DESCRIPTION

The Italian shipyard ISA built the stunning motor yacht 'Aziza', which measures 41m/134'6". It offers flexible accommodation options for up to eight guests in four cabins, featuring interior styling by ISA's Italian designer.

Aziza's decks are beautifully proportioned, making for exquisite indoor/outdoor living during a luxury yacht charter. Built in 2013, this yacht boasts exceptional features such as a beach club and gym.

Guests can enjoy accommodation in four suites comprising a master suite, two double cabins, and one twin cabin. Aziza can accommodate up to seven crew members, ensuring a relaxed luxury yacht charter experience. There are a total of eight beds available, including three king, two singles, and one convertible.

Onboard comfort and entertainment are top priorities on Aziza. You can relax on the edge of the water at the beach club or visit the well-equipped gym to keep up with your fitness routine while at sea. Guests can also retreat to the deck jacuzzi and soak up the scenery. Aziza offers impressive features such as satellite communications and onboard Wi-Fi to keep you connected at all times, as well as air conditioning to keep you comfortable in any weather.

With a steel hull and aluminum superstructure, Aziza offers greater onboard space and is more stable when at anchor thanks to its full-displacement hull. Powered by twin Caterpillar engines, the yacht comfortably cruises at 12 knots and reaches a maximum speed of 14 knots, with a range of up to 3,700 nautical miles from its 59,000-liter fuel tanks. An advanced stabilization system reduces the side-to-side roll of the yacht and promises exceptional comfort levels at anchor or when underway.

Guests can enjoy fun on the water with the collection of water toys and accessories aboard Aziza, which includes a dive compressor, diving equipment, and a wakeboard.

Aziza is the perfect platform for you and your guests to enjoy your next luxury yacht charter. Enquire for details on winter and upcoming summer cruising grounds and availability. With meticulous craftsmanship, high-end luxurious finishes, and state-of-the-art amenities, motor yacht Aziza promises truly unforgettable yacht charters for even the most discerning guests.
