Interior design: Bannenberg & Rowell

DESCRIPTION

The multi-award winning motor yacht '4 Roses' (ex. Sycara III) is an impressive vessel with a length of 56.4m/185'. It was built by Oceanfast in Australia at their Henderson shipyard and was completed in 2004. The interior of the yacht was beautifully styled by the renowned English design house Bannenberg & Rowell, while the exterior design is also the work of Bannenberg & Rowell.

In terms of guest accommodation, 4 Roses has been thoughtfully designed to comfortably host up to 14 guests. It features six suites, including a VIP cabin. Additionally, the yacht has the capacity to accommodate up to 14 crew members, ensuring a relaxed and luxurious experience for everyone on board.

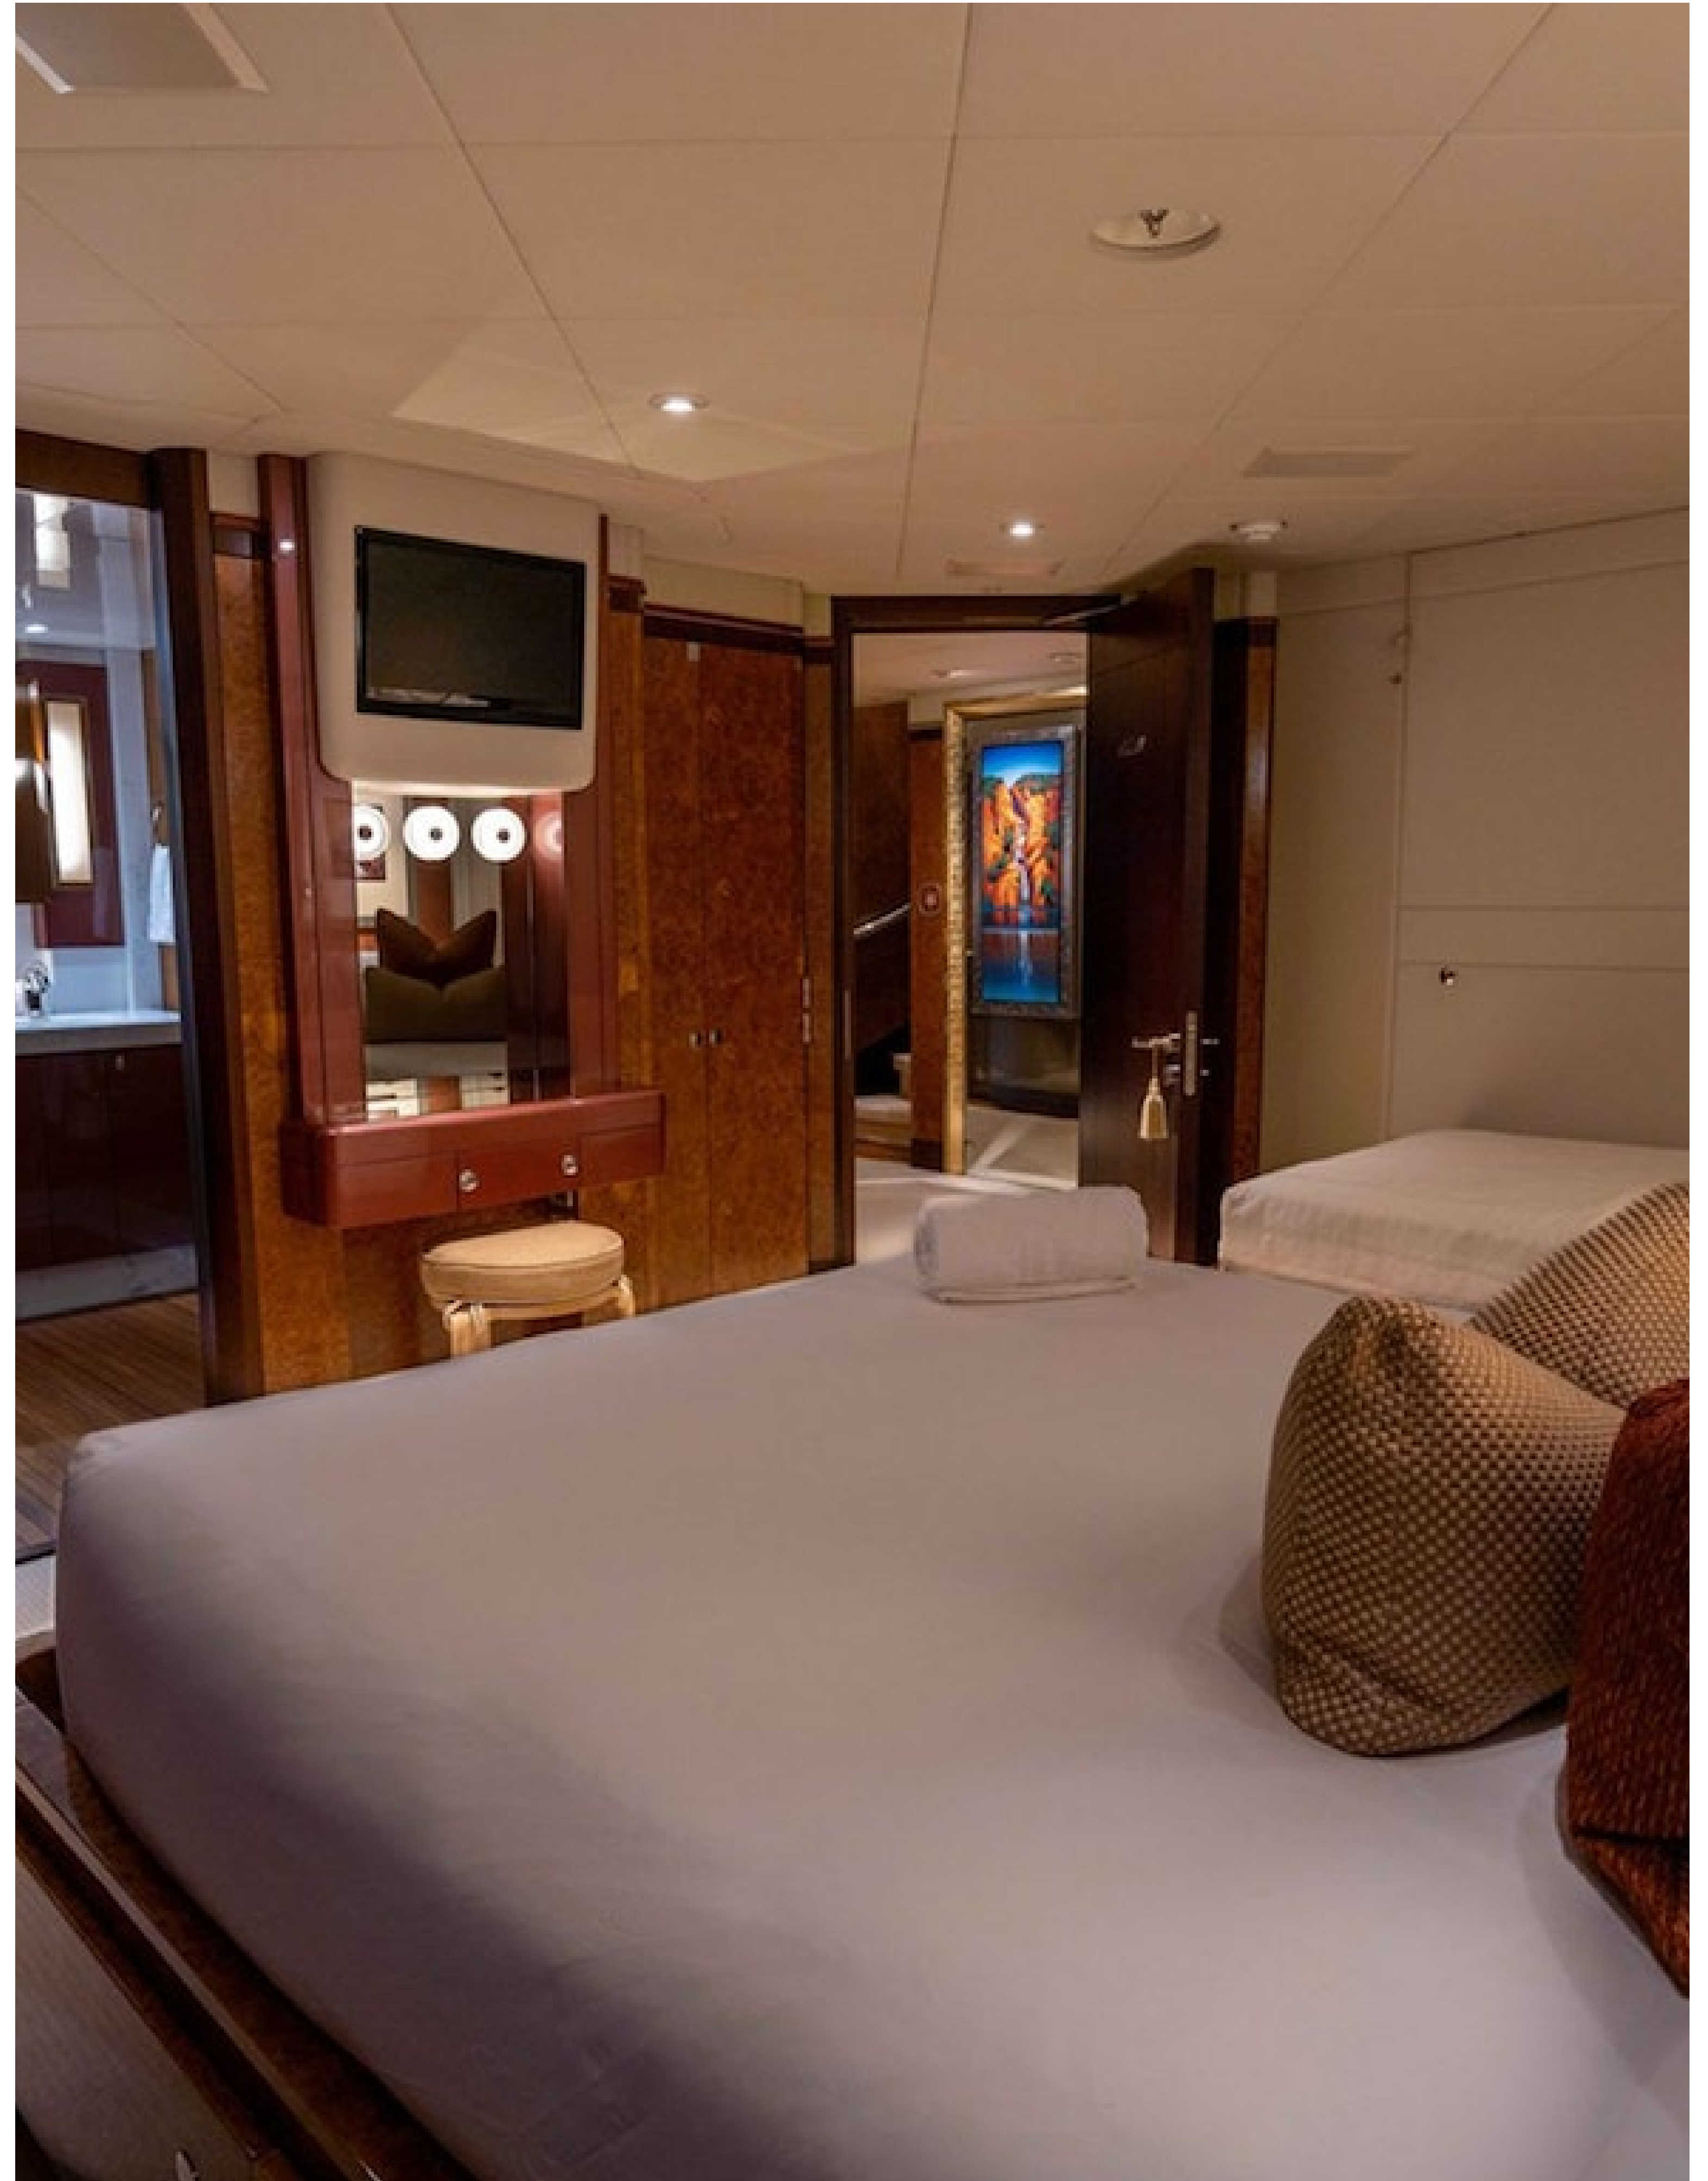

To enhance onboard comfort and entertainment, 4 Roses offers a range of amenities. These include a gym for guests to maintain their fitness routine and air conditioning to keep the interior spaces cool and pleasant.

When it comes to range and performance, 4 Roses boasts a steel hull and an aluminium/grp superstructure, complemented by teak decks. Powered by twin diesel Caterpillar (3512B) 1,750hp engines, the yacht can comfortably cruise at 12 knots and reach a maximum speed of 16 knots. With a fuel capacity of 128,700 litres, it has a remarkable range of up to 5,600 nautical miles at 10 knots. The inclusion of at-anchor stabilizers ensures exceptional comfort levels, and the yacht's water tanks can store approximately 28,000 litres of fresh water. Furthermore, it was built in accordance with the classification society rules of Lloyds Register.
