Product Specification Sheet

This document contains technical
information about the BuzziPlanter

•BUZZI
SPACE

www.buzzi.space

BuzziPlanter divides open spaces into green, silent microenvironments.

Designed with both functionality and style in mind, BuzziPlanter is a perfect fusion of a planter and an acoustic element. Built with a thick layer of high-density foam and finished with a layer of upholstered fabric, BuzziPlanter helps absorb excessive sound, thus creating calm, peaceful areas to sit, gather, work and relax. The pots have a built-in plastic container, allowing them to accommodate a diverse range of plant species to enhance the visual and auditory experiences within any space.

Design by BuzziSpace Studio

General

-  BuzziPlanter 45 | 45 Long | 80 | 90 | 90 Half
-  Filling: Acoustic foam + Plywood, MDF
-  Dry use
-  Free standing
-  Upholstered tablet for BuzziPlanter 90 or 90 Half
