 Except as allowed under copyright act, no part of this drawing may be reproduced or otherwise dealt with without written permission of DKO Architecture.

Builder/ Contractor shall verify job dimensions before any job commences. Figured dimensions take precedence over drawings and job dimensions. All shop drawings shall be submitted to the Architect/ Consultant, and manufacture shall not commence prior to return of inspected shop drawings by the Architect/ Consultant.

The Plans and Specifications depicted and described in this publication are current as at the date of issue. The vendor may substitute items with equipment items, use substitute product(s) or modify the Plans and Specifications due to unforeseen building and design controls, product changes, unavailability, and similar reasons. Any furniture shown is illustrative only. Please seek clarification updates and refer to contracts of sale for full details.

Note:
 -The apartment area measurements displayed are based on draft strata plans prepared by L/S. For detailed information, please consult drawing S2188 001SP 19-12-23.
 -Quantity, placement and size of windows shown may vary between listed apartment numbers. Refer to overall floorplate drawings for respective facade arrangement.
