

BuzziCloud

INSTALLATION MANUAL

Note

BuzziCloud is a Grid Ceiling Tile.

No tools required. Simply place the ceiling tile onto the existing T15 or T24 grid system for a quick and effortless installation.

Before installing the grid ceiling tiles, make sure the grid is installed in compliance with local building codes, follows the manufacturer's specifications, is level and square.

PET Felt features natural color variation. For optimal visual consistency, install tiles in the same orientation.
