8. Processing of personal data
9. Applicable law

### 1. Terms of Use

Welcome to the website **Chainlabo.com** whose rights are owned by the company DNA SI SA, with registered office in via Balestra 12, 6901 Lugano CH.

This document contains the conditions of access and use of the site.

By accessing the site, you accept these conditions of use to which you are automatically bound, in their current version and accept, as of now, the changes from time to time in force.

You can request any further information at the email address [info@dnasi.ch](mailto:info@dnasi.ch)

### 2. Use of the site

You can access and use the site in compliance with these terms of use. Any other right is expressly excluded.

We reserve the right to close or modify the site at any time and at our discretion.

In the event that you use the site in violation of these terms of use and/or in an unauthorized or unlawful manner, we will act to protect our rights.

### 3. Purpose of the site

The site is for information and communication purposes only. Through the site there is no direct online sale of products and services, but it is only a means of finding our contact information if you are interested in our products and services.

### 4. Intellectual property rights

DNA SI SA is the owner or licensee of all intellectual property rights relating to the site and the materials published on it, including, for example, trademarks, logos, documents, texts, information, images, photographs, graphics, illustrations, videos ("materials").

### 5. Restrictions on the use of materials

You may not use, reproduce, duplicate or publish any of the materials and other information contained on our site, in any form and manner and for any purpose, without our express written consent.

You may create, but not exclusively, a hyperlink to this site, provided that the link does not represent us in a misleading, derogatory or defamatory way. In any case, we reserve the right to take any action to protect our rights.

## 6. Links to third-party websites

This site may contain links to websites managed by parties other than DNA SI SA. These links are provided for informational purposes only and for convenience of reference.

The inclusion of links to third-party websites does not imply any association with their owners or endorsement of the material contained therein by us who, as a third party:

- we have no control over these websites;
- we are not responsible for the products, services or other materials made available by them;
- we are not responsible for the processing of data by them, who are independent controllers;
- we are not responsible, directly or indirectly, for any loss or damage that the use of such websites may cause.

The products and services offered on websites operated by third parties cannot be considered in any way sponsored, shared or supported by us.

We are not responsible for the links and content made available by any third-party websites that refer to us.

## 7. Liability and exclusions of liability

We are not responsible if the information on this site is incomplete or contains errors of any kind.

We are not responsible for reliance on the materials and information contained on this site.

Under no circumstances can we be liable for any direct, indirect or incidental loss or damage which is:

- deriving from or connected to the site, to third-party websites connected to it and to any information or material published on it;
- relating to, or arising from, the inability to access or use the site for any reason.

Anyone who, by using this site and the materials contained therein, causes damage to third parties from which a claim arises against us, shall indemnify us from all damages, losses and expenses of any kind related to such claim.

## 8. Processing of personal data

DNA SI SA processes your personal data in compliance with the provisions contained in the privacy policy and in the cookie policy, to which reference is made.

## 9. Applicable law

These terms of use are governed by Swiss law, except in individual cases where there are mandatory higher regulations applicable.
