Lana, the multi-award winning motor yacht from Italian shipyard Benetti, offers flexible accommodation for up to 12 guests in 8 cabins and boasts interior styling by Italian designer Benetti. Built in 2020, Lana features voluminous interior and exterior spaces across several decks, making it perfect for indoor/outdoor living, sunbathing, lounging, or entertaining. Among its sensational features are a spa, elevator, beach club, gym, and impressive water toy collection.

Lana's interiors are a blend of pared-back minimalism and subtle luxuries, featuring blonde wood and a mixture of different shapes and structures that add an artistic touch to the spaces. Accommodation is impressive, with 12 charter guests able to stay in eight stunning suites, including a vast 110 square metre Owner's stateroom with sea terraces and his and hers walk-in dressing rooms.

Lana also offers excellent service, with 33 crew members on board to cater to guests' needs. Guests can enjoy a variety of experiences, such as playing the piano, relaxing in the sauna or spa, swimming in the pool, working out in the gym, and more. An elevator provides easy access to any part of the yacht, while satellite communications and Wi-Fi keep guests connected to the outside world if desired.

Powered by twin Rolls-Royce Marine engines, Lana can comfortably cruise at 16 knots and reach a maximum speed of 18 knots, with a range of up to 5,500 nautical miles from her 300,000 litre fuel tanks at 12 knots.
