DESCRIPTION

The SeaXplorer 77 explorer yacht ‘La Datcha’ offers an unparalleled luxury living experience combined with limitless expedition capabilities for those seeking to explore the world's most remote destinations. Damen launched the yacht in 2020, which features an ice-classed, IMO Polar Code compliant hull, along with submersibles, snowmobiles, sauna, steam bath, massage room, fully equipped gym, and several other cutting-edge facilities across her six decks. La Datcha offers elegant and graceful exteriors by Azure Naval Architects, a fully certified primary helideck on the main deck aft, and an interior designed by Vasiliy Shprints that includes full height windows, an observation lounge with 270-degree views, and beautiful cabins for up to 12 guests. The yacht also offers numerous tenders and toys, including two commercially certified and operated helicopters, two beachlander tenders, two expedition RIBs, two snow scooters, and a three-person submersible. La Datcha is also equipped with an ice fountain, a dive center, and a garbage management system, along with several other special features, making it an ideal choice for long-distance expeditions. With a range of wellness amenities, such as saunas, steam baths, massage rooms, two hot water Jacuzzis, and a fully equipped gym, La Datcha is the perfect yacht for those seeking relaxation opportunities while enjoying stunning surroundings. Other amenities onboard include a helipad and helicopter hangar, swimming platform, air conditioning, stabilizers underway and at anchor, Wi-Fi connection, and more. La Datcha has a steel hull and aluminum superstructure, and it's built to perform and provide comfortable accommodations for guests on a journey of a lifetime.
