DESCRIPTION

The luxury charter market has a new addition in the form of the 28.43m/93'3" motor yacht 'JYC'. Custom-built by Italian shipyard Custom Line and designed by Antonio Citterio Patricia Viel, JYC boasts accommodation for up to 10 guests across 5 cabins, making it an excellent choice for a comfortable and relaxed yacht charter experience.

With its spacious living areas and top-notch amenities, JYC is the ideal yacht for outdoor living. Whether it's soaking up the sun on deck or enjoying water sports, guests are sure to have a spectacular vacation.

JYC has 5 guest suites, including a master suite, two double cabins, and two twin cabins. It can also accommodate up to 5 crew members on board.

Constructed with a GRP hull and superstructure, JYC has a semi-displacement hull that ensures exceptional seakeeping and impressive speeds. It is powered by twin MAN engines that allow it to cruise comfortably at 13 knots, reach a maximum speed of 14 knots, and cover a range of up to 1,000 nautical miles from its 14,500-litre fuel tanks at cruising speed.

JYC comes equipped with a range of water toys and accessories for guests to enjoy on their charter. Guests can take to the sea on the Jet Skis or waterskis, ride the two SEABOBs, or use the wakeboards and snorkelling equipment. There is also a Williams Jet Tenders Tender available for guests to travel from land to sea.

JYC is now available for winter charters upon request and is accepting bookings for summer cruising in the Mediterranean.

A week spent on motor yacht JYC promises to be an unforgettable experience for families seeking luxury, comfort, and adventure on the high seas.
