DESCRIPTION

The sail yacht 'Allure A' by shipyard Sterling Yachts is an impressive vessel, measuring 41m/134'6" in length. It offers flexible accommodation for up to 10 guests in 4 cabins and showcases interior styling by Puleo Inc. / International Yacht Design.

At sea, Allure A presents a majestic sight, effortlessly combining classic aesthetics with exceptional modern amenities. Guests can indulge in expansive sunbathing areas and enjoy alfresco dining opportunities while aboard the yacht.

For families, Allure A provides a child-friendly setup, making it an ideal choice. Built in 1994, the yacht features a layout that includes a master suite and three double cabins, accommodating a total of 10 guests. The sleeping arrangements consist of 6 beds, including 1 queen, 3 doubles, 1 single, and 1 pullman. Additionally, the yacht can accommodate up to 6 crew members, ensuring a relaxed luxury yacht charter experience.

Allure A offers onboard comfort and entertainment, seamlessly integrating impressive features to enhance the charter experience. Wi-Fi connectivity is available to keep guests connected at all times, if desired, and the yacht provides air conditioning for complete comfort while on charter.

With an aluminum hull and superstructure, Allure A offers ample onboard space and enhanced stability when at anchor, thanks to its full-displacement hull. Powered by twin Cummins engines, the yacht can comfortably cruise at 10 knots, reaching a maximum speed of 14 knots. It has a range of up to 1,900 nautical miles, facilitated by its 20,000-liter fuel tanks.

Fun on the water is guaranteed aboard Allure A, as the yacht offers a selection of water toys and accessories for guests to enjoy during their charter. Towable toys provide excitement and adventure, while waterskis cater to both beginners and seasoned pros. Wakeboards are available for guests who enjoy high-speed thrills. In addition, the yacht provides kayaks, fishing equipment, and snorkeling gear. Allure A is equipped with a 4.2m/13'9" Castoldi Jet Tender to facilitate transfers from the yacht to the shore.
