Interior design: RWD

DESCRIPTION

Lady Britt is a custom-built motor yacht that was launched in 2011 by the renowned Dutch shipyard, Feadship. With a length of 206.69ft/63m and an exterior design by De Voogt, Lady Britt boasts a timeless and sophisticated appearance. The interior was designed by Redman Whiteley Dixon, and the yacht can accommodate up to 12 guests in seven cabins, including a master suite, four double cabins, and two twin cabins. Lady Britt is also capable of carrying up to 16 crew members, ensuring a relaxed and luxurious yachting experience.

Onboard, Lady Britt offers an array of amenities that cater to guests' comfort and entertainment needs. The yacht features a sauna, gym, beach club, and deck Jacuzzi, among other amenities. An elevator is also available to provide easy access to different areas of the yacht, while satellite communications and Wi-Fi connectivity keep guests connected to the outside world.

Lady Britt is equipped with an ultra-modern stabilization system that reduces roll motion and ensures maximum comfort for guests. With a cruising speed of 13 knots, a maximum speed of 16 knots, and a range of 5,200 nautical miles, Lady Britt combines performance with luxury.

The yacht is also equipped with a variety of water toys, including two Laser Pico sailboats, jet skis, towable toys, waterskis, scuba diving equipment, wakeboards, and kayaks. Lady Britt features two tenders, with the 6.5m/21'4" Yachtwerft Meyer Limo Tender leading the pack to transport guests in style.

Lady Britt is available for charter, with bookings already open for the summer in the Mediterranean and for the winter in the Caribbean. However, the yacht is not available for charter in US waters.
