

ELS SCHOOL OF DANCE

COVID19 SAFE PLAN

As excited as we are to get back into our studio I understand that people may still have doubts and concerns getting back to their normal lives and activities. However, we want you to feel confident and safe getting back to your classes at ELS School of Dance. Your health and safety is our priority and we are continuing to maintain our studio as a safe and hygienic place.

Training

All ELS staff have completed their Infection Control Training COVID-19.

Drop Off and Pick Up

For the time being our waiting area will be closed to keep numbers in the studio at a minimum to comply with government guidelines. A staff member will meet all students at the door and assist them to and from class. If you have a toddler or preschool aged child who you don't feel comfortable dropping off please let us know.

Personal Items

All personal belongings must be clearly labeled and brought into class to avoid and mix ups and lost property.

Office and Uniform Shop

Our office and uniform shop will be open, however only 5 people will be allowed in at one time and must comply with the 1.5m rule.

Hand Washing Stations

We have a hand wash station upon entry. Everyone who enters the studio must wash their hands upon entry and in between classes. We have also installed a hand towel dispenser.

Social Distancing During Class

In the classroom you will see social distancing stickers on the floor to make sure we all stay 1.5m apart while dancing. Classes will also be capped to comply with the government guidelines. We will also be taking out any partner work, hi-5s, hand holding, hugging etc from our class routines.

Visual Reminders

Around the studio you will see signs to remind us all to maintain 1.5m apart and on how to hand wash effectively.

Cleaning

We have always maintained a high level of cleaning at ELS, however we are further increasing our cleaning and disinfecting procedures, in particular of high touch areas, between each class and at the end of each day.

ELS School of Dance will continue to stay up to date with the government guidelines and let you know about any further changes. If you have any questions please give us a call on 0417 127 467 or send an email to info@els-dance.com.
