Builder: Amels

Exterior design: Tim Heywood Design

Interior design: Laura Sessa Romboli

DESCRIPTION

The luxurious La Mirage motor yacht, built by the esteemed Dutch shipyard Amels, is now available for charter, promising an unforgettable experience on the open waters. This 52.3m/171'7" yacht boasts a stunning design, with a steel hull and aluminum superstructure, offering more on-board space and stability when at anchor due to its full-displacement hull. The yacht is powered by twin MTU engines, allowing it to comfortably cruise at 13 knots, with a maximum speed of 15 knots and an impressive range of up to 5,182 nautical miles from its 115,000-liter fuel tanks.

La Mirage can accommodate up to 12 guests in six well-appointed cabins, including a master suite, one VIP cabin, one double cabin, and three twin cabins, making it an ideal option for families. The yacht also has space for up to 13 crew members, ensuring a relaxed and comfortable luxury yacht charter experience for all on board.

Guests on La Mirage can enjoy the various entertainment options available, such as the gym featuring the latest equipment to maintain your fitness routine. Alternatively, guests can relax and soak up the sun in the deck jacuzzi. Additionally, the yacht is equipped with Wi-Fi connectivity, keeping guests connected at all times, should they wish. Air conditioning ensures a comfortable environment on board, no matter the weather.

La Mirage's advanced stabilization system further enhances the guests' comfort level, reducing the yacht's side-to-side roll and ensuring an exceptional experience at anchor or when underway.

Water sports enthusiasts will love the selection of toys and accessories available for use while on board. The yacht boasts two Sea-Doo WaveRunners for thrill and adventure, towable toys for entertainment, waterskis for beginners or pros, a seabob, wakeboards, and two tenders, including a 6m/19'8" RIB to transport guests in style.

La Mirage also features interior styling by Laura Sessa Romboli, creating a stylish and sophisticated ambiance throughout the yacht. With a multitude of decks suitable for relaxation and entertainment, guests will feel like they're living la dolce vita.
