AIRMAN HONOURED AT FAIRBAIRN

THE FIRST RAAF OFFICER TO BECOME CHIEF OF DEFENCE, SIR FREDERICK SCHERGER, HAS BEEN HONOURED WITH THE RENAMING OF THE MAIN ROAD INTO THE FAIRBAIRN PRECINCT AS 'SCHERGER DRIVE'.

Current Chief of the Defence Force, Air Chief Marshal Mark Binskin, who is only the fourth Air Force officer to lead the Australian Defence Force, said: "It is fitting that a road in the airport precinct in our Nation's Capital will now bear the name of a man who played such an influential role in Australia's military and civilian aviation history."

'Scherg' was widely regarded as an outstanding pilot, and was awarded the Australian Flying Cross, and commanded American Air Forces as well as British Commonwealth Forces.

Canberra Airport Managing Director Stephen Byron said: "We believe it is important that we sustain both the historical and contemporary links between Canberra Airport and the Australian Defence Force, particularly the RAAF."

SHORT WALK AWAY**

TOP STAFF ENTHUSIASTIC ABOUT SAFETY DURING SAFETY WEEK. **ABOVE** MAP SHOWING NEW EXPRESS PICK UP OPTIONS AT THE CANBERRA AIRPORT TERMINAL.

CBR AIRPORT BEST SAFETY WEEK

OUR EFFORTS FOR THE RECENT AIRPORT SAFETY WEEK WAS THE "BEST IN AUSTRALIA" ACCORDING TO THE AUSTRALIAN AIRPORT'S ASSOCIATION.

Airport Safety Week is an initiative by the Australian Airport's Association (AAA) and Australasian Airport Safety Forum (AASF) inviting airports from all over Australia and New Zealand to get involved to reinforce safety on-airport.

Canberra Airport hosted Airport Safety Week with safety-oriented events held in the Airport Terminal 'Safety HQ' which included daily guest speakers, exhibitors, competitions, a Foreign Object Debris (FOD) walk on the apron, a Man Cave, a Ladies Lounge, and free health checks.

"At Canberra Airport we work hard with the airlines to ensure passengers and travellers are as safe as possible at all times. This happens through our staff who are incredibly important to us. So we wanted to maximise this industry initiative to remind all our staff not only how important safety is in looking after travellers and in doing their work, but also looking after their health in their everyday lives." Matthew Brown, Head of Aviation, Canberra Airport.

The Airport Safety Week was held from the 29th Sept - 3rd October, 2014.

NEW EXPRESS PICK UP OPTIONS

CANBERRA AIRPORT NOW HAS TWO EXPRESS PICK-UP OPTIONS.

Just a short covered walk from the arrivals hall there is now an express pick up area with the comfort of a dedicated waiting lounge should your pick up be late.

For those wanting to greet guests in the arrivals hall, there is the option to use the free 10min pick up area located in the red Outdoor Park, a short two minute walk from the terminal. If you stay beyond the 10 minutes, you just pay at the pay machines as normal (only \$3.50 for up to an hour).

For more information and to have a go at the Airport Navigator Tool, go to www.canberraairport.com.au/parking-transport.

COSTCO FUEL BY CHRISTMAS

COSTCO GASOLINE STATIONS OFFER MEMBERS
GREAT VALUE ON HIGH QUALITY FUEL.

Costco Gasoline is designed for fast refuelling, featuring 16 pumps with long hoses that allow you to fill from either side of your vehicle and by-pass lanes for a quick exit.

Costco Gasoline will be located on Mustang Avenue, Majura Park, adjacent to the Costco Warehouse. Construction is underway with completion expected by Christmas.

HUSTLE & SCOUT AND THE FORAGE

HANGAR 47 IN FAIRBAIRN WAS RECENTLY
TRANSFORMED INTO TWILIGHT MARKETS.

Over 6000 people poured through the gates and browsed the fashion, food and beverage stalls. There was a pop-up bar for fans to watch the AFL grand final, as well as live music and a free polaroid photo booth.

The popular markets outgrew New Acton and seemed to fit perfectly with the heritage feel of Fairbairn and the warehouse-style of a hangar. Hustle & Scout founder Tegan McAuley said "It was overwhelming to see such a turnout."

The next Hustle & Scout and The Forage markets will be held at Hangar 47, Fairbairn on the 22nd of November.

WELCOME ABOARD

AEROSAFE, an international safety and risk management company, recently moved into Brindabella Business Park.

AIRBUS DEFENCE has also moved to Brindabella Business Park and is a major defence supplier to the Australian Defence Forces and leading regional civil helicopter retailers.

HELPING TO TACKLE SCABIES

THE SNOW FOUNDATION HAS COMMITTED ANOTHER \$150,000 TO 'ONE DISEASE', WHOSE PRIMARY GOAL IS TO ELIMINATE SCABIES.

Crusted scabies is a little-known, highly infectious and debilitating condition caused by uncontrolled proliferation of scabies mites. Rare in urban areas, rates of crusted scabies reported in remote Indigenous communities in Northern Australia are the highest in the world.

"Three years ago we became One Disease's first donor by committing \$100,000 to kick start the pilot and help attract more funding from other sources," said Snow Foundation CEO, Georgina Byron.

"When we visited East Arnhem in 2012 to see the work first hand we were impressed by the holistic approach and the dedication of Dr Buddhi Lokuge and the team. We promptly committed another \$200,000 over two years.

"Where so many other Indigenous health programs have failed, this one is an exemplar and we believe our additional contribution of \$150,000 over two years will be very well invested," Ms Byron said.

More information on One Disease can be found at www.1disease.org and www.snowfoundation.org.au

DEFENCE FORCE ON THE LONG RIDE

CONGRATULATIONS TO THE AUSTRALIAN DEFENCE FORCE TEAM THAT RECENTLY PARTICIPATED IN THE LONG RIDE.

To raise funds for the Prostate Cancer Foundation of Australia, 220 Defence personnel, led by the Chief of the Defence Force, Air Chief Marshal Mark Binskin, were out in their communities around Australia doing events and speeches to raise awareness of Prostate Cancer.

This included a 'Show and Shine' held at Brindabella Business Park and culminated in a national ride in early October of over 450 motorcyclists from around Australia riding to Uluru on The Long Ride.

Commander Guy Blackburn, Defence co-ordinator of the support to the Long Ride said, "By 2017 nearly a quarter of a million Australian men will have prostate cancer. If detected early, it is the most treatable cancer of all. The Brindabella Business Park motorcycle Show and Shine helped our efforts in fundraising and raising awareness in Canberra immensely."

The Defence team raised over \$160,000 nationwide, with Canberrans donating over \$100,000 of the total amount of nearly \$310,000 to put towards reducing the impact of Prostate Cancer in Australian men.

For more information on prostate cancer, go to www.pcfa.org.au
