# Visit Seneca Nation

INDIGENOUS LAND, PEOPLE & BEAUTY

**THE SENECA NATION HAS A RICH & FULL HISTORY WITH A VIBRANT CULTURE FOR YOU TO EXPERIENCE TODAY.**

The Seneca were the largest of six Native American nations which comprised the Iroquois Confederacy or Six Nations, a democratic government that pre-dates the U.S. Constitution. The historical Seneca occupied territory throughout the Finger Lakes area in Central New York, and in the Genesee Valley in Western New York, living in long-houses on the riversides.

Today, the Seneca Nation has a total enrolled population of over 8,000 citizens. The Seneca Nation supports its own people and benefits surrounding communities with a variety cultural, educational and economic efforts.
