DESCRIPTION

The motor yacht Reve D'or, formerly known as Scorpion, was built by the Italian shipyard Sanlorenzo and offers flexible accommodation for up to 12 guests in six cabins. The interior styling was done by Studio Massari. This luxury yacht is perfect for families or friends looking to relax and enjoy the water on its array of water toys. With a movie theatre, spa, beach club, and gym, guests will have ample opportunities to unwind and enjoy themselves.

The guest accommodation is child-friendly and can accommodate up to 12 guests with a layout that includes a master suite, one VIP cabin, two double cabins, and two twin cabins. In total, there are eight beds, including four queens, four singles, and one pullman. The yacht is also capable of carrying up to nine crew members to ensure a relaxed luxury yacht charter experience.

Onboard, guests can enjoy a state-of-the-art movie theatre, spa, beach club, gym, and deck jacuzzi. The yacht also features Wi-Fi connectivity and air conditioning for complete comfort while chartering.

Built with a steel hull and aluminum superstructure, the full-displacement hull offers greater on-board space and stability when at anchor. Powered by twin Caterpillar engines, Reve D'or can comfortably cruise at 13 knots and reach a maximum speed of 17 knots. The yacht has a range of up to 2,700 nautical miles from its 56,000-liter fuel tanks at cruising speed. The advanced stabilization system on board reduces the side-to-side roll of the yacht, providing exceptional comfort levels at anchor or when underway.

Guests can enjoy a collection of water toys and accessories aboard Reve D'or, including a Yamaha VX Cruiser WaveRunner, water skis, a Cayago F7 SEABOB, wakeboards, canoes, bikes, inflatable water toys, and paddleboards. The yacht also features two tenders, including a 6m/19'8" Novorania Tender to transport guests in style.

Reve D'or is based in the Mediterranean all year round and is ready for your next luxury yacht charter. The captain and talented crew are dedicated to making sure that your yachting experience is like nothing else. Come and experience the magical places, food, and experiences of the Mediterranean this summer from the luxury of your own motor yacht, Reve D'or.
