

Product Specification Sheet

BuzziFez 100-240V

— By BuzziSpace Studio

A playful lighting accessory

BuzziFez is our first table lamp inspired by our beloved range of acoustic lighting solutions. But don't let its size fool you. The lighting accessory houses an energy-efficient and dimmable LED module that provides tactile warm lighting and perfectly suits office, home, and hospitality environments. The playful table light features a tiltable cylindrical-shaped head made from our signature BuzziFelt material, while the inner layer of fabric is colored in Ivory to ensure optimal light reflection. Easily combine the lighting accessory with other products in our portfolio, such as our range of tables and workstations, to effortlessly spruce up various workspaces.
