DESCRIPTION

The Octopus is a luxury expedition yacht that was built by the German shipyard Lurssen in 2003. It is available for charter and can accommodate up to 12 guests in 13 suites. The yacht is designed for adventure and exploration, and it is equipped with features such as a dancefloor, helipad, movie theatre, spa, elevator, underwater lights, beach club, and gym. The crew of 42 is specialized in creating exceptional charters and is available to provide guests with an unforgettable vacation experience.

The yacht is also equipped with many features for comfort and entertainment, including a dedicated movie theatre, a luxury spa, a gym, and a deck jacuzzi. There is also an elevator and a helipad, and the yacht is equipped with satellite communication systems to keep guests connected with the outside world. The Octopus is powered by 8 x MTU engines, which allow it to cruise at a comfortable speed of 17 knots and reach a maximum speed of 19 knots. The yacht has a range of up to 12,500 nautical miles, making it suitable for long journeys.

The Octopus also has a large selection of toys and accessories to keep guests entertained on the water, including jet skis, WaveRunners, towable toys, waterskis, kite surfers, kayaks, windsurfers, fishing equipment, and more. The yacht also has an internal dock that can accommodate a 20m submarine and a tender.

The Octopus is available for charter upon request during the winter season and is already accepting bookings for cruising in the Mediterranean during the summer season. With its world-class amenities and overflowing toy box, the Octopus is a one-of-a-kind luxury yacht that offers an unforgettable vacation experience.
