Exterior design: Studio Vafiadis

Interior design: Studio Vafiadis

DESCRIPTION

The 84.73m/278' motor yacht, O'Ptasia, was built by Golden Yachts, a Greek shipyard, and is available for charter for up to 12 guests in 10 cabins. Designed by Studio Vafiadis, the yacht offers an abundance of space and a range of luxurious amenities across her decks.

Accommodation on the yacht is available for up to 12 guests in 10 suites, including a master suite, one VIP cabin, six double cabins, and two twin cabins. A crew of up to 26 members is available to provide outstanding service during the charter.

The yacht's state-of-the-art movie theatre and well-appointed spa provide guests with the perfect spots to unwind and relax. The gym and deck Jacuzzi are also available to guests for their use. The yacht also features a helipad, underwater lights, beach club, elevator, and satellite communication to ensure guests stay connected while on board.

O'Ptasia was built with a steel hull and an aluminium superstructure, offering greater on-board space and stability when at anchor thanks to her full-displacement hull. The yacht is powered by twin Caterpillar engines, which allow her to comfortably cruise at 16 knots and reach a maximum speed of 20 knots. The yacht has a range of up to 10,015 nautical miles from her 300,000 litre fuel tanks at 12 knots. At-anchor stabilizers provide exceptional comfort levels.

O'Ptasia is equipped with an extensive selection of action-packed water toys, including Jet Skis, towable toys, water skis, a seabob, wakeboards, kayaks, bikes, and inflatable water toys. The yacht also features four tenders, including a 9.75m/32' Onda Limo Tender.

The yacht and her crew are available for charter during the winter in the Caribbean and the Mediterranean, and bookings are already being accepted for the summer cruising season in the Mediterranean. With meticulous craftsmanship, high-end finishes, and an array of amenities and water toys, O'Ptasia promises truly unforgettable yacht charters for even the most discerning guests.
