

Declaration – ADA compliance
BuzziNest Room
With option “Barrier-free”

BuzziNest Room with the option “barrier-free for easy access” is designed to meet the requirements to be **ADA compliant** when it adheres to specific physical accessibility standards defined by the **Americans with Disabilities Act (ADA)**.

Characteristics:

- **Doorway Width:** The doorway provides a **clear passage width of more than 32 inches**
- **Turning Space:** The interior has a clear, unobstructed floor space of at least **60 inches in diameter** to allow a wheelchair user to make a 180-degree turn.
- **Entrance Threshold:** The threshold is **less than 1/2 inch** and ensures smooth rolling access.
- **Reachable Controls:** The door handle has an **ergonomic shape** which is easy to grasp. Both door handle and control screen mounted within the ADA defined height from the floor.
- **Door Force:** The door requires no more than **5 lbs of force** to open
- **Safety Features:** BuzziNest contains **laminated safety glass** and offers provisions for fire safety, such as sprinkler access or integration.
