IN THE MATTER OF THE REPRESENTATION OF

SCOTTISH FRIENDLY ASSURANCE SOCIETY LIMITED

First Representor

and

FAMILY ASSURANCE FRIENDLY SOCIETY LIMITED

Second Representor

AND IN THE MATTER OF AN APPLICATION PURSUANT TO ARTICLE 27 OF AND
SCHEDULE 2 TO THE INSURANCE BUSINESS (JERSEY) LAW 1996

REPRESENTATION

1. Purpose of the Representation

This Representation relates to the proposed scheme (the **Jersey Scheme**, a copy of which is annexed to this Representation) for the transfer of the whole of the long-term insurance business carried on in or from within Jersey (as defined in Article 1(1) of the Insurance Business (Jersey) Law 1996 (the **Insurance Law**) and referred to in this Representation as **Long-Term Insurance Business**), from Scottish Friendly Assurance Society Limited (the **Transferor**) to Family Assurance Friendly Society Limited (the **Transferee**). The Jersey Scheme is intended to transfer Long-Term Insurance Business from the Transferor to the Transferee (together the **Representors**) on the same terms as the terms of a proposed transfer of engagements (the **UK Transfer**) pursuant to Part VIII of the Friendly Societies Act 1992 (the **UK Act**). The terms of the UK Transfer are incorporated into the Jersey Scheme as Schedule 1 to the Jersey Scheme. There is also a similar transfer scheme proposed in Guernsey.

2. Interpretation

Words and expressions used in this Representation, which are defined in the Jersey Scheme or the UK instrument of transfer (which appears as a schedule to the Jersey Scheme, the **UK Instrument**), shall bear the same meanings herein (save where they are expressly defined herein) unless the context otherwise requires.

3. Introduction

- (a) The Transferor was registered in Scotland on 27 September 1862 and is an incorporated mutual friendly society with registered number 3COLS. The Transferor's registered office is at Galbraith House, 16 Blythswood Square, Glasgow, G2 4HJ. The Transferor was incorporated with the name City Of Glasgow Friendly Society, but changed its name on 5 October 1992 to Scottish Friendly Assurance Society and has been known as Scottish Friendly Assurance Society Limited since 1 January 1994.
- (b) The Transferee was registered in England and Wales on 14 May 1975 and is an incorporated mutual friendly society with registered number 939F. The Transferee's registered office is at 17 West Street, Brighton, BN1 2RL. The Transferee was incorporated with the name, Family Assurance Society, but changed its name on 1 July 1993 and has since been known as Family Assurance Friendly Society Limited.
- (c) The Representors are not part of the same corporate group.
- (d) Each of the Representors is authorised by the Prudential Regulation Authority (the **PRA**) and regulated by the Financial Conduct Authority (the **FCA**) and the PRA to carry on long-term insurance business from the UK. The Transferor holds a Category A permit to carry on Long-Term Insurance Business under the Insurance Law. The Transferee does not currently hold a Category A permit pursuant to the Insurance Law but it is intended that it will apply for such a permit before the application to sanction the Jersey Scheme is heard before the Royal Court of Jersey (the **Royal Court**).
- (e) The Representors have entered into an agreement to merge their businesses through a transfer of engagements under Part VIII of the UK Act. The transfer of the Transferring Engagements conducted by the Transferor will proceed pursuant to the UK Transfer, in accordance with Section 86 of the UK Act, subject to confirmation of the UK Transfer being granted by the PRA, in consultation with the FCA.
- (f) Under the UK Act and the rules of each society, the UK Transfer is subject to approval by the members of the Representors (with the Transferor's members represented by delegates who vote on behalf of the members) by way of special resolution and confirmed by the PRA, following consultation with the FCA.
- (g) The transfer of the Transferring Jersey Engagements is proposed pursuant to the terms of the Jersey Scheme in accordance with the provisions of Article 27 of and Schedule 2 to the Insurance Law, which requires the sanction of the Royal Court to

any scheme under which the whole or part of the insurance business of a permit holder is to be transferred to an insurance company or other permit holder.

- (h) The purpose of the UK Transfer, the Jersey Scheme and the equivalent scheme in Guernsey (together the **Schemes**) is to benefit current and future members and policyholders through the creation of a larger and more diversified mutual entity, including a greater ability to compete for new business with larger financial services firms, including mutuals and non-mutuals, enhanced investment capability and diversification, more efficient use of capital and improved risk diversification and improved operational efficiency and expense savings.
- (i) The UK Transfer has the effect that:
 - (i) if the transfer of any Transferring Jersey Policies pursuant to the Jersey Scheme is sanctioned by the Royal Court, with effect from the Jersey Effective Date, such policies shall be treated for all purposes of the UK Transfer as if they were Transferring Policies of the Transferor with effect from the Effective Date and, to the extent necessary to comply with the UK Act, shall also be transferred pursuant to the terms of the UK Transfer; and
 - (ii) if the Royal Court does not sanction the transfer of any Transferring Jersey Policies pursuant to the Jersey Scheme, despite having the jurisdiction to do so, or if the Jersey Scheme is sanctioned by the Royal Court but the UK Transfer does not become effective, then the Jersey Effective Date will not occur. The UK Transfer is of the entirety of the Transferor's engagements and business and so requires confirmation from the Royal Court that the Jersey Scheme has been approved in order that the UK Transfer may proceed.
- (j) Each of the Representors has agreed to appear by counsel at the hearing of this Representation to sanction the Jersey Scheme and undertake to be bound thereby and to execute all such documents and to do all such acts and things as may be necessary or expedient to be executed or done by it for the purposes of giving effect to the Jersey Scheme.

4. Independent Actuary's Report

Pursuant to paragraph 3 of Schedule 2 to the Insurance Law, an independent actuary, Nick Ford of Barnett Waddingham LLP, part of Howden Insurance Actuarial & Longevity, has prepared a report in relation to the UK Transfer and the Jersey Scheme (the **Independent Actuary's Report**), which confirms that his conclusions in relation to the UK Transfer apply equally to the Jersey Scheme.

5. Notices and Availability of Documents

- (a) In accordance with the requirements of paragraph 4(a) of Schedule 2 to the Insurance Law, a notice of the presentation of this Representation containing the prescribed information will be published in the Jersey Gazette.
- (b) In accordance with the requirements of paragraph 4(c) of Schedule 2 to the Insurance Law, a copy of this Representation, the Independent Actuary's Report and the Jersey Information Pack (as defined below) will be served on the Jersey Financial Services Commission (the **JFSC**) at least 21 days before the Representors seek an order sanctioning the Jersey Scheme.
- (c) In accordance with the requirements of paragraphs 4(d) and 5 of Schedule 2 to the Insurance Law, copies of this Representation and the Independent Actuary's Report will be made available:
 - (i) for inspection at the offices of Maurant Ozannes (Jersey) LLP, 22 Grenville Street, St Helier, Jersey for a period of not less than 21 days beginning with the date of the first publication of the notice referred to in paragraph (a) above; and
 - (ii) for collection at any time before the grant of an order sanctioning the Jersey Scheme.

6. Notification of Policyholders and Members

- (a) Paragraph 4(b) of Schedule 2 to the Insurance Law requires that, except where the Royal Court has otherwise directed, a statement setting out the terms of the Jersey Scheme and containing a summary of the Independent Actuary's Report sufficient to indicate the opinion of the actuary on the likely effects of the Jersey Scheme on the policyholders of the Representors be sent to:
 - (i) each of the policyholders of the Representors; and
 - (ii) every member of the Representors,(the **Paragraph 4(b) Requirement**).
- (b) The Paragraph 4(b) Requirement, in this case, means that the required statement should (except where the Royal Court has otherwise directed) comprise the following:
 - (i) a complete copy of the Jersey Scheme;
 - (ii) a complete copy of the UK Instrument which is incorporated in the Jersey Scheme; and

- (iii) a sufficient summary of the Independent Actuary's Report.
- (c) The Paragraph 4(b) Requirement, in this case, also means that such statement should (except where the Royal Court has otherwise directed) be sent to the following different classes of persons:
 - (i) every member of the Representors (the **Members**);
 - (ii) each of the policyholders of the Transferor, including persons who hold or have an interest in policies issued as part of the business conducted by the Transferor in or from within Jersey; and
 - (iii) each of the policyholders of the Transferee, including persons who hold or have an interest in policies issued as part of the business conducted by the Transferee in or from within Jersey.
- (d) Subject to the directions of the Royal Court, it is intended that the Transferor will use reasonable endeavours to send a notification (each a **Jersey Information Pack**) to the Notified Jersey Policyholders (as defined in paragraph 6(f) below).
- (e) Subject to the directions of the Royal Court, it is intended that the Jersey Information Pack will consist of:
 - (i) a covering letter explaining the Representors' intention to transfer business from the Transferor to the Transferee (or an email variant of this letter); and
 - (ii) a Channel Islands information booklet (the **CI Information Booklet**) describing the proposed transfer, containing:
 - (1) a summary of the key elements of the Jersey Scheme;
 - (2) a summary of the Independent Actuary's Report; and
 - (3) details of the Jersey court process.
- (f) Subject to the directions of the Royal Court, it is intended that the Transferor will use reasonable endeavours to send the Jersey Information Pack to the contact details on record for each policyholder of the Transferor who holds a Transferring Policy (as defined in the UK Instrument) and who has a current address in Jersey, according to and as extracted from the Transferor's electronic records on 22 September 2026 (in respect of with-profits policyholders) and 5 October 2026 (in respect of other policyholders) (each a **Notified Jersey Policyholder** and together the **Notified Jersey Policyholders**). The Notified Jersey Policyholders will include persons who hold policies issued as part of the business carried on in or from within Jersey by the Transferor but for the reasons explained in paragraph

21 of the First Affidavit of Stephen McGee, may not be all such policyholders.

- (g) Subject to confirmation by the PRA, in consultation with the FCA, it is also intended that the Transferor will use reasonable endeavours to send a notification (the **UK Transferor Delegate Information Pack**), to its member delegates as described in paragraph 28 of the First Affidavit of Stephen McGee. The UK Transferor Delegate Information Pack will, in each case, briefly refer to the Jersey Scheme and advise recipients that they can obtain more information in relation to the Jersey Scheme.
- (h) Subject to confirmation by the PRA, in consultation with the FCA, it is also intended that the Transferor will use reasonable endeavours to send a notification (the **UK Transferor Policyholder Information Pack**), to certain of its policyholders as agreed with the PRA, in consultation with the FCA, as described in paragraph 31 of the First Affidavit of Stephen McGee. The UK Transferor Policyholder Information Pack will, in most cases, briefly refer to the Jersey Scheme and advise recipients that they can obtain more information in relation to the Jersey Scheme.
- (i) Subject to confirmation by the PRA, in consultation with the FCA, it is also intended that the Transferee will use reasonable endeavours to send a notification (the **UK Transferee Information Pack**), to such of its members as are entitled to vote (**Voting Members**) as described in paragraphs 19 and 20 of the First Affidavit of Jamshaid Islam. The UK Transferee Information Pack will, in each case, briefly refer to the Jersey Scheme and advise recipients that they can obtain more information in relation to the Jersey Scheme.

7. Directions - Content of the Jersey Information Pack

The Representors accordingly apply for directions dispensing with the Paragraph 4(b) Requirement in relation to the content of the Jersey Information Pack on the grounds that:

- (a) sending a complete copy of the Jersey Scheme and the UK Instrument would not generally be helpful to policyholders because of the length and technical nature of those documents;
- (b) the content of the Jersey Information Pack is sufficient for these purposes because it contains a summary of the Jersey Scheme and a summary of the Independent Actuary's conclusions in relation to the Jersey Scheme;
- (c) copies of this Representation, including the Jersey Scheme and the UK Instrument incorporated therein, and the Independent Actuary's Report will be made available:

- (i) for inspection at the offices of Maurant Ozannes (Jersey) LLP, 22 Grenville Street, St Helier, Jersey for a period of not less than 21 days beginning with the date of the first publication of the notice referred to in paragraph 5(a) above;
- (ii) for collection at any time before the grant of an order sanctioning the Jersey Scheme;
- (d) the Representors will make available a complete copy of this Representation, the Independent Actuary's Report, the UK Instrument, and the Jersey Scheme, on the Transferor's website at www.scottishfriendly.co.uk/together and on the Transferee's website at www.onefamily.com/sgm; and
- (e) the Representors will send a complete copy of the Jersey Scheme, the UK Instrument and the Independent Actuary's Report to any member or policyholder who requests a copy.

8. Directions - Recipients of the Jersey Information Pack

The Representors also apply for directions dispensing with the Paragraph 4(b) Requirement in relation to the recipients of the Jersey Information Pack on the grounds that:

- (a) members and policyholders of the Transferee do not need to be sent a statement as required by paragraph 4(b) of Schedule 2 to the Insurance Law or the Jersey Information Pack, because the Transferee will use reasonable endeavours to send the UK Transferee Information Pack to its Voting Members;
- (b) the Transferor will use reasonable endeavours to send the Jersey Information Pack to the Notified Jersey Policyholders described in paragraph 6(f) above (which may not be all Transferring Jersey Policyholders as detailed at paragraph 21 of the First Affidavit of Stephen McGee, for example, policyholders who have moved away from Jersey and the "gone-aways");
- (c) members and policyholders of the Transferor with a current address outside Jersey, according to the electronic records of the Transferor, do not need to be sent a statement as required by paragraph 4(b) of Schedule 2 to the Insurance Law or the Jersey Information Pack, because the Transferor will use reasonable endeavours to send the UK Transferor Delegate Information Pack to those members and policyholders who are entitled to vote on whether to approve the UK Transfer (known as member delegates), and the Transferor will use reasonable endeavours to send the UK Transferor Policyholder Information Pack to other members and policyholders as detailed at paragraphs 29 and 31 of the First Affidavit of Stephen McGee;

- (d) other members and policyholders of the Representors may also become aware of the proposals pursuant to the UK Transfer and the Jersey Scheme because:
- (i) a notice containing the prescribed information in relation to the Jersey Scheme will be published in the Jersey Gazette as described in paragraph 5(a) above;
 - (ii) a notice in relation to the UK Transfer shall be published in the London Gazette, the Edinburgh Gazette, the Belfast Gazette, The Herald (Glasgow), Scottish Daily Mail, The Scotsman, Daily Mail, The Guardian, Metro (London), Western Daily Press, Manchester Evening News, Yorkshire Post and Irish Independent;
 - (iii) a copy of the Representation, the Independent Actuary's Report, the UK Instrument, the Jersey Scheme, and the CI Information Booklet (which contains a summary of the Jersey Scheme and a summary of the Independent Actuary's Report) will also be available on the Transferor's website at www.scottishfriendly.co.uk/together and the Transferee's website at www.onefamily.com/sgm; and
 - (iv) a copy of the Statement of Proposed Transfer of Engagements which forms part of the UK Transferor Delegate Information Pack (and includes a summary of the UK Instrument and a summary of the Independent Actuary's Report) will also be available on the Transferor's website, and the UK Transferee Information Pack (which includes a summary of the UK Instrument and a summary of the Independent Actuary's Report) will be available on the Transferee's website.

WHEREFORE THE REPRESENTORS PRAY THAT THIS HONOURABLE COURT DO MAKE THE FOLLOWING ORDERS:

- (a) THAT service of a statement as required by paragraph 4(b) of Schedule 2 to the Insurance Law upon each of the policyholders and on each member of each Representor be dispensed with;
- (b) THAT such other interim Order(s) be made as this Honourable Court shall deem appropriate;
- (c) THAT an Order be made pursuant to Schedule 2 of the Insurance Law sanctioning the Jersey Scheme;
- (d) THAT the Representors do within ten days from the date of such Order referred to in paragraph (c) above, or such longer period as the JFSC may allow, deposit two office copies of such Order with the JFSC; and

- (e) THAT such other Order(s) be made as this Honourable Court shall deem appropriate.

Dated this 28th day of September 2026.

2. Introduction

2.1 Scottish Friendly Assurance Society Limited (the **Transferor**) was registered as a friendly society on 27 September 1862 and is a UK authorised person in accordance with section 31 of FSMA.

2.2 Family Assurance Friendly Society Limited (the **Transferee**) was registered as a friendly society on 14 May 1975 and is a UK authorised person in accordance with section 31 of FSMA.

2.3 The Transferor carries on long term insurance business in the United Kingdom, in Guernsey and in or from within Jersey (amongst other places), holding a Category A permit to carry on long term insurance business, in or from within Jersey, under the Jersey Law.

2.4 The Transferee carries on long term insurance business in the UK. The Transferee does not currently hold a Category A permit to carry on long term insurance business under the Jersey Law, however it is intended that it will obtain such a permit prior to the hearing to sanction the Jersey Scheme.

2.5 It is proposed that, by Order of the Royal Court in accordance with Article 27 of, and Schedule 2 to, the Jersey Law, the Transferring Jersey Engagements shall be transferred to the Transferee on the Jersey Effective Date on the same terms as the terms of the UK Instrument governing the transfer of the Transferring Engagements to the Transferee and as if the Transferring Jersey Engagements were part of the Transferring Engagements as defined in the UK Instrument.

2.6 The UK Instrument has the effect that:

- (a) if the transfer of any Transferring Jersey Policies is sanctioned by the Royal Court pursuant to this Jersey Scheme with effect from the Jersey Effective Date, such policies shall be treated for all purposes of the UK Instrument as if they were Transferring Policies of the Transferor with effect from the Effective Date and, to the extent necessary to comply with the UK Act, shall also be transferred pursuant to the terms of the UK Instrument; and
- (b) if the Royal Court does not sanction the transfer of any Transferring Jersey Policies pursuant to this Jersey Scheme, despite having the jurisdiction to do so, or if this Jersey Scheme is sanctioned by the Royal Court but the UK Transfer does not become effective, then the Jersey Effective Date will not occur. The UK Transfer is of the entirety of the Transferor's engagements and business and so requires confirmation from the Royal Court that this Jersey Scheme has been approved in order that the UK Transfer may proceed.

2.7 Each of the Transferor and Transferee have agreed to appear by Counsel at the hearing of the Representation to sanction this Jersey Scheme and undertake to be bound thereby and to execute all such documents and to do all such acts and things as may be necessary or expedient to be executed or done by it for the purposes of giving effect to this Jersey Scheme.

- (b) in paragraph 31.3 of the incorporated terms of the UK Instrument the words "of Transfer" shall be deleted; and
- (c) references to numbered clauses and to parts are to the numbered clauses and parts of the UK Instrument.

3.3 In the definition of "Mis-selling Liabilities" which otherwise has the meaning given to it in the UK Instrument, the term "Regulatory Authority" shall mean "the Insurance Regulators, The Pensions Regulator, the Jersey Financial Services Commission, the Financial Ombudsman Service, the Channel Islands Financial Ombudsman, the Information Commissioner, the Bank of England and the Advertising Standards Authority (but, for the avoidance of doubt, not any Tax Authority)".

This Jersey Scheme shall become effective, and the Jersey Effective Date shall occur simultaneously with the occurrence of the Effective Date as defined in the UK Instrument.

5. Modification of this Jersey Scheme

- 5.1 Any modification (which term shall include any amendment, addition or deletion) of this Jersey Scheme, including any modification of the UK Instrument to the extent that the terms so modified are incorporated into this Jersey Scheme pursuant to paragraph 3 of this Jersey Scheme, or to any further condition or provision effecting the same that the Royal Court may approve or impose, before the Jersey Effective Date, shall only be effective with the prior written consent of the Transferor, the Transferee the Independent Actuary and the JFSC and, following the making of the Jersey Order, with the prior consent of the Royal Court, except to the extent permitted by paragraph 5.3 of this Jersey Scheme.
- 5.2 Subject to paragraph 5.3, at any time after the Jersey Effective Date, the Transferee shall be at liberty to apply to the Royal Court for consent to amend this Jersey Scheme, including by modifying the UK Instrument to the extent that the terms so modified are incorporated into this Jersey Scheme pursuant to paragraph 3 of this Jersey Scheme, provided that in any such case such application shall be accompanied by a certificate from the Transferee's Chief Actuary and also from its With-Profits Actuary to the effect that, in each case, in their opinion the proposed amendment will not have a material adverse effect on the reasonable expectations or benefit security of the Transferee's Policyholders. If such consent is granted, the Transferee may amend the terms of the Jersey Scheme in accordance with such consent.
- 5.3 The consent or confirmation of the Royal Court shall not be required in relation to:
- (a) minor and/or technical amendments to the terms of this Jersey Scheme, including any such amendment resulting from a modification of the UK Instrument to the extent that the relevant terms are incorporated into this Jersey Scheme pursuant to paragraph 3, provided that such amendments do not have a material adverse effect on the reasonable expectations or benefit expectations of the Transferee's Policyholders, the JFSC has been notified of the same in writing by the Transferee and has not raised any objection or query which has not been withdrawn within 45 days of such notification and the Transferee Board has received Actuarial Advice in relation to the amendments and their impact on the Transferee's Policyholders;
 - (b) amendments to the provisions of this Jersey Scheme, including any such amendment resulting from a modification of the UK Instrument to the extent that the relevant terms are incorporated into this Jersey Scheme pursuant to paragraph 3, which are reasonably considered by the Transferee Board to be necessary to ensure the provisions of this Jersey Scheme operates in the intended manner in circumstances where the provision to which the proposed variation applies will be materially affected by a variation of the Jersey Law or the JFSC Code of Practice for Insurance Business (in this paragraph a **Regulatory Change**), provided that:
 - (i) the JFSC has been notified of the proposed amendments by the Transferee and have not objected thereto within 90 days of such notification; and
 - (ii) the Transferee's Chief Actuary and its With-Profits Actuary have each provided the Transferee with a report to the effect that in his opinion the implementation of the proposed amendments will not have a material adverse effect on the reasonable expectations or benefit security of the Transferee's Policyholders (which reports have been provided to the JFSC).

- 14.1 Any reviews after the Effective Date of the charges applied to any Transferring Policies allocated to the Non-Profit Fund from time to time (including in respect of discretionary and non-guaranteed aspects and features of the Transferring Policies) shall be subject to the same governance arrangements that are in-force from time to time for all other policies in the Non-Profit Fund.

15. OPERATION OF NOTIONAL SUB-FUNDS

- 15.1 Subject to the provisions of this Instrument, at all times after the Effective Date the Transferee Notional Sub-funds shall be managed and operated in accordance with Applicable Law and Regulation, this Instrument, the Continuing Schemes and Instruments (as applicable) and the relevant PPFM.

16. TRANSFERRING HYBRID POLICIES

- 16.1 Whenever a switch is effected into Unit Linked Units in respect of that part of a Transferring Hybrid Policy which is at the relevant time represented by With-Profits Units, an amount equal to the Value of the With-Profits Part attributable to the With-Profits Units cancelled in respect of such Policy shall be transferred from the SFAS Sub-fund to the Non-Profit Fund.

17. LINKED POLICIES

- 17.1 On and with effect from the Effective Date the property and any associated liabilities comprised in each Linked Fund of the Transferor shall be allocated to and become comprised in a corresponding Linked Fund of the Transferee within the Non-Profit Fund (the “**Transferee Linked Funds**”) comprising, immediately following the Effective Date, the same number and value of units as were comprised within the relevant Linked Fund of the Transferor immediately before the Effective Date.

- 17.2 On and with effect from the Effective Date:

17.2.1 subject always to the provisions of this paragraph 17, in relation to any benefits under Transferring Policies which are linked to a Transferee Linked Fund, the Transferee shall become entitled to the same rights and powers and be subject to the same duties and liabilities as applied to the Transferor in relation to the corresponding Linked Fund of the Transferor immediately before the Effective Date; and

17.2.2 benefits under any Transferring Policy which, immediately before the Effective Date, were linked to any one or more Linked Fund(s) of the Transferor shall become linked to the corresponding Transferee Linked Fund(s) and the Transferee shall, as at the Effective Date, allocate to each such Transferring Policy the same number and classes of units in the corresponding Transferee Linked Fund(s) as the number and classes of units in the relevant Linked Fund(s) of the Transferor which were allocated to the Transferring Policy immediately before the Effective Date.

- 17.3 The Transferee Linked Funds shall initially be established with the same investment objectives, investment restrictions and investment policies as were applied by the Transferor to the corresponding Linked Fund of the Transferor immediately before the Effective Date.

- 17.4 Having regard to Actuarial Advice and the obligation to treat policyholders fairly, the Transferee shall be at liberty at any time and from time to time to open new Linked Funds, close any Transferee Linked Funds, to merge or otherwise amalgamate or transfer any Transferee Linked Fund or any part or parts thereof with or to (as the context requires) any other Linked Fund (including any other Transferee Linked Fund) or any part or parts thereof or to divide any Transferee Linked Fund into one or more Linked Funds, to change the investment objectives, investment restrictions and/or investment policies of the Transferee Linked Funds or to effect any combination of the aforesaid, in each case whether or not the Transferor would, before the Effective Date, have been so entitled in respect of the corresponding Linked Fund of the Transferor.

18. NEW BUSINESS

- 18.1 Subject to paragraph 18.2, on and from the Effective Date no new business shall be written in any Scottish Friendly Sub-fund, other than:
- 18.1.1 any policies written to satisfy the exercise by a Policyholder then holding a Policy allocated to a Scottish Friendly Sub-fund, of a right or option for a new, additional or replacement Policy;
 - 18.1.2 renewals and contractual increments to Transferring Policies allocated to a Scottish Friendly Sub-fund; and
 - 18.1.3 other automatic increases to premiums and benefits, including, without limitation, any increases (or new Policies) required by an Insurance Regulator, on Transferring Policies allocated to a Scottish Friendly Sub-fund.
- 18.2 In the event of a conflict between paragraph 18.1 and the terms of a relevant Continuing Scheme and Instrument the latter shall prevail.

PART D – MANAGEMENT OF THE SFAS SUB-FUND

19. OPERATION OF SFAS SUB-FUND

- 19.1 Subject to the provisions of this Instrument, at all times on and from the Effective Date until the Cessation Date, the Transferee shall procure that:
- 19.1.1 the SFAS Sub-fund is a separate, closed, ring-fenced sub-fund established as a sub-fund of the Transferee's Long-Term Business Fund;
 - 19.1.2 separate accounting records for the SFAS Sub-fund are at all times maintained which are sufficient to enable the separate identification of the property and liabilities allocated to the SFAS Sub-fund;
 - 19.1.3 the SFAS Sub-fund is managed in accordance with Applicable Law and Regulation, this Instrument, the Continuing Schemes and Instruments (as applicable) and the relevant PPFM;
 - 19.1.4 subject to paragraph 9.1, any surplus arising in respect of the SFAS Sub-fund shall belong exclusively to the SFAS Sub-fund and shall, if the Transferee Board elects to make any distributions, be distributed solely and exclusively to Policyholders whose With-Profits Policies are allocated to the SFAS Sub-fund.
- 19.2 If there is a distribution of surplus from the Non-Profit Fund to members of the Transferee, Policyholders whose With-Profits Policies are allocated to the SFAS Sub-fund shall, in their capacity as members of the Transferee, have the same entitlement to any such distribution as the members holding policies allocated to the Non-Profit Fund at the relevant time.

20. SFAS SUB-FUND: EXPENSES AND ALLOCATION OF COSTS AND EXPENSES

- 20.1 On and from the Effective Date until the Cessation Date, there shall, for the avoidance of doubt, be debited and charged by the Transferee to the SFAS Sub-fund:
- 20.1.1 in consideration for the provision of Operational Services by (or on behalf of) the Transferee to the With-Profits Policies allocated from time to time to the SFAS Sub-fund and in respect of each Quarter; the Operational Service Charge in respect of that Quarter (such amount shall be calculated by Transferee within 30 days of the end of the relevant Quarter) which shall be debited and charged to the SFAS Sub-fund and credited to the Non-Profit Fund within 20 days of it being calculated;
 - 20.1.2 any Losses arising or accruing or otherwise falling due for payment after the Effective Date in relation to those Transferring Liabilities allocated to the SFAS Sub-fund in accordance with the provisions of this Instrument (which, for the avoidance of doubt, shall include any operational losses in respect of the period before, but not on and from, the Effective Date which relate to the With-Profits Policies allocated to the SFAS Sub-fund pursuant to this Instrument);
 - 20.1.3 any exceptional, non-recurring or one-off project costs where such costs are incurred by the Transferee as a result of work: (i) required in respect of some or all of the With-Profits Policies allocated to the SFAS Sub-fund; or (ii) that is expected to bring a benefit (whether financial or non-financial) to some or all of the With-Profits Policies allocated to the SFAS Sub-fund as determined, on a fair basis, by the Transferee Board (having regard to the advice of the With-Profits Actuary and the

With-Profits Committee) which shall be debited and charged to the SFAS Sub-fund and credited to the Non-Profit fund; and

20.1.4 any other amounts which are required by the provisions of this Instrument to be debited or charged to the SFAS Sub-fund or which are determined by the Transferee Board (having regard to the advice of the With-Profits Actuary) to be properly attributable to the SFAS Sub-fund in accordance with the principles underlying this Instrument. For the avoidance of doubt, if it is not contrary to such principles, the Transferee Board may determine that exceptional costs may be allocated to the SFAS Sub-fund if such costs are of a type that:

- (a) were not reasonably foreseeable at the Effective Date; and
- (b) in the opinion of a Reasonable Person would have been allocated to the SFAS Sub-fund under this Instrument had they been reasonably foreseeable,

and where it would be fair to do so, taking account of policyholders' reasonable expectations and the obligation to treat policyholders fairly.

21. SFAS SUB-FUND: INVESTMENT SERVICES FEES

21.1 On and from the Effective Date until the Cessation Date, the SFAS Sub-fund shall, subject to paragraph 21.2, be charged the Investment Services Fees for the provision of Investment Services to the SFAS Sub-fund.

21.2 The Investment Services Fees shall:

- 21.2.1 on and with effect from the Effective Date be calculated by the Transferee as soon as reasonably practicable following the end of each Quarter; and
- 21.2.2 be paid within 20 Business Days of its calculation pursuant to paragraph 21.2.1 by debiting the fee from the SFAS Sub-fund and crediting it to the Non-Profit Fund.

22. SFAS SUB-FUND: CAPITAL SUPPORT

22.1 The SFAS Sub-fund shall be operated as though it is a stand-alone entity with no expectation of capital support.

22.2 Subject to paragraph 22.3, if notwithstanding the overarching principle in paragraph 22.1, a Deficit arises or is increased at any time before the Cessation Date, the Transferee Board shall, having regard to Actuarial Advice, to the extent necessary:

- 22.2.1 provide, or procure the provision of Assets from the Non-Profit Fund to the SFAS Sub-fund on a contingent basis (a “**Contingent Loan**”) such that:
 - (a) the Regulatory Value of the Assets made available shall be at least equal to the amount of the Deficit;
 - (b) making such Assets available shall not give rise to a Liability in the SFAS Sub-fund or an asset in the Non-Profit Fund;
 - (c) interest on the Contingent Loan shall be charged at no higher than arm’s length commercial terms at the prevailing market interest rate and on terms which will not detrimentally affect the reasonable expectations of Policyholders whose With-Profits Policies are allocated to the SFAS Sub-

fund in each case as agreed by the Transferee Board having regard to the advice of the With-Profits Actuary; and

- (d) repayment of the Contingent Loan shall occur only in accordance with paragraph 22.5; or

- 22.2.2 provide, or procure the provision of, Capital Support in any alternative manner and upon such terms (including, for the avoidance of doubt, upon terms that no interest or other charge shall be applied for the provision of Capital Support) that the Transferee Board in its absolute discretion sees fit, having regard to Actuarial Advice, provided that the Transferee Board shall be satisfied that such alternative arrangements (including arrangements for subsequent reduction in Capital Support) do not materially adversely affect the reasonable expectations of the holders of With-Profits Policies in the SFAS Sub-fund from time to time relative to the position had the Capital Support been made available in accordance with paragraph 22.2.1.
- 22.3 No obligation to provide Capital Support pursuant to paragraph 22.2 shall arise to the extent that, in the opinion of the Transferee Board having regard to the advice of the Chief Actuary, the Regulatory Value of the Assets in the Non-Profit Fund falls short of the Minimum Asset Requirement to be held in the Non-Profit Fund or the provision of Capital Support would cause the Non-Profit Fund to fall short of the Minimum Asset Requirement to be held in the Non-Profit Fund.
- 22.4 Notwithstanding any other provision of this Instrument, following the date on which Capital Support is provided to the SFAS Sub-fund, the SFAS Sub-fund shall be managed with the intention that the requirement of the SFAS Sub-fund for Capital Support shall be eliminated at the earliest possible opportunity provided that this shall not require the Transferee to take any action that may result in the minimum guaranteed benefits of holders of With-Profits Policies in the SFAS Sub-fund not being met or which the Transferee otherwise considers (acting reasonably and in good faith) is not consistent with its obligations under the Consumer Duty.
- 22.5 If Capital Support has been provided in the form of one or more Assets transferred into the SFAS Sub-fund and the Transferee Board (having regard to Actuarial Advice) is of the opinion that the Regulatory Value of Assets comprised in the SFAS Sub-fund exceeds the Minimum Asset Requirement to be held by the SFAS Sub-fund (ignoring any actual or contingent liabilities to repay the Capital Support), such assessment is to be made on a quarterly basis (or such other frequency that the Chief Actuary may recommend and the Transferee Board may approve), the Transferee shall be entitled to effect a settlement from the SFAS Sub-fund to the Non-Profit Fund of Assets with a Regulatory Value of no more than the lower of:
 - 22.5.1 the value of the Capital Support at the relevant time; and
 - 22.5.2 the maximum amount that can be settled without giving rise to a Deficit.
- 22.6 If Capital Support has been provided in an alternative manner pursuant to paragraph 22.2.2 the Transferee Board shall (having regard to Actuarial Advice) repay the Capital Support and any related charges as soon as is reasonably practicable. For the avoidance of doubt, repayment of the Capital Support and any related charges may be in instalments.

22.7 Subject to paragraph 22.8, no financial assistance or support shall be provided from the SFAS Sub-fund to another fund or sub-fund in the Long-Term Business Fund unless:

22.7.1 the With-Profits Actuary has certified to the Transferee Board and the With-Profits Committee that the terms of the financial assistance or support to be provided from the SFAS Sub-fund are, in the opinion of the With-Profits Actuary, no less favourable than arm's length commercial terms and will not materially adversely affect the reasonable expectations of the holders of With-Profits Policies allocated to the SFAS Sub-fund from time to time; and

22.7.2 the Transferee Board approves the provision of financial assistance or support by the SFAS Sub-fund on the terms proposed.

22.8 No financial assistance or support shall be provided from the SFAS Sub-Fund to the Non-Profit Fund pursuant to paragraph 22.7 if, in the opinion of the Transferee Board having regard to the advice of the Chief Actuary, the Regulatory Value of the Assets in the Non-Profit Fund exceeds the Minimum Asset Requirement to be held in the Non-Profit Fund.

23. SFAS SUB-FUND: CESSATION AND MERGER

23.1 Subject to paragraph 23.2, the Transferee may elect to cease to maintain the SFAS Sub-fund as a separate sub-fund in the Long-Term Business Fund in accordance with paragraph 23.3 where the aggregate market value of Assets in the SFAS Sub-fund falls below:

23.1.1 £50 million (such amount to be adjusted annually on 31 December of each year (including, for the avoidance of doubt, on 31 December 2026) in line with the published rate of CPI inflation in respect of the relevant year); or

23.1.2 such greater amount below which the Transferee Board considers:

(a) the continued maintenance of the SFAS Sub-fund as a separate sub-fund of the Long-Term Business Fund is (having regard to the advice of the Chief Actuary) materially adverse to the interests of holders of Policies allocated to the Non-Profit Fund; and

(b) cessation of the SFAS Sub-fund is (having regard to the advice of the With-Profits Actuary) not materially adverse to the interests of holders of With-Profits Policies allocated to the SFAS Sub-fund.

23.2 If the aggregate market value of Assets in the SFAS Sub-fund falls below £25 million (such amount to be adjusted annually on 31 December of each year (including, for the avoidance of doubt, on 31 December 2026) in line with the published rate of CPI inflation in respect of the relevant year), the Transferee shall, as soon as practicable and within 24 months of that occurrence, cease to maintain the SFAS Sub-fund as a separate sub-fund in the Long-Term Business Fund on the Cessation Date in accordance with paragraph 23.3.

23.3 If the Transferee elects (under paragraph 23.1) or is required (under paragraph 23.2) to cease to maintain the SFAS Sub-fund as a separate sub-fund:

23.3.1 subject to paragraph 23.3.2, any excess of the total realistic value of the aggregate of the Assets within the SFAS Sub-fund over the total realistic value of the aggregate of the Liabilities within the SFAS Sub-fund less the Cessation Charge shall be allocated as enhancements to With-Profits Policies on the Cessation Date in a

manner and at such times as the Transferee Board, having regard to Actuarial Advice, believes is fair having regard to the security and reasonable expectations from time to time of holders of With-Profits Policies allocated to the SFAS Sub-fund;

- 23.3.2 if, immediately before the Cessation Date, the SFAS Sub-fund is in receipt of Capital Support in order to meet its liabilities, then repayment of that Capital Support shall take priority over any enhancements being made pursuant to paragraph 23.3.1;
- 23.3.3 the Transferee Board may, upon the advice of the With-Profits Actuary, decide to convert, on and from the Cessation Date, the With-Profits Policies allocated to the SFAS Sub-fund into unit-linked or non-profit Policies upon such terms that it shall approve and on the basis that upon conversion the Policies shall be treated in a manner consistent with other such Policies in the Non-Profit Fund;
- 23.3.4 on and from the Cessation Date, all of the Policies, Assets and Liabilities allocated to the SFAS Sub-fund immediately before the Cessation Date shall be transferred from the SFAS Sub-fund to the Non-Profit Fund;
- 23.3.5 on and from the Cessation Date, the provisions of this Instrument relating to the maintenance of the SFAS Sub-fund as a separate sub-fund shall cease to apply; and
- 23.3.6 such other modifications and/or additions shall be made to this Instrument pursuant to paragraph 29 as may be necessary to give effect to the cessation of the SFAS Sub-fund on the Cessation Date.

24. ALLOCATION OF EXPENSES AND CHARGES

- 24.1 All expenses and charges other than those attributable to the Scottish Friendly Sub-funds in accordance with paragraphs 15 and 20 shall be allocated to the Non-Profit Fund.

25. MERGER ALLOCATION

- 25.1 The Transferee shall, by no later than two months following the Effective Date, and with oversight of the Transferee's Chief Actuary, calculate:
 - 25.1.1 the Actual Merger Allocation; and
 - 25.1.2 the True-Up Payment.
- 25.2 The Transferee's calculation pursuant to paragraph 25.1 of the Actual Merger Allocation and of the True-Up Payment shall be subject to the approval of the Transferee Board having taken advice from the Transferee's With-Profits Actuary and the With-Profits Committee.
- 25.3 Within 5 Business Days of the Transferee Board's approval of the amount of the True-Up Payment pursuant to paragraph 25.2, the Transferee shall, if the amount of the True-Up Payment is:
 - 25.3.1 a positive number, debit an amount equal to the amount of the True-Up Payment from the Non-Profit Fund and credit the same amount to the SFAS Sub-fund; or
 - 25.3.2 a negative number, debit an amount equal to the amount of the True-Up Payment from the SFAS Sub-fund and credit the same amount to the Non-Profit Fund.

26. ENHANCEMENTS FOR WITH-PROFITS POLICYHOLDERS

- 26.1 The Transferee shall, on the Business Day immediately following the Effective Date, apply the Initial Policy Uplift to the Asset Share of each Relevant With-Profits Policy.
- 26.2 The determination of the Initial Policy Uplift will be such that the increase in the Best Estimate Liabilities arising on the application of the Initial Policy Uplift shall not exceed 50% of the Estimated Merger Allocation.
- 26.3 The Transferee shall distribute any Residual Merger Allocation to the Relevant With-Profits Policies over time, in such amounts and in such manner, having regard to fairness and the reasonable expectations of the relevant Policyholders, as may be approved by the Transferee's Board having taken Actuarial Advice and advice from the With-Profits Committee.

27. TAX

- 27.1 Any Tax to be levied on, or Tax to be credited to, the SFAS Sub-Fund shall, so far as possible, be calculated as a best estimate of the amounts in respect of Taxation that would be charged or credited to the SFAS Sub-Fund if the SFAS Sub-fund was the sole long term business fund of a Notional Friendly Society.

PART E – MISCELLANEOUS PROVISIONS

28. EFFECTIVE DATE

- 28.1 Subject to the Framework Agreement becoming effective in accordance with its terms, this Instrument shall become effective at the time and date specified by the FCA pursuant to section 86(4) of the Act, intended to be 28 February 2027, unless the Parties agree otherwise in writing.

29. MODIFICATION OR ADDITIONS

- 29.1 Any modification of or addition to this Instrument before the Effective Date shall only be effective with the prior written consent of the Transferor, the Transferee, the Independent Actuary and the Insurance Regulators.
- 29.2 Subject to paragraph 29.3, at any time after the Effective Date, the Transferee shall be at liberty to apply to the Insurance Regulators for consent to amend its terms, provided that in any such case such application shall be accompanied by a certificate from the Transferee's Chief Actuary and also from its With-Profits Actuary to the effect that, in each case, in their opinion the proposed amendment will not have a material adverse effect on the reasonable expectations or benefit security of the Transferee's Policyholders. If such consent is granted, the Transferee may amend the terms of this Instrument in accordance with such consent.
- 29.3 The consent or confirmation of the Insurance Regulators shall not be required in relation to:
- 29.3.1 minor and/or technical amendments to the terms of this Instrument and amendments necessary to correct an error or omission in the Instrument, provided that such amendments do not have a material adverse effect on the reasonable expectations or benefit expectations of the Transferee's Policyholders, the Insurance Regulators have been notified of the same in writing by the Transferee and have not raised any objection or query which has not been withdrawn within 45 days of such notification and the Transferee Board has received Actuarial Advice in relation to the amendments and their impact on the Transferee's Policyholders;
 - 29.3.2 amendments to the provisions of this Instrument which are reasonably considered by the Transferee Board to be necessary to ensure the provisions of this Instrument operate in the intended manner in circumstances where the provision to which the proposed variation applies will be materially affected by a variation of FSMA, the PRA Rulebook or the FCA Handbook (in this paragraph a "**Regulatory Change**"), provided that:
 - (a) the Insurance Regulators have been notified of the proposed amendments by the Transferee and have not objected thereto within 90 days of such notification; and
 - (b) the Transferee's Chief Actuary and its With-Profits Actuary have each provided the Transferee with a report to the effect that in his opinion the implementation of the proposed amendments will not have a material adverse effect on the reasonable expectations or benefit security of the Transferee's Policyholders (which reports have been provided to the Insurance Regulators).

30. MEMBERSHIP

30.1 On and with effect from the Effective Date:

- 30.1.1 the members of the Transferor shall become members of the Transferee with the same members' rights as the Transferee Membership Rights; and
- 30.1.2 any rights of membership of the Transferor Members in the Transferor shall cease.

31. CONTINUITY OF PREVIOUS TRANSFERS

31.1 The extant provisions in Continuing Schemes and Instruments shall, except as otherwise set out in this Instrument, continue in full force and effect on the basis that on and with effect from the Effective Date:

- 31.1.1 the Transferee is a party to the Continuing Schemes and Instruments instead of the Transferor and any reference in the Continuing Schemes and Instruments to the Transferor shall be read as a reference to the Transferee and all rights and obligations of the Transferor under or relating to the Continuing Schemes and Instruments shall be rights and obligations of the Transferee; and
- 31.1.2 the other parties to the Continuing Schemes and Instruments can exercise against the Transferee any rights that they may have which are capable of being exercised against the Transferor immediately before the Effective Date under the Continuing Schemes and Instruments.

31.2 Without prejudice to the generality of paragraph 31.1, on and with effect from the Effective Date:

- 31.2.1 references in the M&G Scheme to the 'M&G Sub-Fund' (which was established pursuant to paragraph 12 thereof) shall be read as a reference to the M&G Sub-fund established pursuant to paragraph 7.1.1 of this Instrument;
- 31.2.2 references in the Scottish Legal Life Instrument and the Scottish Legal Life Transfer Agreement to the 'SLL Fund' (which was established pursuant to clause 7 of the Scottish Legal Life Transfer Agreement) shall be read as a reference to the Scottish Legal Life Sub-fund established pursuant to paragraph 7.1.1 of this Instrument;
- 31.2.3 references in the Canada Life Scheme to the 'New Manulife Fund' (which was established pursuant to paragraph 13 thereof) shall be read as a reference to the Manulife Sub-fund established pursuant to paragraph 7.1.1 of this Instrument; and
- 31.2.4 references in the Continuing Schemes and Instruments to the Transferor's Long-Term Business Fund shall be read as a reference to the Transferee's Long-Term Business Fund and references to the Transferor Main Fund shall be read as a reference to the Transferee's Non-Profit Fund.

31.3 Save as provided for in paragraph 18.2, if there is a conflict between the terms of this Instrument of Transfer and a Continuing Scheme and Instrument (a "**Conflict**") the Transferee's Board shall, upon taking Actuarial Advice and in accordance with Applicable Law and Regulation, decide which of the conflicting provisions shall prevail and shall promptly notify the Insurance Regulators of the Conflict and its decision. The Transferee may only take action in relation to a Conflict and in line with the Board's decision if the relevant Insurance Regulator has not objected within 30 days of such notification or, sooner, if a failure

to act will, in the Transferee's reasonable opinion, materially adversely affect Policyholders or cause the Transferee to be in breach of Applicable Law and Regulation.

32. INCONSISTENCY WITH APPLICABLE LAW AND REGULATION

32.1 In the event of any inconsistency between the provisions of this Instrument and Applicable Law and Regulation from time to time, Applicable Law and Regulation shall prevail.

33. INVALIDITY

33.1 If at any time any provision of this Instrument is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, that shall not affect or impair the legality, validity or enforceability:

33.1.1 in that jurisdiction of any other provision of this Instrument; or

33.1.2 under the law of any other jurisdiction of that or any other provision of this Instrument.

34. SUCCESSORS AND ASSIGNS

34.1 This Instrument will bind, and enure to the benefit of, the successors and assigns of the Transferee.

35. THIRD PARTY RIGHTS

35.1 The Parties do not intend that any term of this Instrument should be enforceable, by virtue of the Contracts (Rights of Third Parties) Act 1999, by any person who is not a Party to this Instrument.

36. COUNTERPARTS

36.1 This Instrument may be executed in any number of counterparts, and by the Parties on separate counterparts, but shall not be effective until each Party has executed at least one counterpart.

36.2 Each counterpart shall constitute an original of this Instrument, but all the counterparts shall together constitute but one and the same instrument.

37. GOVERNING LAW AND JURISDICTION

37.1 This Instrument is to be governed by and construed in accordance with English law. Any matter, claim or dispute arising out of or in connection with this Instrument, whether contractual or non-contractual, is to be governed by and determined in accordance with English law.

AS WITNESS the hands of the duly authorised representatives of the Parties the day and year first above written.
