A classic milk stool

This rustic-meets-modern take on the old farmhouse favorite would even make your grandma feel nostalgic. BuzziMilk is a sturdy little stool inspired by elements not usually found in a standard office space. Its goal? Create a warm and homey feeling at work. BuzziMilk has four legs and an upholstered seat for a softer experience. Select from a variety of wood finishes and make it your own by pairing with one of our many BuzziSpace fabrics. Looking for a pure wood stool? BuzziMilk Stool Allwood is pure simplicity and strong design.

A versatile little table

The BuzziMilk base has inspired the handy BuzziMilk Tables. They can be grouped together to create a series of coffee or side tables, or used independently. Like the BuzziMilk design, multiple size and color options are possible.
