

Product Specification Sheet

BuzziSol LED US

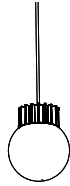

— By BuzziSpace Studio

Shine bright

BuzziSol is a versatile and straightforward pendant light fixture that can be fitted with either a frosted glass globe for ambient setting or with a reflective spot for direct lighting. Stick to BuzziSol Solo for smaller settings or add a BuzziSol Trio or BuzziSol Quintet variation for larger gathering spots and collaboration areas. Because of BuzziSol's demure design language, it can work on its own to create modern and minimalist spaces. Or pair it with some of our acoustic lighting solutions such as BuzziPleat, BuzziShade, BuzziProp Small, BuzziProp Beam, and BuzziZepp.

Lighting Data

Lighting Units

BuzziSol Globe

BuzziSol collection are suspended LED fixtures consisting of 1, 3 or 5 powder-coated black heatsinks with LED chip on board (COB) light sources.

The product can be finished with a frosted glass globe diffuser which spreads the light in a large beam angle of 170°, enlighting the surroundings or reflector spot adaptors directing the light with a beam angle of 38° downwards.
