules Stein Eye Institute Cornea Lecture Series. Los Angeles, CA, April 2015.
260. Invited Speaker. The Light Adjustable IOL: A New Paradigm in Refractive Cataract Surgery. USC Department of Ophthalmology 40th Anniversary Symposium. Los Angeles, CA, June 2015.
261. Invited Speaker. Suturing a Capsular Tension Ring. International Society of Refractive Surgery/American Academy of Ophthalmology annual meeting, Las Vegas, NV, November 2015.
262. Moderator. New Technologies Symposium. American-European Congress of Ophthalmic Surgery Winter Meeting. Aspen, CO, February 2016.
263. Invited Speaker. Cataract Challenges: Sutured IOL. American-European Congress of Ophthalmic Surgery Winter Meeting. Aspen, CO, February 2016.
264. Invited Speaker. Presbyopic Inlays. A Refractive Inlay is Best for Presbyopia. American-European Congress of Ophthalmic Surgery Winter Meeting. Aspen, CO, March 2016.

265. Invited Speaker. The Role of Corneal Refractive Surgery in Premium IOLs. ASCRS Annual Meeting. New Orleans, LA, May 2016.
266. Invited Speaker. Break with the Experts: Laser Vision Correction Enhancements. International Society of Refractive Surgery Annual Meeting. Chicago, IL, October 2016.
267. Panelist. Grand Rounds I: Cataract Challenges and Contraindications. American-European Congress of Ophthalmic Surgery Annual Meeting. Aspen, CO, February 2017.
268. Panelist. Grand Rounds II: New Technologies, New Directions. American-European Congress of Ophthalmic Surgery Annual Meeting. Aspen, CO, February 2017.
269. Course Director. Videos I Would Never Show in Public. American Society of Cataract and Refractive Surgery Annual Meeting. Los Angeles, CA, May 2017.
270. Panelist. Common Dilemmas in Corneal and Cataract Refractive Surgery: American Society of Cataract and Refractive Surgery. Los Angeles, CA, May 2017.
271. Invited Speaker. iDesign users Meeting. Is Wavefront something to SMILE about? Los Angeles, CA, May 2017.
272. Invited Speaker. Wavefront Ablations Will Dominate. Refractive Surgery Day. American Society of Cataract and Refractive Surgery. Los Angeles, CA, May 2017.
273. Invited Speaker. ICL Exchange. American-European Congress of Ophthalmic Surgery Winter Meeting. Aspen, CO, February 2018.
274. Discussant. "Fuchs' Patient wants Presbyopia Correcting IOL." American-European Congress of Ophthalmic Surgery Summer Symposium, Deer Valley, UT. July 2018
275. Moderator, Symposium on Complex Cataract Cases. American-European Congress of Ophthalmic Surgery Summer Symposium, Deer Valley, UT. July 2018
276. Invited Speaker. Management of Wound Burn During Phaco. American-European Congress of Ophthalmic Surgery Summer Symposium, Deer Valley, UT. July 2019
277. Discussant. Retina Mythbusters: Retina for Refractive and Cataract Surgeons. American-European Congress of Ophthalmic Surgery Summer Symposium, Deer Valley, UT. July 2019
