DESCRIPTION

The Italian shipyard Benetti's motor yacht 'Hom' is a multi-award-winning vessel that offers flexible accommodations for up to 12 guests in five cabins. Interior styling by Molori Design elevates the yacht's aesthetic appeal.

Hom provides a wealth of convivial spaces that are perfect for luxury yacht charters with friends or family. Guests can relax or enjoy the water on the yacht's numerous water toys.

The guest accommodations on Hom can house up to 12 guests in five suites, including a master suite on the main deck, one VIP cabin, one double cabin, and two twin cabins. The full-beam master suite is extremely spacious and includes its own study, dressing room, his-and-her bathroom, and a bed configuration of 1 king, 3 doubles, and 2 singles. The yacht can also accommodate up to 10 crew members onboard to ensure a relaxed luxury yacht charter experience.

Onboard, guests will find plenty of ways to stay entertained, including a gym with the latest equipment, and a deck jacuzzi for relaxation. Hom is also equipped with satellite communications, Wi-Fi connectivity, air conditioning, and advanced stabilisation systems that reduce the side-to-side roll of the yacht for enhanced comfort levels at anchor or when underway.

Hom is built with a GRP hull and superstructure, powered by twin Caterpillar engines that enable it to cruise at 12 knots, reach a maximum speed of 15 knots, and achieve a range of up to 4,000 nautical miles at cruising speed from its 63,000-liter fuel tanks. The yacht features a range of toys and accessories, including two Yamaha VXS 2011 WaveRunners, towable toys, waterskis, a Kite Surfer, scuba diving equipment, a seabob, wakeboards, wakesurf boards, and three tenders, including a 15.2m/49'10" Maori Tender.

Hom is based in the Caribbean all year round, ready for the next luxury yacht charter. With its luxurious interiors, extensive onboard facilities, and professional crew, Hom promises to offer nothing short of a spectacular luxury yacht vacation.
