
MEETING AND CONFERENCE FACILITIES

Canberra Airport Business Parks

BRINDABELLA
BUSINESS PARK

MAJURA PARK

FAIRBAIRN

OVERVIEW

Located just eleven minutes from Civic, eighteen minutes from Woden and in close proximity to the airport terminal, Canberra Airport offers a diverse choice of meeting facilities located within the architecturally designed and landscaped surrounds of three precincts – Brindabella Business Park, Majura Park and Fairbairn.

Canberra Airport boasts modern facilities, and well-equipped meeting rooms providing functionality and flexibility.

On offer are seven meeting rooms and two theatres with spacious designs and natural lighting. All rooms feature integrated technology and offer a range of audio visual equipment.

The theatres incorporate assisted hearing loop; digital audio for speech reinforcement; data projectors; and motorised projection screens.

ACCOMODATION

Vibe Hotel at Canberra Airport has 191 spacious and comfortable rooms, and in the foyer, Helix Bar & Dining serves modern European-styled cuisine featuring local Australian produce.

CATERING

Canberra Airport engages preferred catering suppliers for the provision of catering within its meeting facilities. A list of our approved catering suppliers can be made available to you on request.

PARKING & TRANSPORT

Ample parking is available, and regular bus services operate from each precinct location.

● Alastair Swayn Theatre	—	—	—	—	145	—	\$150	\$1,150	\$2,200

“Our experience at the Alastair Swayn theatre was exceptional. It was a combination of the easy online booking system, the service on the day and the catering – we could not have asked for better service.”

Brindabella Business Park’s five meeting spaces are abundant in natural light, and feature modern tones. The rooms have capacities up to 36 guests, and they are ideal for smaller-sized conferences.

Our facilities provide features to ensure the privacy of your meetings, integrated technology, and all offer a range of audio-visual equipment.

The luxury theatre seats up to 145 guests, and is ideal for presentations and panel discussions. The theatre has the capacity to incorporate assisted hearing loop; digital audio systems for speech reinforcement; a data projector; and a motorised projection screen.

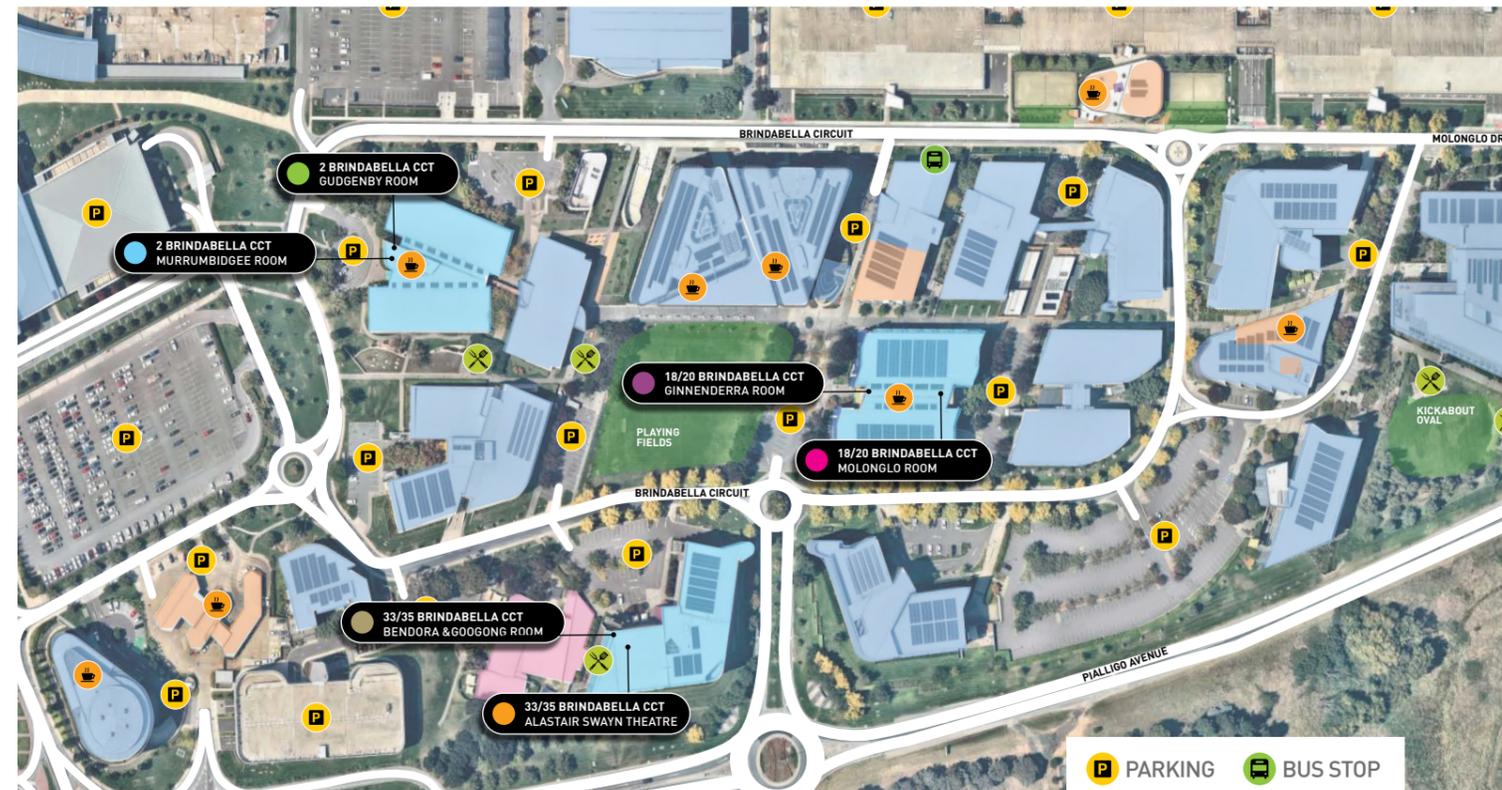

Brindabella Business Park is a first-class energetic working environment located adjacent to Canberra’s Airport Terminal.

The park is unique in its development, with the same core team of architects, engineers, builders, landscapers

and interior designers. All have contributed on each successive building project, and the result is demonstrated by consistency and continuity throughout the precinct.

Brindabella Business Park was designed with a high level of amenity, culture, architectural design and cutting-edge sustainability. The aim was to create a sense of community, to achieve the all-important balance between work, health and lifestyle.

We’ve achieved this and more across our A-grade commercial buildings.

“We have utilised the meeting facilities in Majura Park for many years – they’re the perfect fit for our needs, and the Canberra Airport team are always accommodating.”

Majura Park is located north-west of the airport, and is a true town centre with office buildings, a shopping centre, a swimming pool and medical centre.

Set in a campus-style environment, each office building is defined with a prominent entry, a magnificent five-story glass tower and completed with highly articulated sunshades that create a checkered effect.

We recognise the importance of sustainable developments and that’s why Majura Park houses one of Australia’s largest tri-generation plants, and integrates the most advanced water saving technologies.

This nationally award-winning development is the epitome of green built buildings.

Majura Park offers one meeting space and one theatre. The modern and naturally enhanced spaces are situated in the heart of the precinct and are perfect for small to medium-sized conferences, right up to a 97-guest capacity.

Additionally, the facilities ensure privacy of your meetings, featuring integrated technology with a range of audio-visual equipment.

The theatres incorporate assisted hearing loop, digital audio systems for speech reinforcement, data projectors and a motorised projection screen.

“We definitely recommend using the conference and meeting facilities. Bookings are flexible. They’re also super close to our office.”

Fairbairn is the second stage of Canberra Airport’s business hub encompassing a massive site of more than 90 hectares.

Formally a RAAF Base, Fairbairn has many charming historical buildings that are set amongst wonderful scenic landscapes.

The unique precinct is innovative in its design and also featuring many high-tech mixed-use commercial buildings set in an established urban landscape.

Fairbairn is currently home to a range of different commercial tenants who form a vibrant commercial precinct.

There is one meeting space available, ideal for medium-sized conferences with capacities of up to 40 guests and is well-suited to team building, group learning and training sessions.

Additionally, the facility provides features to ensure the privacy of your meetings, featuring integrated technology and offering a range of audio-visual equipment.
