

How to Notify WorkSafe – Notifiable Work

Whakapā mai

Notify WorkSafe

Notify WorkSafe of a death

If there has been a death, call WorkSafe immediately on 0800 030 040 (24/7).

Do you know which notification form you need? [? Help](#)

Not sure Yes

What notification are you submitting?

Please select... 

Google "Notify Particular Hazardous Work", follow the WorkSafe link and click on "Complete the online notification form".

Once on this page click Yes and on the dropdown menu select "Report Particular Hazardous Work".

If there has been a death, call WorkSafe immediately on 0800 030 040 (24/7).

Do you know which notification form you need? [? Help](#)

Not sure Yes

What notification are you submitting?

Report particular hazardous work 

 **Check your selections before starting a notification**

Please make sure your selections are correct, as you cannot change them once you have started a notification.

Get started

As above, select Report Particular Hazardous Work and click get started.

Log in or skip

Log in to your online services account using RealMe Login to submit your notification. We will re-use your account personal information to prefill some of your details. When signed in, you can securely save your notification as a draft and return to it later if you're not ready to submit it to WorkSafe yet. Once submitted you will be able to track the progress of your notification on your online services account dashboard.

Please note you do not need to log in to submit this notification. If you prefer to remain unauthenticated press the skip button.
