

Termination of membership of *Oikologoi PRASINOI*

In accordance with Article 4.15 of the Statutes of the *European Green Party (EGP)* “any Member can terminate or suspend its membership upon a request towards the Committee. The Committee will inform the Members through a designated communication and at the following Congress.”

With this letter, the EGP Committee would like to inform its Member Parties of the following:

On 29 November 2025, *Oikologoi PRASINOI (OP)*, Greece, informed the secretariat of the *European Green Party* in a letter signed by its Co-Chairs Alexandra Datseri and Konstantinos Ziavras that the *OP* party congress held on 23 March 2025 has taken the decision to terminate the party's membership within the *European Green Party*.

The Committee has taken note of the party's request to terminate its membership at its meeting on 4 December 2025. Thus, *OP* is no longer a member of the *European Green Party*.

The Congress of the EGP suspended *OP*'s full membership in the EGP during its 38th Congress online on 2 December 2023. *OP*'s decision to terminate its membership in the EGP does not affect the allocation list of votes and delegates of the 40th EGP Congress.

On behalf of the EGP Committee,

Benedetta De Marte
Secretary General
European Green Party
