DESCRIPTION

The 44.17m/144'11" motor yacht 'Agram' by Dutch shipyard Heesen, with interiors designed by Dutch designer Heesen, is available for charter and can accommodate up to 12 guests in 6 cabins.

This yacht features an abundance of inviting spaces that are perfect for luxury yacht charters with families or friends. Guests can unwind and relax or enjoy the water toys provided on board.

Built in 2008, Agram is an ideal choice for families, offering accommodation for up to 12 guests in 6 suites, including a master suite, a VIP cabin, one double cabin, two twin cabins and three cabins that can be used as either twins or doubles. There are 9 beds in total, including 1 king, 3 queen and 1 pullman. The yacht can also carry up to 9 crew members to ensure a seamless luxury yacht charter experience.

Chartering Agram promises a comfortable and convenient experience with amenities such as a deck jacuzzi, where guests can enjoy the stunning surroundings with a drink in hand. The yacht also offers air conditioning for ultimate comfort.

Agram also has impressive features such as Wi-Fi connectivity, allowing guests to stay connected at all times, if they so choose.

Built with an aluminium hull and superstructure, Agram boasts a semi-displacement hull that provides exceptional seakeeping and impressive speeds. The yacht is powered by twin MTU engines and can comfortably cruise at 21 knots, reaching a top speed of 26 knots with a range of up to 3,200 nautical miles from its 63,000-litre fuel tanks at 12 knots. The advanced stabilisationisation system on board reduces the yacht's side-to-side roll and ensures maximum comfort while at anchor or underway.

Agram provides an array of water toys and accessories to keep guests entertained during their stay on board. Enjoy the thrill of jet skiing, diving with the provided dive compressor and equipment, or explore the underwater world with SEABOBs. The yacht also comes with wakeboards, kayaks, inflatable water toys, paddleboards and snorkeling equipment. Agram also features a 6.5m/21'4" Circus Jet Tender for easy transport.
