5.12 Outboard:	<input type="text"/>	<input type="text"/>

VESSEL STABILITY

Are you aware of any stability tests which have been undertaken:

On this vessel? Y N

On this vessel design? Y N

Comment:

VESSEL OPERATING LIMIT

Do you consider the vessel to be in a safe and seaworthy condition for use up to 200 nautical miles from New Zealand coastline? Y N

If not, what do you consider the limit should be?

This Report is not classed as a full condition survey and is purely for Underwriting purposes. We accept that all care has been taken but no responsibility is accepted for latent or other defects. Copyright exists and the detail and content are the exclusive property of Mariner Insurance.
