Product Guide of the My Choice or My Select policy within your Scottish Friendly ISA

Its aims:

- To help your investments grow tax-efficiently and provide a tax-free return.
- To enable you to make use of your ISA allowance of up to £20,000 in any tax year.
- To provide potential growth on your investments over the medium to long term (5 years or more) through an investment fund or a choice of investment funds.

Your investment:

- You can invest as much as you want provided your total investments in any tax year (with your Scottish Friendly ISA and/or a Stocks & Shares ISA, Cash ISA, Innovative Finance ISA or Lifetime ISA with another ISA manager) do not exceed £20,000.
- You can invest monthly by Direct Debit or you can make a lump sum payment by single Direct Debit. The minimum monthly payment is £20 and the minimum lump sum is £100. If you're an existing customer with access to our My Plans app, you can also use debit card to top up your existing policies.
- You can stop, restart, increase or decrease contributions whenever you like.
- Your money will be invested in a My Choice or My Select policy, which will be held within your Scottish Friendly ISA. Your money will be invested in the fund or funds specified in your policy schedule and may change at your discretion over time. Full details of the funds available to you are included in this document.
- You have access to your money at all times, although you should expect to leave your money invested for at least 5 years.
- If you wish, you can arrange for your payments to automatically increase by 2.5%, 5% or 10% each year. You can stop, increase or reduce the rate of increase at any time.
- There is no limit on the number of policies you can take out within your Scottish Friendly ISA provided you do not exceed your annual ISA investment allowance of £20,000.

Risks:

- The actual cash-in value of your My Choice or My Select policy within a Scottish Friendly ISA will depend on the expenses and performance of the fund(s) selected.
- The value of your investment in the My Choice or My Select policy can go down as well as up and therefore you could get back less than you have invested.
- There will be risks associated with your specific fund(s) and therefore you should carefully consider each of these. You can find out more about the specific risks of each fund in this document on page 4 under 'Risk Levels'.
- You have the right to cancel your ISA within 30 days of taking it out. If you exercise this right, you will receive all of your investment back, regardless of any market movements during this period and your investment will not be treated as having been paid into an ISA. After 30 days, you will no longer have the right to cancel your ISA so you will have to cash it in and you will receive the market value of your investment, which may be more or less than the amount initially invested and your annual ISA subscription limit will be reduced by the amount you initially invested. If you take out any future new policies within your ISA, the same cancellation rights apply to each of them.
- The tax treatment of your policy depends on your individual circumstances and the levels and basis of taxation may change in the future. This may reduce the amount you get back or increase the amount of tax you pay.
- **My Select (ISA) only:** If you fully cash-in your policy, transfer out or make a withdrawal within the first 5 years, a £50 charge will be deducted from your policy.

Questions & answers

Who can apply?

You are eligible to apply if you are aged 18 or over and a UK resident.

Is this policy right for me?

The My Choice or My Select policy within your Scottish Friendly ISA is for investors wanting to invest monthly or in a lump sum with a minimum intended term of at least 5 years, in an arrangement that offers a choice of investment options which are explained on page 4 of this document.

If you are in any doubt as to the suitability of this plan for your financial needs, you should contact a financial adviser.

What is an ISA?

ISA stands for Individual Savings Account. It allows your savings or investments to grow tax-efficiently.

Scottish Friendly offers a Stocks and Shares ISA, which includes a choice of funds that may invest in bonds, cash, and stock market assets. You can find full details of the available funds on page 4 of the Product Guide.

The annual ISA allowance for the 2025/26 tax year is £20,000, which can be split across different types of ISAs (e.g. Stocks & Shares, Cash, Innovative Finance, and Lifetime ISAs). Up to £4,000 of the annual ISA allowance can be allocated to a Lifetime ISA.

Scottish Friendly offers investment into a Stocks and Shares ISA and does not offer a Cash ISA, Lifetime ISA, or Innovative Finance ISA.

Can I have more than one ISA?

Yes. As of April 2024, you can subscribe to multiple ISAs (e.g. more than one Stocks & Shares ISA) within the same tax year, provided your total subscriptions do not exceed the £20,000 annual limit.

Can I have more than one ISA with Scottish Friendly?

No. However you are allowed to split your investment with Scottish Friendly into a number of different policies and an example of this is given in the next question.

How can I split my ISA with Scottish Friendly into separate policies?

Whilst you can only have one Scottish Friendly ISA, there are no restrictions on the number of policies you can hold within it.

So rather than lumping all of your ISA money into one pot, you can split it into different policies giving you more control of your investment.

By splitting your investment into different pots (policies), you can tag each one for different saving and investment objectives. For example, you may set up one for each of your children, another for a rainy day and yet another for a car.

There is no limit on the number of policies you can have within your ISA with Scottish Friendly provided your total investment does not exceed the £20,000 annual ISA investment limit. This includes any amount you may have subscribed to another Stocks & Shares ISA, Cash ISA, Innovative Finance ISA or Lifetime ISA.

How do I set up a My Choice or My Select policy within my Scottish Friendly ISA?

You choose how much to invest monthly (from £20) or as a lump sum (from £100). You can also opt to automatically increase your monthly payments by 2.5%, 5%, or 10% after each 12 month investment period. This can be changed or stopped at any time (up to a max of 10% per year).

If you don't already have a Scottish Friendly ISA, your ISA and policy will be created when your documentation is issued and your first payment is collected.

If you already have a Scottish Friendly ISA, the new policy will be added to your existing ISA.

Your payments will be invested in the fund(s) you select, and your policy will be held within your ISA. Fund details will be included in your personalised illustration which will be issued with your policy document.

How can I pay?

You can make regular monthly payments from £20 or single lump sum payments from £100.

Once you've set up a My Choice or My Select policy within a Scottish Friendly ISA, you can manage your contributions including changing, stopping, decreasing, or topping up online at www.scottishfriendly.co.uk/my-plans, via our mobile app My Plans, or by writing to us to request a change.

Alternatively you can contact us on 0330 323 5433 (UK) or 3531 800 816 736 (Eire) or you can use our 'Contact Us' form which can be found at: www.scottishfriendly.co.uk/contact-us/contactus-form.

What happens if I die?

The death benefit under your My Choice or My Select policy within a Scottish Friendly ISA will be paid to your estate. The amount payable on death is 101% of the value of units held within all the policies, within your ISA at the date of death. The tax advantages of a Scottish Friendly ISA can be transferred to your Spouse or Civil Partner. This allowance is the value of your Scottish Friendly ISA at the date of your death, and is in addition to your Spouse or Civil Partner's own ISA allowance.

Scottish Friendly My Choice or My Select (ISA) Charges

Understanding your investment charges:

When investing, it's important to know exactly what you're paying for. With the Scottish Friendly My Choice or My Select (ISA), we aim to keep charges transparent and fair, so you can feel confident about where your money is going. Whether you're just starting out or growing your investment over time, our tiered Annual Management Charge (AMC) for Unit Linked Funds means the more you invest the lower your percentage charge becomes. You can explore detailed fund-specific charges in our Key Information Documents.

What is an Annual Management Charge (AMC)?

- An annual fee for managing your investment, taken as a percentage of your fund value each month.
- Your Annual Management Charge (AMC) will vary depending on the fund(s) you choose, typically charges range from 0.5% to 1.5%.
- As your fund value grows, your overall percentage charge will decrease, giving you lower fees the more you invest.

How do we deduct charges for Unit Linked Fund Investments?

If your ISA invests in one or more of our Unit Linked Funds, your charges will be based on the combined value of your investments in Unit Linked Funds in your ISAs with us.

Here's an example of what you can expect:

Tier	Total Unit Linked Funds Value	Annual Management Charge (AMC)	Example of how the tiered structure works for a customer with £40,000 invested in Unit Linked Funds in one of our ISA products		
			Fund Value	AMC	Annual Charge Deducted
1	£0 - £5,000	1.5%	£5,000	1.5%	£75
2	£5,001 - £20,000	1.0%	£15,000	1.0%	£150
3	£20,001 and over	0.5%	£20,000	0.5%	£100

In this example the total Annual Management Charge (AMC) deducted is £325 based on a total fund value of £40,000. This charge is annual, however debited on a monthly basis. In this example the monthly charge would be £27.08, assuming a fund value of £40,000.

This tiered approach means you'll pay 1.5% on the first £5,000, 1% on amounts between £5,001 and £20,000, and 0.5% on any amount over £20,000. As your fund value grows, your overall percentage charge will decrease, giving you lower fees the more you invest.

How do we deduct charges for Unitised With-Profits Fund Investments?

Investments in the Unitised With-Profits Fund will be excluded when determining the total fund value that we use to calculate your charges for your ISAs.

Over 2025 & 2026, we're reducing the annual charge on our Unitised With-Profits Fund in ISAs by 0.25%. This means the overall charge will be 1.25% for the year, instead of the usual 1.50%. This reduction will be reflected in the bonus rates we declare and applies automatically from January 2025.

In addition to the 1.25% Annual Management Charge, there is currently a charge of 0.25% applied to the fund to cover the costs of providing the guarantees. Further details of these guarantees and charges can be found within the Principles and Practices of Financial Management for the fund via www.scottishfriendly.co.uk/help-support/investment-information

Cancellation rights

When you set up a Scottish Friendly ISA within which your My Choice or My Select policy will be held, you'll receive notice of your right to change your mind and how to cancel within your Welcome Pack. You'll then have 30 days to cancel your investment and we'll provide instructions letting you know how to do this. You have the right to cancel your ISA within 30 days of taking it out. If you exercise this right, you will receive all of your investment back, regardless of any market movements during this period and your investment will not be treated as having been paid into an ISA.

After 30 days, you will no longer have the right to cancel your ISA so you will have to cash it in and you will receive the market value of your investment, which may be more or less than the amount initially invested and your annual ISA subscription limit will be reduced by the amount you initially invested.

If you take out any future new policies within your ISA, the same cancellation rights apply to each of them.

Withdrawals

You may make a withdrawal by providing our Customer Services Department with signed confirmation of your instructions. Alternatively, you can make a withdrawal online by registering for our online service at www.scottishfriendly.co.uk/my-plans, or via our app My Plans. You can also contact us on 0330 323 5433 (UK) 3531 800 816 736 (Eire) or you can use our 'Contact Us' form which can be found at: www.scottishfriendly.co.uk/contact-us/contact-us-form.

Withdrawals will be met by cancelling units in your fund(s) according to your instructions. If you do not specify which fund(s) the withdrawal should come from then we will make a withdrawal by cancelling units in proportion to the value of each fund within your policy.

My Select (ISA) only: The minimum withdrawal is £50 and the value of your policy after a withdrawal must be at least £50. If the value remaining after a withdrawal is less than £50 then you will be considered to have closed your My Select policy and the remaining value, less any deductions, will be paid out to you. If you close your policy and withdraw the full value within the first five years, there will be a £50 deduction from your cash-in value.

Payments will be made within four working days of your units being sold.

Please note, withdrawals can only be made 10 days after the date of your last Direct Debit payment.

Fund switching

You can make changes to the investments held in your My Choice or My Select policy by registering for our online service at www.scottishfriendly.co.uk/my-plans, or via our app My Plans, or in writing to Scottish Friendly.

You can make up to 60 fund switches per calendar year free of charge. If you make more than 60 switches, a fee of £25 will apply to each additional switch. All switch instructions received by 12 noon each day will be processed at the next valuation point, which is normally the same day.

Transfer in

If you hold one or more ISAs with other ISA Manager(s), you can transfer them to Scottish Friendly either online via www.scottishfriendly.co.uk/my-plans via our app My Plans, or by requesting an ISA Transfer Application Form.

Transfers are made in cash only and will be invested into a new policy within your Scottish Friendly ISA. Please note that we do not accept transfers from flexible ISAs.

If you're transferring a Child Trust Fund, it will be invested in a My Choice policy within your Scottish Friendly ISA.

Once you've completed the transfer, whether online or by returning the form, we'll send you the details of your new policy.

Transfer out

At your written request, we will transfer your investment to another ISA Manager without the loss of tax relief in line with current ISA rules. Transfer payments will be met by selling units in the fund at the next valuation point following receipt of completed written instructions from your new ISA Manager.

We will pay the proceeds to the new ISA Manager within four working days. If you wish to retain the tax free benefits of your ISA (as opposed to simply withdrawing money), your investment in your My Choice or My Select policy can be transferred to another ISA Manager's Investment ISA, Innovative Finance ISA, Lifetime ISA, or Cash ISA.

My Select (ISA) only: You should note that if you transfer out within the first five years, there will be a £50 deduction from your policy value.

Taxation

All income and capital gains generated by the funds within your Scottish Friendly ISA are free of UK income tax and capital gains tax. Income allocations will be in the form of interest or dividend distributions. Interest distributions are received net of a 10% Income Tax credit.

The funds in which you invest will receive UK dividend income after the deduction of UK corporation tax.

You will also be reminded of your right to transfer or end your policy before the change is implemented.

3. Application to open an Account

A. An application to open an Account must be made in writing or through our website or app on an Application Form. Subject to the Regulations, your Account will be managed in accordance with your directions set out in your Application Form and any subsequent instructions provided by you.

B. These Terms will come into force when the Policy document is issued and your first payment is successfully collected. On acceptance, each new Account will be designated by us as a Stocks and Shares ISA. We reserve the right to reject any application.

C. All payments into your ISA must be from your own funds, and we reserve the right to satisfy ourselves of this.

D. You may invest one or more lump sums in your Account during the Year. In addition, or alternatively, when provided in the Application Form you may make regular contributions by Direct Debit. You must submit with your Application Form a Direct Debit Instruction to a bank or building society in your own name. Please note, you can also make payment via Debit Card to make additional top up payments to your existing ISA policies.

E. You will be sent an acknowledgement when you make a lump sum contribution or set up a monthly payment plan. This will be sent to you on the day following your application being accepted by us.

F. Unless part of a transfer application, your application covers the current Year and each subsequent Year until we receive no subscription for one full Year.

4. Minimum Subscription

A. Lump sums

The minimum initial investment is as specified in the Application Form. Additional lump sum contributions are subject to the minimum specified in the Application Form. You may direct additional lump sums to be paid into a separate Policy as part of your Account Investments at the point of payment along with your investment instructions.

B. Monthly payment plans

The minimum monthly contribution is as specified in the Application Form.

C. Monthly Direct Debits will normally be collected on the date you specify each month and invested by us on the next dealing day for contributions under investment plans. D. You may direct additional regular contributions to be paid into a separate Policy as part of your Account Investments at the point of setting up an additional regular contribution with your investment instructions.

E. There is no limit to the number of policies you may hold in your Account provided your overall contributions remain within the ISA annual allowance for the Year in which you are paying and provided your contributions meet the minimum requirements of each individual Policy.

F. We reserve the right to reduce or waive the minimum subscription.

Direct Debit Guarantee

This Guarantee is offered by all banks and building societies that accept instructions to pay Direct Debits. If you receive a refund you are not entitled to, you must pay it back when Scottish Friendly asks you to.

You can cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please also notify us.

5. Maximum Subscription

The maximum you can invest in a Stocks and Shares ISA in any Year is £20,000 minus anything you have paid into a Cash ISA, Innovative Finance ISA or Lifetime ISA in that Year.

6. Cancellation

Once your cancellation period has ended, you do NOT have the right to cancel your Account once it has been set up or when you take out any future Policies that are held within it. You should note that whilst some of the Account Investments give the right to cancel, exercising this right will cause the market value of your investment to be returned to you, which could be more or less than you invested, and this will be treated as a full withdrawal from your Account.

7. Investment Objective

The investment objective of your Account will correspond to the qualifying investments specified in your Application Form (either online or on paper) and noted in your personalised illustration which is issued to you on completion of your application.

8. Account Investments

- A. Your Account includes your Account Investments and any cash balances, all income and other rights, and the benefit of any tax relief in respect of such investments.
- B. Your cash contributions and any other cash held under your Account will be deposited, pending investment.
- C. We will automatically reinvest all income in respect of Account Investments net of any tax liability.

9. Title

- A. The Account Investments will be beneficially owned by you at all times, including any policies held within your Account. Note that the assets within any policies will be beneficially owned by the issuing life company.
- B. We will not lend Account Investments or the title documents to a third party and will not borrow against the security of Account Investments or such documents.

10. Taxation

We will make all necessary claims for tax relief relating to your Account. The fund in which you invest will receive UK dividend income (if any) net of corporation tax.

11. Statements

We will send you a statement twice a year showing the value of your ISA and details of all transactions in your Account since the previous statement. The statements will not include a measure of performance. We may produce a consolidated statement if you have more than one Account.

12. Withdrawals

- A. You may withdraw some or all of your money by writing to us or by making a withdrawal online at www.scottishfriendly.co.uk/my-plans or via our app My Plans.
- B. Withdrawals will be met by selling Account Investments at the next valuation point following receipt of your instructions. Unless you give us instructions with your withdrawal request, we will have discretion to choose which Account Investments to sell.
- C. The amount to be withdrawn will be paid to you within four business days following receipt of cleared funds resulting from the sales of Account Investments.
- D. We may deduct from the withdrawal amount any sums due to it.
- E. Where you make a withdrawal in any Year, your annual allowance will not be affected. This means if you reinvest a withdrawal in the same Year, it will count as a new Subscription in the Year.
- F. Withdrawals can only be made 10 days after the date of your last Direct Debit payment.
- G. My Select (ISA) only: Unless otherwise permitted by us from time to time, the minimum withdrawal is £50, and the Account Investments remaining after a withdrawal must have a minimum value of £50 (failing which we may treat your request as an instruction to terminate your Account).

13. Charges

- A. Management fees and charges for the Scottish Friendly ISA are deducted from your investments according to the terms set out in the Product Guide.
- B. We reserve the right to discount or waive any charges.
- C. We may increase charges but only after giving you three months' written notice including an explanation of why the charges have been increased and the potential impact on your investment. You will also be reminded of your right to transfer or end your policy before the charge is applied.
- D. We shall be entitled to deduct and retain all charges payable under these Terms and may apply any cash or sell any Account Investments to pay such charges or to pay any tax liabilities under your Account.
- E. My Select (ISA) only: If you fully cash-in your policy, transfer out or make a withdrawal within the first 5 years, a £50 charge will be deducted from your policy.

14. Termination

- A. You may terminate your Account by writing to us or online at www.scottishfriendly.co.uk/my-plans which will be effective on receipt but will not affect transactions already initiated.
- B. We may terminate your Account if you breach a material obligation under these Terms and Conditions, or you fail to take reasonable action within a reasonable time to remedy that breach, by giving you one month's notice in writing. If it becomes impractical or impossible to comply with the Regulations, we may terminate your Account immediately, in which case you will be notified in writing.
- C. When an Account is terminated, we will sell the Account Investments and pay you the proceeds together with any cash balance held in the Account (or on your written request will transfer the proceeds to another ISA manager). Interest will not be paid on any cash balance if you have given notice of termination since the last monthly interest payment date. We may deduct any charges or other amounts due, any tax liabilities under the Account, and any additional expenses incurred in terminating the Account.
- D. Your Account ceases to be exempt from tax on your death and will terminate. On notification of death, we will sell the Account Investments and hold the proceeds on deposit in sterling (earning interest). We may make deductions as provided in paragraph c) above. Upon receipt of the grant of probate or appropriate legal confirmation and a copy of the death certificate, we will transfer the cash balance of your Account to your personal representatives. These Terms are binding on your personal representatives. We may at our discretion accept or reject instructions received from your personal representatives.
- E. On death the value of your ISA may transfer as an additional ISA subscription to your Spouse or Civil Partner. This additional ISA subscription can be used within 3 years of the date of your death or, if later, 180 days after the end of completion of the administration of your estate. It can be invested with Scottish Friendly or directly with another ISA provider. Should your Spouse or Civil Partner wish to subscribe to a Scottish Friendly ISA in using this one off subscription it must be made in cash or cash transfer and they should contact Scottish Friendly at the address provided.

15. Void Accounts

Your Account will be managed in accordance with the Regulations, which take precedence over these Terms. We will notify you if, as a result of any failure to comply with the Regulations, your Account is or becomes void. When an Account is void, we will sell the Account Investments and pay you the proceeds together with any cash balance held in the Account. We may deduct any charges or other amounts due to us, any tax liabilities under the Account, and any additional expenses incurred in terminating the Account.

16. Transfer to New ISA Manager

- A. You may instruct us to transfer to another approved account manager, within such time as shall be agreed, either (i) the whole of your Account, or (ii) part of your Account ('a partial transfer'), subject to and in accordance with the Regulations. Only cash may be transferred, and we will convert Account Investments into cash after receiving your instructions. We may deduct from the transfer any sums due to it.
- B. In the case of a partial transfer, the Account Investments remaining after the transfer must, unless otherwise permitted by the Manager, have a minimum value of £300 (failing which we may treat your instruction as an instruction to transfer the whole Account).

17. Information for the Account Manager

You must provide us with all information which we reasonably request for the purposes of the Account and, in particular, you must immediately inform us in writing of any change of tax status or other material change in circumstance.

Such notices will be considered to have been received by you immediately after your email notification has been sent.
- C. We are entitled to treat as valid instructions given by you or on your behalf even if that is not the case because of the wrongdoing of another person, unless that other person is an employee or agent of the Account Manager.

19. Liability

- A. You reimburse us against all liabilities incurred by us in connection with your Account, other than liabilities caused as a direct result of our negligence, knowing default, or breach of the rules of the FCA or of these Terms.
- B. We are liable for our negligence, knowing default, and for any breach of the rules of the FCA or of these Terms. We are not liable for any loss caused through a fall in value of Account Investments.

- C. We accept no responsibility for your Account until cleared funds are received, nor for any loss or delay caused in the payment of funds to us.
- D. For the purposes of this paragraph 19, references to you include your personal representatives, and references to the Account Manager includes its nominees.

Policy Schedule – Documentation issued by the Society detailing the individual characteristics of the Policy.

Regular Bonus – an additional value which may be paid by increasing the Unit Price of Units held in the Policy at the discretion of Scottish Friendly Assurance Society Limited.

L.1 The Policy

- A. The Policy is a recurrent single premium unitised whole of life assurance contract issued by Scottish Friendly Assurance Society Limited ("The Society") on your life alone and is subject to these Policy Conditions.
- B. Whilst the Policy remains in force and subject to such conditions as the Society may from time to time determine, additional premiums of not less than such minimum amount as the Society shall from time to time determine may be paid by the Policyholder.
- C. The investment content of each additional premium will be specified by the Society and units will be allocated as in Condition L.5.
- D. This Policy may only be held as part of a qualifying investment for an ISA and the Policy shall cease if it ceases to be held within an ISA.
- E. The Policy, the rights conferred by the Policy or any share or interest in the Policy or rights respectively, other than the cash proceeds when the Policy is cashed in or through a withdrawal cannot be transferred to you.
- F. The Policy, the rights conferred by the Policy and any share or interest in the Policy or rights respectively, are not capable of assignment or assignation.
- G. The Policy may be cancelled by the Policyholder within 30 days of the issue of the Policy Schedule. The full value of any investment in that period shall be refunded to the Policyholder through a withdrawal from their Scottish Friendly ISA.

L.2 ISA funds

- A. The Society will maintain a range of funds for the purpose of determining the benefits payable under this and certain other Policies.
- B. Each fund will be divided into Units. Within each individual fund, Units of any particular type will be of equal value, although the value of Units of each fund may vary.
- C. The benefit under this Policy will be specified in terms of Units, which will be allocated to the Policy as described in the Policy Schedule. Such allocation will be made purely for the purposes of calculating the benefit and does not affect the ownership of the assets of the fund, which remain the absolute property of the Society.
- D. The investment of the funds will be at the discretion of the Society, which may reinsure the fund in whole or in part and may at its discretion introduce alternative funds from time to time to which benefits may be linked.
- E. No Units will be created in the funds unless assets equivalent to such Units are added at the same time to the fund. No assets will be withdrawn from the funds except for the purpose of meeting the charges described in Condition 13 or for the purpose of reinvestment, unless at the same time Units equivalent to the assets withdrawn are cancelled.
- F. The income from the assets of each fund will be credited to that fund.

- G. For the purposes of the Policy, any investment within the Unitised With-Profits fund shall be eligible for Regular Bonus and Final Bonus additions as declared by the Society for this particular fund.
- H. The Policy is eligible only as regards Units of the Unitised With-Profits fund allocated to it, to participate in the profits of the Ordinary Branch of the Society in accordance with the Rules from time to time of the Society.
- I. The assets of the Unitised With-Profits fund shall not be separately identifiable from the remainder of the assets of the long-term business of the Society.
- J. The assets of any other fund shall be separately identifiable from the remainder of the assets of the long-term business of the Society.

L.3 Charges against the funds

The Society will be entitled to deduct from the funds at each valuation such amounts as shall be determined by the Society in respect of:

- A. expenses, taxes, duties and other charges incurred in acquiring, managing, valuing and disposing of assets;
- B. any tax due on the income from the assets of the fund and on capital gains in respect of the assets of the fund;
- C. interest on any money borrowed for the account of the fund;
- D. any expenses, taxes, duties and other charges incurred in connection with the fund and not previously taken into account;
- E. an appropriate part of any tax, levy or other charge on the Society.

L.4 Unit Prices of funds

- A. The Unit Price of the Unitised With-Profits fund is increased by way of Regular Bonus addition at such daily rate of interest (if any) as the Society shall determine in its absolute discretion and then rounded by not more than one tenth of a penny.
- B. The Unit Price of the Unitised With-Profits fund shall be the price at which the Society allocates Units to the ISA Policy and at which Units shall be cancelled by the Society.
- C. All other assets within funds (other than the Unitised With-Profits fund) will be valued at least once in each calendar month. Scottish Friendly will derive the maximum and minimum value of each fund from the corresponding values of the assets backing each fund reduced by all loans charged against the fund and with appropriate allowances for uninvested cash, accrued income and accrued or prospective charges. The maximum value of an asset of a fund will not exceed the market price at which it might be purchased and the minimum value will not be less than the market price at which it might be sold. The values of Stock Exchange securities will be based on quoted prices. The values of real or heritable property will be based on valuations prepared and certified by an independent valuer appointed by Scottish Friendly and adjusted to allow for variations in property prices since the last such valuation. The values of all other assets will be determined by Scottish Friendly.
- D. The Unit Price of a fund will be calculated by Scottish Friendly and will be no less than the minimum value, and no more than the maximum value, of the part of the fund attributable to that type of unit after deduction of management charges divided by the number of Units of that type in the fund, the result being rounded down by not more than 0.1p. The actual price may vary above this level.
- E. All rounding reductions to unit prices and any other reductions will accrue to the Society.
- F. Units of the funds may be consolidated or subdivided at any time at the discretion of the Society.
- G. Where Units of the funds are cancelled, the value of the Units so cancelled may be subject to increase by way of further bonus additions (i.e. Final Bonus in the case of the Unitised With-Profits fund) at the discretion of the Society of such amount as the Society shall determine.

L.5 Allocation and cancellation of Units

- A. The number of Units initially attributed to this Policy has been calculated by reference to the Unit Price calculated on the day the initial investment was deemed to have been received by the Society. The Units attributed to this Policy on payment of an additional premium shall be increased by the number of Units calculated by dividing the percentage of the investment allocated to Units (as determined by the Society) by the Unit Price calculated on the day the additional premium is deemed to have been received by the Society.
- B. In the event of the subdivision of all Units in a fund, there shall be allocated to the Policy a number of Units which shall represent as a proportion of the total Units in the fund following such subdivision the number of Units in the fund attributed to the Policy prior to such subdivision.
- C. Units shall be cancelled at the Unit Price calculated at the next valuation point following receipt of the appropriate form or verified electronic instruction at the Society's Head Office.

L.6 Market Value Reduction (MVR) (Unitised With-Profits fund only)

- A. If the Policyholder instructs the Society to cancel some or all of the Units of the Unitised With-Profits fund allocated to the Policy, the Society may make a deduction, known as the Market Value Reduction (MVR), from the value of the Units cancelled. The amount of any deduction to be made shall be determined by the Society with reference to the Society's overall bonus philosophy and in particular, taking account of the reasonable expectations of all its Policyholders.
- B. Where Units are cancelled to meet a death claim under Policy Conditions L.7 or where units are cancelled on the 10th anniversary of a continual investment in the With-Profits fund through a My Choice or My Select Policy or such My Choice or My Select Policies deemed connected by Scottish Friendly or the 5th anniversary of that date thereafter, then the Policyholder shall be entitled to a value at least equal to the value of the Units cancelled.

L.7 Death benefit

The death benefit under the policy shall be 101% of the value of the Units attributed to the Policy at the date of death subject to any special factor specified in the Policy Schedule or any authorised endorsement thereto. Units allocated to the Policy shall be cancelled at the next Unit Price calculated following receipt of written notification of death by the Society.

L.8 General

- A. By making the first Subscription and issue of the Policy, the Policyholder, as detailed in the Policy Schedule, becomes a member of the Society under Rule 2 of the Society.
- B. If at any time during the life of the Policy, as a result of legislation or otherwise, it becomes impracticable or impossible to give full effect to the Policy Conditions or if the basis of taxation applicable to the Society or the Policy is altered, the Society will make such alterations in the Policy Conditions as the Society deems appropriate in the circumstances. The Society will aim to give at least 3 months' notice to any change but reserves the right to give less notice if such changes are a result of immediate regulatory or legislative changes.
- C. If the Society is required by statute to pay any sum to any Government agency on behalf of the Policyholder, the Society will cancel Units equal in value to such amounts as may be required.
