DESCRIPTION

The motor yacht named "Irimari" was built by Sunrise Yachts, a Turkish shipyard. It measures 63.1m/207' in length and is available for charter. The yacht features interior styling by Focus Yacht Design and can accommodate up to 12 guests in 6 cabins.

Irimari, built in 2015, offers multiple decks that provide ample space for relaxation and entertainment, both indoors and outdoors. Guests can enjoy the luxury of living the "la dolce vita" lifestyle while cruising the open waters.

The yacht's guest accommodation includes 6 suites, consisting of a master suite, one VIP cabin, two double cabins, and two twin cabins. The spacious full beam master suite is equipped with a study and dressing room. In total, there are 8 beds onboard, including 1 king-sized bed, 3 queen-sized beds, and 4 single beds. Irimari can also accommodate up to 17 crew members, ensuring a relaxed and luxurious charter experience.

Irimari provides comfort and entertainment with various amenities, such as a well-equipped gym to maintain fitness routines and a deck jacuzzi to enjoy the scenery. The yacht offers features like Wi-Fi connectivity for staying connected at all times and air conditioning to ensure comfort in any weather conditions during the charter.

With a steel hull and aluminium superstructure, Irimari offers increased onboard space and stability when at anchor due to its full-displacement hull design. Powered by twin MTU engines, the yacht can comfortably cruise at 12 knots and reach a maximum speed of 16 knots. It has a range of up to 6,000 nautical miles at 10 knots, thanks to its 167,996-litre fuel tanks. The advanced stabilisation system onboard minimizes side-to-side roll, providing exceptional comfort for guests at anchor or while underway.

Irimari is equipped with a wide selection of water toys, allowing guests to enjoy the Mediterranean as their private playground. Among the toys available are a Freestyle waterslide for all ages, Jet Skis for water-based thrills, a Jobe Tornado towable toy for fun and adventure, waterskis, scuba diving equipment, a seabob, wakeboards, and kayaks.
