

## ASSEMBLY INSTRUCTIONS

---

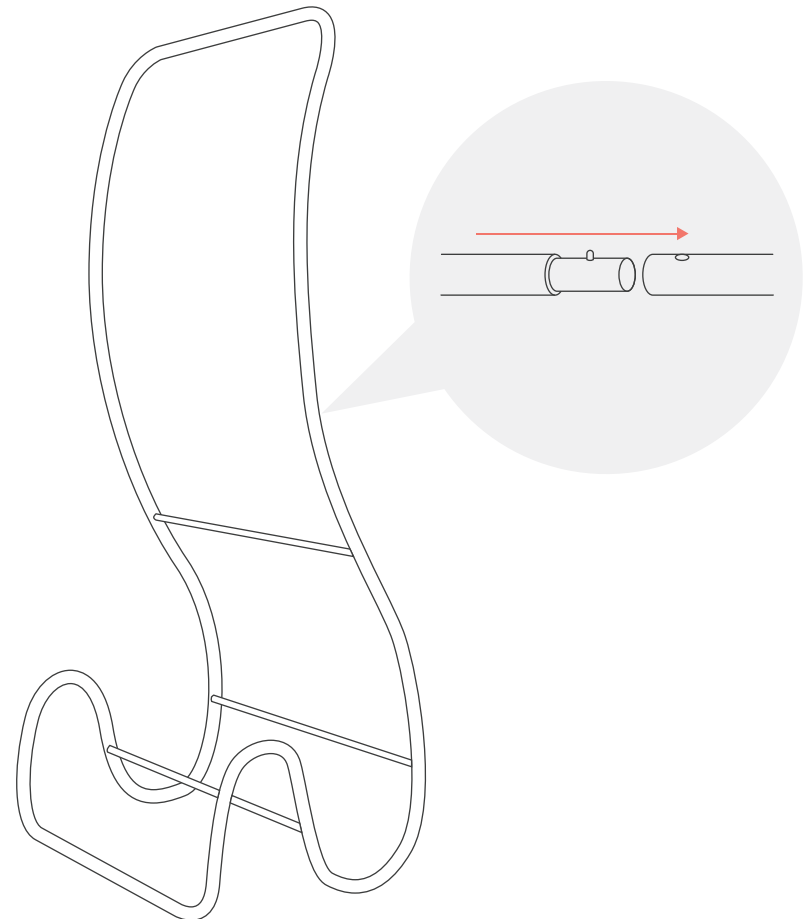

Remove all poles from the bag and their packaging

1

Lay out your poles in order of number

2

Connect the poles by simply pushing the poles into one another ensuring the spring clip is secured

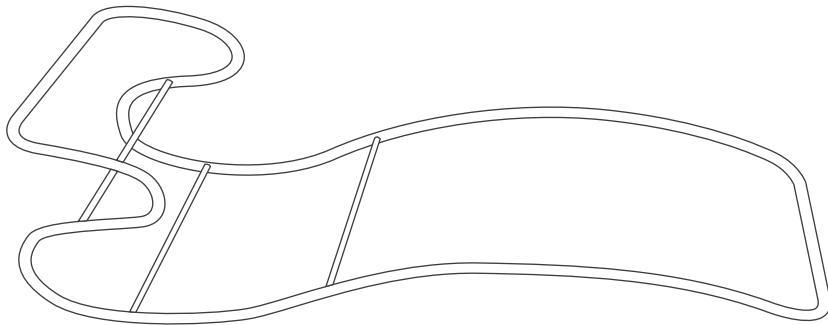

## ASSEMBLY INSTRUCTIONS CONTINUED

---

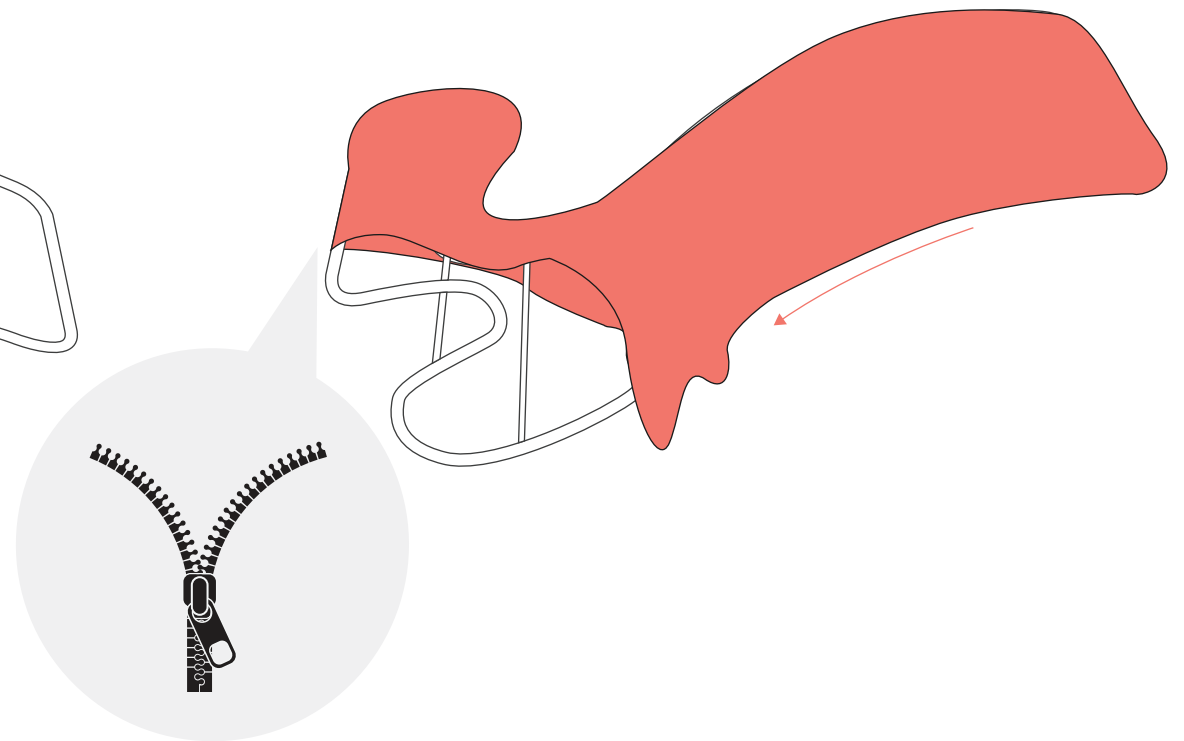

3

Lay your frame on the floor or polyethylene sheet so that you can apply your graphic

4

Slide your graphic on the frame like a sock ensuring that you secure it by fastening the heavy duty zip

## ASSEMBLY INSTRUCTIONS CONTINUED

---

5

Stand upright and smooth out any creases in the material
