2 GLITTER BAR

Back by popular demand – Get glamorous with glitter face paint by the talented team from Glitter Bar HTX.

3 FAIRYTALE STORYTIME

Pull up a chair and listen to the adventures of everyone's favorite fairy, Abella – read aloud by children's book author Zane Carruth.

4 CRAFTING STATION

Make your own Witch's Hat, create your perfect Valentine's Day Card, or decorate your very own Gingerbread Man at our crafting station!

5 HARRIS COUNTY PUBLIC LIBRARY

Visit our friends from the library and browse a variety of children's books, along with coloring pages, stickers, and other book-related activities.

6 STORYBOOK OPERA

Stop by to hear the talented teaching artists from HGO bring children's books to life through song!

7 STORIES TO STAGE GALLERY

Deepen your understanding of *Hansel and Gretel* with HGO's educational exhibit that provides historical context, things to listen for, and behind-the-scenes perspectives that explain what you'll see on stage.

8 INSTRUMENT PETTING ZOO

Thanks to The Cynthia Woods Mitchell Pavilion, experience the instruments of the orchestra, up close and personal! This hands-on activity allows families to touch, play, and listen to the instruments they'll hear in the theater.

9 SENSORY FRIENDLY SPACE

Take a break and find a quiet place away from the crowd to decompress. Our sensory-friendly space, provided by the Hobby Center and the Theater District Sensory Inclusive Collective, includes fidget toys, coloring pages, comfortable seating, and a monitor showing the performance on a low volume.
