Interior design: RWD

Utopia OCEAN*LUX*

DESCRIPTION

The 'Utopia' motor yacht, built by the Dutch shipyard Feadship, is available for charter and can accommodate up to 12 guests in 6 cabins. The yacht was designed by British designer RWD and boasts an abundance of space and luxurious amenities across her decks, including an elevator and gym.

The exterior of the yacht features six decks, including a duplex sun deck, an owner's deck, and a vast main deck that provides both indoor and outdoor entertaining space. A lower deck offers crew living quarters, while an under lower deck enables them to operate the yacht without access to guest areas.

The interior of the yacht is styled in a contemporary design with modern furniture set against light oak paneling and mahogany inlays. The lower deck features two large guest suites, with an additional four suites located on the main deck forward. The entire deck above is a 200 sq m owner's suite. Utopia is also child-friendly, making it an ideal choice for families.

Guest accommodation comprises a master suite, two double cabins, and three twin cabins. The yacht can carry up to 17 crew members to ensure a relaxed luxury yacht charter experience. Onboard, guests can enjoy a gym with the latest equipment to maintain their fitness routine, a deck jacuzzi to soak up the scenery, and an elevator that makes every part of the yacht easily accessible.

Utopia is built with a steel hull and aluminum superstructure, providing greater onboard space and stability when at anchor thanks to her full-displacement hull. Powered by twin Caterpillar engines, she can cruise comfortably at 14 knots and reaches a maximum speed of 15 knots with a range of up to 5,000 nautical miles from her 156,700-liter fuel tanks at 13 knots. At-anchor stabilizers provide exceptional comfort levels.

When not cruising, Utopia offers an incredible selection of water toys and accessories, including two Lazer sailboats, Jet Skis, WaveRunners, waterskis, wakeboards, kayaks, WindSurfers, and scuba diving equipment. The yacht also features three tenders, including an 8.5m/27'11" RIB.

The yacht is manned by 16 to 18 crew members and includes an impressive audio-visual entertainment system, a state-of-the-art integrated bridge, and a helicopter pad with refueling facilities. The
